

How many ACTUAL felons were arrested and jailed and further prosecuted after Governor Kitzhaber commanded the State Troopers to PERSONALLY investigate EVERY denied 4473 gun transfer through licensed dealers?

Answer this before you pass one more gun stripping law. If you don't do this then all your ranting and raving and taking A CHUNK OF BLOOMBERG'S millions will be about stripping Oregon CITIZENS OF THEIR RIGHTS.

Governor Kitzhaber wasted millions of dollars sending what few troopers we have out to investigate denied applications. Real crimes were not investigated, unless of course they were about one of our pampered and protected politicians.

SHAME ON ALL OF YOU.

Dear Committee on SB941,

Since HOLLYWOOD makes millions glorifying senseless KILLING AND MAHEM USING GUNS Oregon must charge a FEE per FRAME in every movie which shows gun violence, by ticket, DVD and rerun sales. Legitimate gun owners will use these fees to hire qualified instructors to teach Oregon kids the PROPER way to handle, clean, shoot and respect guns. Let's all join together to undo the damage Hollywood's nonsensical violence has imparted on our kids for generations. Let Oregon pave the way across the entire USA to teach kids the importance of the 2nd Amendment and why it is the very foundation of their freedom!

You collect all kinds of money in support of education, so how about spending some teaching gun safety and responsibility?

When will the 4473 be approved for a man who tried to buy a gun on November 27, 2013? Is this right? Is this legal? Is this American? When should be reasonably expect an answer?
