

Honorable Members of the House Revenue Committee:

I am the City Manager of the City of Umatilla. Unfortunately our City Council can't address this issue before your meeting tomorrow but I would like to acknowledge our support of the League of Oregon Cities position on these two important pieces of legislation. HJR 12 and HJR 20 would be valuable revenue tools for us, as for any municipality.

Thanks for your support of municipalities in Oregon as you consider these two issues.

Sincerely,

Bob Ward
City Manager
