EDWARD JOHNSTON LAWFUL WRITE-IN CAMPAIGN  
FOR ELECTION FOR THE DE JOUR MAYOR POSITION  
OF THE TOLEDO OREGON TERRITORY

ONE HAS TO HAVE THE ELECTION DEPARTMENT NOTARIZE YOUR LAWFUL VOTE.

One has to have  
the Election Department  
notarize your lawful Vote  
YOUR VOTE MATTERS!

I, Edward-Malone: Johnston II, a living man and lawful American, am running for many reasons besides the fact that it is just a plain and simple time for these offices to be given back to the people of this town, but also to bring awareness and education to the youngsters/ future of the territory.

My campaign will consist of four topics starting with the most important (honor) my oath, (life) water, (life) food (liberty) the right to travel without being impend.

☆ My Oath of office will be taken, by one in a lawful position to administer it, and Recorded (as it is required by law) to preserve authentic evidence of...without the required recorded Oath there is no office. This is an honorable position to be able to serve the people of the territory and in return I will honor my Oath of Office! I will encourage all those receiving checks from either the city, county, or state Treasuries; to honor their Oaths and also follow the law to record those Oaths, or there is no authentic evidence of it ever being done accordingly.

☆ The water in this town will NEVER have fluoride so long as I live here, but also it will NEVER be shut off to the lawful Americans/inhabitants no matter what. Who is anyone to deprive one of Life?

☆ The food: there is 400 acres that belong to the people of Toledo (located right outside of Toledo towards Harland, passed the Mill) and nothing is being done with this land. I want to open it up to the people of Toledo to give them the opportunity to grow their own organic food and we will use the resources Toledo already has to do this. I believe it would provide the youngsters/future a great opportunity to get involved to learn and help others along with build order and discipline in a healthy way that they can be proud of.

☆ This campaign is one of many that I would like to see more people get involved in. As many people know me around this area all I can say is that I care about you and your children or I wouldn't be interested in getting so involved.

I believe in the United States Constitution for America and the structures founded under it.

I want to see the people flourish for their investment into the government or what are we doing this for are lawful Bloodline? There are many topics that need to be addressed and can and will be as I welcome the discussions and open the doors for change.

The open space acres total about 370 acres, plus the

Knoll, which the city recently purchased as part of the Village of Cascade Road planned unit development at the north end of the city.

City of Lincoln City Senior Planner Deton Martin said, "The Knoll is approximately 40 acres."

In recent years, the city has done two financing projects in Agnes Creek Open Space to help with the health of the forest. As a result, new trails were developed.

"We hope to continue with thinning projects in Spyglass Ridge," Martin said.

The primary purpose of open spaces is to protect areas from development, with the secondary purpose being recreation.

"The primary purpose is to protect wildlife," Park Board Chair and Open Space Committee member Steve Griffith said. "Recreation is allowed only if it doesn't interfere with the primary purpose."

## Long garden paths

September is a transition month, from summer to autumn, and at the coast, it often brings the most beautiful weather of the year.

Summer flowers may be finishing their blooming lives with a last burst of color, while some later bloomers are just beginning to show off. Look at Gloriosa Dalziel (Rudbeckia), dahlias gone crazy, chrysanthemums of all kinds, sunflowers reaching for the sky.

Planted sunflower seeds given me by a friend who wants to be part of a project to observe pollinators in action. Pollinators I have, lots of little bees that look to me like honeybees flitting from flower to flower in a frenzied attempt to taste every bloom. They can't decide whether they prefer these sunflowers, or the bonnets, or maybe the nasturtiums are worthy of a visit. The weedy clover that has taken over part of our gravel parking lot was keeping them busy earlier. We didn't mow or spray it so they could have their fill.

If you think of chrysanthemums as a flash of color just for autumn, think again. They are usually quite hardy and perennial when planted in well drained soil, and will make a nice green bushy background for earlier blooms next year. There are so many lovely colors available in stores right now that it is hard to decide which to buy.

To you think of an autumn color scheme based on the orange and gold shades found in the foliage of deciduous trees? Most of us do, but you can access that with lime green, palest yellow, burgundy, and almost any color you like because the autumn scene has it all.

This has been a particularly sunny and therefore, dry summer, so you may see autumn color on the trees earlier than usual. Trees drop their leaves when they are mature enough to do so, not when they feel the cold of winter approaching. When their job is done, the leaves fall, but that is only part of their value to the earth. Left to decompose, their stored minerals will contribute to the fertility of the soil for future growth. Our bad habit of raking up the leaves and disposing of them, rather than composting them or leaving them as a mulch on the soil is one reason we have to remember to add fertilizer in the spring. Mimic nature and spread those leaves in a layer over any empty soil.

You might notice more yellow lower leaves on Rhododendrons and other evergreen broadleaf shrubs during a dry year. This is part of their way of surviving a period of drought. Shedding the oldest and least useful foliage allows them to use what is available to nourish the newest and most important growth. They will also shed leaves if there is not enough soil fertility to take care of all the foliage they grow. Mulch with some mild compost this fall to support their next year's growth.

September is also a very good time to plant new shrubs and trees, giving them a nice long time to grow roots before spring's arrival signals new growth. A healthy root system will provide for better growth the next season. Prepare the soil well before rain makes it too wet to crumble, and be sure to water any new plantings regularly until rain takes over.

This is also a good time to evaluate whether any pruning is needed before winter winds arrive. Always prune to achieve symmetry and beauty of form. Prune out any diseased branches, and evaluate whether thinning is needed to prevent wind damage.

As you walk about enjoying your garden, watch for small tasks that will make later gardening easier. Enjoy autumn and keep on gardening.

and to provide aesthetic beauty for the city's citizens and for future generations."

Nearly 20 years after that bond was passed, open spaces are proving to be a great asset for the city.

"It's a great asset for the city that not a lot of other cities in Oregon seem to have," Griffith said. "It's really wonderful to get out and enjoy the peace and serenity that the open spaces provide"

## CITY OF LINCOLN CITY

Lincoln City Celebrates its 50th Anniversary. To honor this milestone, The News-Guard presents a special special feature highlighting the events from past to present.

### OCEANLAKE TO HAVE THEATRE BY SPRING

BRN, September 16, 2014

North Lincoln is to have a new theatre in the near future, according to Wm. McKeivitt, who owns the Midway Theatre at Newport and operates the Lincoln Theatre at La.

The new play building will be in Oceanlake and situated on the east side of the highway next to the B & W grocery, announced Mr. McKeivitt this week. He recently purchased a lot from Mrs. Tom Willett for the purpose.

The new building will be 35 feet wide and 110 feet long. In addition to the theatre, which will contain 350 seats, there will be a drug store on the ground floor, and over the store and lobby, offices and apartments will be constructed.

Wm. Rees, Oceanlake architect and contractor, is drawing up the plans for the building which will be modern and of fireproof construction throughout. Local labor will be employed on the project.

Mr. Rees expects to have work under way shortly, and the structure will be ready to open by early spring.

This marks another step in the advancement of Oceanlake and North Lincoln as large, and is welcomed by the residents of the section.

IN CONGRESS, JULY 4, 1776.

 **A D E C L A R A T I O N**  
BY THE REPRESENTATIVES OF THE  
**UNITED STATES OF AMERICA,**  
IN GENERAL CONGRESS ASSEMBLED.

**W**HEN in the Course of human Events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them, a decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation.

We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness—That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient Causes, and accordingly all Experience hath shewn, that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Usurpations, pursuing invariably the same Object, evinces a Design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future Security. Such has been the patient Sufferance of these Colonies; and such is now the Necessity which constrains them to alter their former System of Government. The History of the present King of Great-Britain is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid World.

He has refused his Assent to Laws, the most wholesome and necessary for the public Good.

He has refused his Assent to Laws, the most wholesome and necessary for the public Good, unless suspended in their Operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

He has refused to pass other Laws for the Accommodation of the large Districts of People, unless those People would relinquish the Right of Representation in the Legislature, a Right inestimable to them, and formidable to Tyrants only.

He has called together Legislative Bodies at Places unusual, uncomfortable, and distant from the Depository of their public Records, for the sole Purpose of fatiguing them into Compliance with his Measures.

He has dissolved Representative Houses repeatedly, for opposing with manly Firmness his Invasions on the Rights of the People.

He has refused for a long Time, after such Dissolutions, to cause others to be elected; whereby the Legislative Powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the Dangers of Invasion from without, and Convulsions within.

He has endeavoured to prevent the Population of these States; for that Purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their Migrations hither, and raising the Conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary Powers.

He has made Judges dependent on his Will alone, for the Tenure of their Offices, and the Amount and Payment of their Salaries.

He has erected a Multitude of new Offices, and sent hither Swarms of Officers to harass our People, and eat out their Substance.

He has kept among us, in Times of Peace, Standing Armies, without the Consent of our Legislatures.

He has affected to render the Military independent of and superior to the Civil Power.

He has combined with others to subject us to a Jurisdiction foreign to our Constitution, and unacknowledged by our Laws; giving his Assent to their Acts of pretended Legislation:

For quartering large Bodies of Armed Troops among us;

For protecting them, by a mock Trial, from Punishment for any Murders which they should commit on the Inhabitants of these States;

For cutting off our Trade with all Parts of the World;

For imposing Taxes on us without our Consent;

For depriving us, in many Cases, of the Benefits of Trial by Jury;

For transporting us beyond Seas to be tried for pretended Offences;

For abolishing the free System of English Laws in a neighbouring Province, establishing therein an arbitrary Government, and enlarging its Boundaries, so as to render it at once an Example and fit Instrument for introducing the same absolute Rule into these Colonies;

For taking away our Charters, abolishing our most valuable Laws; and altering fundamentally the Forms of our Governments;

For suspending our own Legislatures, and declaring us out of his Protection and waging War against us.

He has abdicated Government here, by declaring us out of his Protection and waging War against us.

He has plundered our Seas, ravaged our Coasts, burnt our Towns, and destroyed the Lives of our People.

He is, at this Time, transporting large Armies of foreign Mercenaries to complete the Works of Death, Desolation, and Tyranny, already begun with circumstances of Cruelty and Perfidy, scarcely paralleled in the most barbarous Ages, and totally unworthy the Head of a civilized Nation.

He has constrained our fellow Citizens to take Captive on the high Seas to bear Arms against their Country, to become the Executioners of their Friends and Brethren, or to fall themselves by their Hands.

He has excited domestic Insurrections amongst us, and has endeavoured to bring on the Inhabitants of our Frontiers, the merciless Indian Savages, whose known Rule of Warfare, is an undistinguished Destruction, of all Ages, Sexes and Conditions.

In every Stage of these Oppressions we have Petitioned for Redress in the most humble Terms: Our repeated Petitions have been answered only by repeated Injury. A Prince, whose Character is thus marked by every act which may define a Tyrant, is unfit to be the Ruler of a free People.

No Man have we been wanting in Attention to our British Brethren. We have warned them from Time to Time of Attempts by their Legislature to extend an unwarrantable Jurisdiction over us. We have reminded them of the Circumstances of our Emigration and Settlement here. We have appealed to their native Justice and Magnanimity, and we have conjured them by the Ties of our common Kindred to disavow these Usurpations, which would inevitably interrupt our Connections and Correspondence. They too have been deaf to the Voice of Justice and of Confingularity. We must, therefore, acquiesce in the Necessity, which denounces our Separation, and hold them, as we hold the rest of Mankind, Enemies in War, in Peace, Friends.

We, therefore, the Representatives of the UNITED STATES OF AMERICA, in GENERAL CONGRESS ASSEMBLED, appealing to the Supreme Judge of the World for the Rectitude of our Intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly Publish and Declare, That these United Colonies are, and of Right ought to be, FREE AND INDEPENDENT STATES; that they are absolved from all Allegiance to the British Crown, and that all political Connection between them and the State of Great-Britain, is and ought to be totally dissolved; and that as FREE AND INDEPENDENT STATES, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which INDEPENDENT STATES may of right do. And for the support of this Declaration, with a firm Reliance on the Protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes, and our sacred Honor.

Signed by ORDER and in BEHALF of the CONGRESS,

JOHN HANCOCK, PRESIDENT.

ATTEST.

128 The United States Supreme Court has stated that "No State legislator or executive or judicial officer can war against

135 On March 9, 1933 - House 73rd Congress, Session I. Chapter I, page # 83, 1 st paragraph, third sentence it states:  
136 "Under the new law the money is issued to the banks in return for Government obligations, bills of exchange, drafts,  
137 notes, trade acceptances, and bankers acceptances. The money will be worth 1 00 cents on the dollar, because it is  
138 backed by the credit of the nation. It will represent a mortgage on all the homes and other property of all the  
139 PERSONS in the nation. " (Emphasis added)House Joint Resolution 1 92, June 5, 1933, states that one cannot  
140 demand a certain form of currency that they want to receive if it is dollar for dollar as ALL CURRENCY IS YOUR  
141 CREDIT ! If they do, they are in breach of the contract of HJR 192. You have already accepted this contract and now  
142 they must perform. Pursuant to this contractual resolution expounded upon by the corporation that you are  
143 discharging the debt pursuant to HJR 192, they must give you a Letter  
144 of Release or Payment in Full in the form Lawful Americans of discharge.

145 If they ask you, "Where does the money come from to pay for the items?" you should correct them and say, "There  
146 is no money because the UNITED STATES and all States County's municipalities are in bankruptcy and the only  
147 currency that exists is that of all the people' s credit." You could al so tell them, "The 180.U S Trust Fund is where all  
148 of the people' s property has been unlawfully by foreign agents in the Name of fraud collateralize to create the  
149 credit of their nation." If they appear confused, show them a copy of the 73rd Congress, 192.March 9, 1933 where it  
150 says"(The new money) will be backed by the credit of the nation Not Lawful American. It will represent a mortgage  
151 on all the homes and property of all the people in the nation. "

152 IN THEIR OWN WRITING THEY AGREE ALL PEOPLE 196 IN THE United States of America this Great NATION ARE THE  
153 CREDITORS NOT DEBTORS ! They would be so impressed and shocked that they had actually witnessed a creditor  
154 who knows his business, that they in tum would probably conduct themselves more respectful and business like  
155 towards you.

156 To understand how the "money" system works today, one must remember the 73rd Congress, March 9, 1933;  
157 " The money (Federal Reserve Notes) will be worth 1 00 cents on the dollar, because it is backed by the credit of the  
158 nation. It will represent a mortgage on all the homes and other property of all the people in the nation. The money  
159 so issued will not have one penny of gold coverage behind it, because it is really not needed. "

160 Since the "national emergency in banking," otherwise known .as bankruptcy, occurred in 1933,our "money" is credit  
161 - your credit - backed by your collateral or your promise. When Elected and public servant sign any promise to pay  
162 house bill and they are liable for the Debt, it becomes MONEY! What is the difference between Federal reserve  
163 Notes and the Promissory Note you gave the bank? They represent your credit and the Only thing is different - the  
164 banked to record your Promissory Note when they Criminally, know the Deed of Lawful Americans Trust, therefore it  
165 is not registration in the public register like FRNs are. Kate, How do you to pay debt with a debt instrument? Could  
166 this be intentional fraudulent use of a foreign security?" I call for the Pope to come to Oregon UNDER Treaty of  
167 1213, I ask for thy Souls of they who fails their oath to God.

228 'Following are quotes issued by courts within the United States of America -- which attest to the fact that a court's  
229 jurisdiction over parties appearing before the court, may be challenged by any party, and at any time. A court, upon  
230 such challenge, is compelled to answer the challenge, and prove to the challenger's reasonable doubt that it, the  
231 court, possesses jurisdiction for a particular action before the court.

232 Typically, challenges to a court's jurisdiction pertain to criminal proceedings and prosecutions -- whereby an  
233 accused, or a defendant, may challenge a court's jurisdiction to adjudicate a criminal case. The maxim of law  
234 therefore, substantiated by numerous case cites, is that once challenged, a court's jurisdiction must be proven.

235 "Once jurisdiction is challenged, the court cannot proceed when it clearly appears that the court lacks jurisdiction,  
236 the court has no authority to reach merits, but, rather, should dismiss the action." *Melo v. US*, 505 F.2d 1026.  
237 In Lincoln County I have challenged this AKA Acting Judge Tomas Branford says he needs no license  
238 proof <https://www.youtube.com/watch?v=RscAVZnQWg>  
239 "Court must prove on the record, all jurisdiction facts related to the jurisdiction asserted."  
240 *Latana v. Hopper*, 102 F. 2d 188; *Chicago v. New York*, 37 F Supp. 150.

241 "The law provides that once State and Federal Jurisdiction has been challenged, it must be proven."  
242 *Main v. Thiboutot*, 100 S. Ct. 2502 (1980).

243 "Jurisdiction can be challenged at any time." and "Jurisdiction, once challenged, cannot be assumed and must be  
244 decided." *Basso v. Utah Power & Light Co.*, 495 F 2d 906, 910.

245 "Defense of lack of jurisdiction over the subject matter may be raised at any time, even on appeal."  
246 *Hill Top Developers v. Holiday Pines Service Corp.*, 478 So. 2d. 368 (Fla 2nd DCA 1985)  
247 "Once challenged, jurisdiction cannot be assumed, it must be proved to exist." *Stuck v. Medical Examiners*, 94 Ca 2d  
248 751. 211 P2d 389.

249 "There is no discretion to ignore that lack of jurisdiction." *Joyce v. US*, 474 F2d 215.  
250 "The burden shifts to the court to prove jurisdiction." *Rosemond v. Lambert*, 469 F2d 416.

251 "A universal principle as old as the law is that a proceedings of a court without jurisdiction are a nullity and its  
252 judgment therein without effect either on person or property." *Norwood v. Renfield*, 34 C 329; Ex parte Giambonini,

293 Live, sentient and fleshly sovereign Americans possess unalienable rights, some supported by the US Constitution.  
294 However, if ANY sovereignty possessing American national sets foot in ANY courtroom, even via "special  
295 appearance", the courts acknowledge that unalienable rights are left outside the courtroom door. All who enter in,  
296 unless extremely careful, will allow the magistrate to use word games to befuddle parties who claim unalienable  
297 rights, and trap them in word games to a verbal contract -- which enables "joinder" of the fleshly sovereign with the  
298 fictional dead entity listed in all cap letters.

299 Why even go there? The magistrates of any courts do NOT conduct these tribunals as impartial entities. No courts in  
300 the United States are part of the de jure government, because ALL are private agencies, allowed to practice by the  
301 corporate State, which turns a blind eye to the fact that ALL courts are part of the various BAR Associations, which  
302 ultimately owe allegiance to the Lawyer's Guild in the City of London, an overseas foreign and predatory  
303 organization, which is waging war upon all Americans who are gulled into presuming that they may receive justice  
304 in these criminally-acting charades called courts.

305 The magistrates are called "your honor" -- when everything they do is towards conducting business, wherein all  
306 fleshly "defendants" present are potential victims of a giant scam operation, which all the bar attorneys are privy to,  
307 including the magistrates. The courts are predatory only, and the magistrates collaborate with attorneys who face  
308 the fleshly parties -- whom are presumed by the court to be RE-presenting their dead fictional corporate names.

309 All court rooms represent an arena of predatory beasts (magistrates and bar attorneys) who prey upon the fleshly  
310 people entering therein, thinking they will receive "due process" and respect for constitutional principle -- when  
311 that's nothing farther from truth.

312 'Best to prepare and record documents called affidavits of Notice of Withdrawal of Consent, which formally declare  
313 that sovereignty is retained, but the affiants cannot recognize, let alone accommodate corporate entities which act  
314 as government, when they are not of government. Why have ANYTHING whatever to do with them? The documents  
315 recorded constitute a condition precedent, and a copy may be submitted to the clerk of court, to indicate that no  
316 participation in any court proceeding is agreed to, nor ever will be again.

The PRESIDENT AND CEOS called, CONGRESS of the UNITED STATES OF AMERICA, dba, a FEDERAL CORPORATION, shall CEASE AND DESIST passing any further legislation/CORPORATE POLICIES against these union States lawful inhabitants immediately as you are doing it under false and fraudulent pretense – A DEMOCRATIC DEMOCRACY form of government. Whereas the UNITED STATES IS A FEDERAL CORPORATION and not a "government" the U.P.U. can only have lawful treaties with nations then any mail you receive is one count of mail fraud, et al, especially mailings from the INTERNAL REVENUE SERVICE a private corporation; **The IRS can take no action, Notice of Levy and Lien, against a supposed tax payer until first taking them to court. The case: (1/25/2005) Schulz v. IRS 04-0196-cv 2<sup>nd</sup> Circuit Court of Appeals for the Second Cir. Definitions 15) the United States means A) a Federal Corporation also see B) and C).

The general rule is that an unconstitutional statute, though having the form and the name of law, is in reality no law, but is wholly void, and ineffective for any purpose; since unconstitutionality dates from the time of its enactment, and not merely from the date of the decision so branding it. No one is bound to obey an unconstitutional law and no courts are bound to enforce it."16th American Jurisprudence 2d, Section 177, late 2nd, Section 256,,,,,,,,,Personal liberty, or the Right to enjoyment of life and liberty, is one of the fundamental or natural Rights, which has been protected by its inclusion as a guarantee in the various constitutions, which is not derived from, or dependent on, the U.S. Constitution, which may not be submitted to a vote and may not depend on the outcome of an election. It is one of the most sacred and valuable Rights, as sacred as the Right to private property...and is regarded as UNALIENABLE." 16 C.J.S., Constitutional Law, Sect.202, p.987.

Many of our people seem to believe that their state government has jurisdiction to stop the common law Grand Juries. However, the state government only has authority over statutory (ie. state) law, not common law. The common law of England's treaty of 1213 the beginning was used to establish the U.S. Constitution, so it existed before it and, thus, it is superior to it. The common law is time immemorial.

The state government did not create the common law, so it has no authority to abolish it or control it, unless we allow ourselves to be tricked to putting common law under statutory law, where it's "their house, their rules." However, if we operate outside the statutory rules by invoking common law, no state government has the authority or jurisdiction to dictate, control or abolish what we do. They only have authority to enforce our decisions.

ORIGINAL

81 U.S. Supreme Court acknowledged the authority of the  
82 common law Grand Jury (U.S. v. Williams), why would the  
83 state have authority to counter that opinion? The common law  
84 is superior to all statutory law, and we must only invoke it in  
85 the right way to have superior standing. We need to stop  
86 putting the common law and the Grand Juries underneath  
87 their inferior statutory laws. The people (singular AND plural)  
88 have the ultimate authority!

115 18 USC 1918 1) advocates the overthrow of our constitutional form of government;

116 By the great weight of authority it is acknowledged that generally "public officials" are not  
117 immune from suit when they allegedly violate the civil rights of citizens, and that a "public  
118 official's" defense of immunity is to be sparingly applied in these kinds of cases. James v.

120 employees , read Title 18 241-242

121 Did you know that the government is acting outside its jurisdiction every time a police officer  
122 talks to a "citizen" without a verified criminal complaint from another "man or women" of the  
123 community, no victim no crime, its called corpus dilicti rule. also, the state and officers are  
124 under color of authority, any statute that infringes on a man or women individual rights is null

125 and void on face ab initio thereof.

129 throughout our land.

130 Westin, The Wire-Tapping Problem, 52 Col. L. Rev. 165 (1952). What is perhaps even more  
131 noteworthy is its pervasive disregard in practice by those who as law officers owe special  
132 obedience to law. What is true of the federal Act against wiretapping and its violations is  
133 widely true of related state legislation and its disobedience. Few sociological generalizations  
134 are more valid than that lawlessness begets lawlessness.

144 Heart of Atlanta Motel, Inc. v. United States, 379 U.S. 241 (1964) The Civil Rights Act of  
145 1964 applies to places of public accommodation patronized by interstate travelers by reason of  
146 the Commerce Clause.

147 Katzenbach v. McClung, 379 U.S. 294 (1964) The power of Congress to regulate interstate  
148 commerce extends to a restaurant that is not patronized by interstate travelers but which serves  
149 food that has moved in interstate commerce. This ruling makes the Civil Rights Act of 1964  
150 apply to virtually all businesses.

151 South Carolina v. Katzenbach, 383 U.S. 301 (1966) The Voting Rights Act of 1965 is a valid  
152 exercise of Congress's power under Section 2 of the Fifteenth Amendment.

153 Katzenbach v. Morgan, 384 U.S. 641 (1966) Congress may enact laws stemming from Section  
154 5 of the Fourteenth Amendment that increase the rights of citizens beyond what the judiciary  
155 has recognized.

156 City of Boerne v. Flores, 521 U.S. 507 (1997) Section 5 of the Fourteenth Amendment does  
157 not permit Congress to substantially increase the scope of the rights determined by the  
158 judiciary. Congress may only enact remedial or preventative measures that are consistent with  
159 the Fourteenth Amendment interpretations of the Supreme Court.

160 Shelby County v. Holder, 570 U.S. \_\_\_ (2013) Section 4(b) of the Voting Rights Act of 1965,  
161 which contains the coverage formula that determines which state and local jurisdictions are  
162 subjected to federal preclearance from the United States Department of Justice before  
163 implementing any changes to their voting laws or practices based on their histories of racial  
164 discrimination in voting, is unconstitutional because it no longer reflects current societal  
165 conditions.

233 6331(a) Jurisdiction of the Secretary by elimination of this section of the code:

234 Documents; form 668-A(c)(Rev.1-01)16740V Sect 6331. LEVY AND DISTRAINT. This  
235 Section begins with part (a) not (b):

236 (a) Authority of Secretary

237 If any person liable to pay any tax neglects or refuses to pay  
238 the same within 10 days after notice and demand, it shall be lawful  
239 for the Secretary to collect such tax (and such further sum as  
240 shall be sufficient to cover the expenses of the levy) by levy upon  
241 all property and rights to property (except such property as is  
242 exempt under section 6334) belonging to such person or on which  
243 there is a lien provided in this chapter for the payment of such  
244 tax. Levy may be made upon the accrued salary or wages of any  
245 officer, employee, or elected official, of the United States, the  
246 District of Columbia, or any agency or instrumentality of the  
247 United States or the District of Columbia, by serving a notice of  
248 levy on the employer (as defined in section 3401(d)) of such  
249 officer, employee, or elected official. If the Secretary makes a  
250 finding that the collection of such tax is in jeopardy, notice and  
251 demand for immediate payment of such tax may be made by the  
252 Secretary and, upon failure or refusal to pay such tax, collection  
253 thereof by levy shall be lawful without regard to the 10-day period  
254 provided in this section.

340 many different constitutional guarantees. Private citizens perhaps cannot be prevented from

(Takes 3-persons to form a Corporation)  
18. "U.S. Inc." is a federal corporation, as defined below:

357 "Corporations are also of all grades, and made for varied objects; all governments are corporations,  
358 created by usage and common consent, or grants and charters which create a bond body politic for  
359 prescribed purposes; but whether they are private, local or general, in their objects, for the  
360 enjoyment of property, or the exercise of power, they are all governed by the same rules of law, as  
361 to the construction and the obligation of the instrument by which the incorporation is made by  
362 laws, statutes, Administrative Rules, AKA, Black ink on White Paper. One universal rule of law  
363 protects persons and property. It is a fundamental principle of the common law of England, that the  
364 term freemen of the kingdom, includes 'all persons,' ecclesiastical and temporal, incorporate,  
365 politique or natural; it is a part of their magna charta (2 Inst. 4), and is incorporated into our  
366 institutions. The persons of the members of corporations are on the same footing of protection as  
367 other persons, and their corporate property secured by the same laws  
368 which protect that of individuals. 2 Inst. 46-7. 'No man shall be taken,' 'no man shall be disseised,'  
369 without due process of law, is a principle taken from magna charta, Tied to the Court of Common  
370 Pleas, infused into all our state constitutions, and is made inviolable by the federal government, by  
371 the amendments to the constitution."

372 [Proprietors of Charles River Bridge v. Proprietors of Warren Bridge, 36 U.S. 420 (1837)]  
373 South Carolina v. Katzenbach, 383 U.S. 301 (1966) The Voting Rights Act of 1965 is a valid  
374 exercise of Congress's power under Section 2 of the Fifteenth Amendment.  
375 Katzenbach v. Morgan, 384 U.S. 641 (1966) Congress may enact laws stemming from Section 5 of  
376 the Fourteenth Amendment that increase the rights of citizens beyond what the judiciary has  
377 recognized.  
378 City of Boerne v. Flores, 521 U.S. 507 (1997) Section 5 of the Fourteenth Amendment does not  
379 permit Congress to substantially increase the scope of the rights determined by the judiciary.  
380 Congress may only enact remedial or preventative measures that are consistent with the Fourteenth  
381 Amendment interpretations of the Supreme Court.  
382 Shelby County v. Holder, 570 U.S. \_\_\_\_ (2013) Section 4(b) of the Voting Rights Act of 1965,  
383 which contains the coverage formula that determines which state and local jurisdictions are  
384 subjected to federal preclearance from the United States Department of Justice before  
385 implementing any changes to their voting laws or practices based on their histories of racial  
386 discrimination in voting, is unconstitutional because it no longer reflects current societal  
387 conditions.

388 Whereas, some stats are worth repeating:  
389 Corfield v. Coryell, 6 Fed. Cas. 546 (C.C.E.D. Pa. 1823) Some of the rights protected by the  
390 Privileges and Immunities Clause include the freedom of movement through the states, the right of  
391 access to the courts, the right to purchase and hold property, an exemption from higher taxes than  
392 those paid by state residents, and the right to vote.

393 Reid v. Covert, 354 U.S. 1 (1957) United States citizens abroad, even when associated with the  
394 military, cannot be deprived of the protections of the Constitution and cannot be made subject to  
395 military jurisdiction. Ex parte Milligan, 71 U.S. 2 (1866) Trying citizens in military courts is  
396 unconstitutional when civilian courts are still operating. Trial by military tribunal is constitutional  
397 only when there is no power left but the military, and the military may validly try criminals only as  
398 long as is absolutely necessary.  
399 Crandall v. Nevada, 73 U.S. 35 (1868) The freedom of movement is a fundamental right; a state

445 The Foreign Agents Registration Act (FARA) was enacted in 1938. FARA is a disclosure statute  
446 that requires persons acting as agents of foreign principals in a political or quasi-political capacity  
447 to make periodic public disclosure of their relationship with the foreign principal, as well as  
448 activities, receipts and disbursements in support of those activities. Disclosure of the required  
449 information facilitates evaluation by the government and the American people of the statements  
450 and activities of such persons in light of their function as foreign agents. The FARA Registration  
451 Unit of the Counterespionage Section (CES) in the National Security Division (NSD) is  
452 responsible for the administration and enforcement of the Act.

455 The US Supreme Court has ruled that a natural individual entitled to relief is "entitled to free  
456 access to its judicial tribunals and public offices in every State of the Union(2 Black 620, see also  
457 Crandell v Nevada, 6 Wall 35]. Plaintiff (libellant) should not be charged fees or costs for the  
458 lawful and Constitutional Right to petition this court in this matter in which he/she is entitled to  
459 relief, as it appears that the filing fee rule was originally implemented for fictions and subjects of  
460 the State and should not be applied to the Plaintiff who is a natural individual and entitled to relief  
461 (Hale v Hinkel, 201 US 43, NAACP v Button, 371 US 415); United Mineworkers v Gibbs, 383 US  
462 715; and Johnson v Avery, 89 S.Ct. 747 (1969). Members of groups who are competent non-  
463 lawyers, can assist other members of the group, achieve the goals of the group in court without  
464 being charged with "unauthorized practice of law."

465 Petitioner (libellant) cannot be charged a fee as no charge can be placed upon a citizen as a  
466 condition precedent to exercise his/her Constitutional Rights, his/her rights secured by the  
467 Constitution. A fee is a charge "fixed by law for services fixed by public officers or for use of a

473 It is a crime for any government office or any official to auction or otherwise sell in any way,  
474 private or business property of any individual WITHOUT FIRST HAVING DUE PROCESS OF  
475 LAW, to determine the cause of action and the recourse in law. The sale of any property outside  
476 this means is illegal, and all those involved with such a sale, including those purchasing said  
477 property, are personally liable for damages, and subject to criminal charges under Racketeering  
478 (RIC...O) laws, and for violation of civil and Due Process rights. All government officials have the  
479 "Greater Duty" to know the law and comply with it, and if you are involved with such an auction  
480 without Due Process for the owner, you are in breach of your fiduciary duty and you can be held  
481 personally liable by those harmed by this fraud. Any challenge to property taxation or property sale

52 In order to clarify the different forms of government (AKA Elected and public servants of this nation is  
53 being duped into believing exist 1) these union States, now 50, are Republican Form of Government,  
54 self governed, 1776 Constitution established; 2) The Federal Zone, Foreign Agents, with their  
55 Democracy, aka, Democratic form of Government, socialist, communist, aka, and the holding  
56 territories in which Corporate Policy is written by employees for the Federal Corporation, Guam,  
57 Puerto Rico, New York City, NY, Washington, District of Columbia, et al, aka, CONGRESS,  
58 PRESIDENT and pseudo CORPORATE COURTS, aka Judiciary/Courts/banks, aka, LEGISLATIVE,

60 over the years, decades, and centuries a major conspiracy to overthrow our Constitutional Republican  
61 form of Government has been underway and this is how the process is working against us all. Each  
62 union State shall  
63 comply with the 1776 Constitution for the United States of America, as heirs and successors, we the  
64 women, children and the men of these union States must now defend this Historical Contract/written  
65 agreements to our Elected Officials: Treaty of 1851 in Contract/ Treaty agreements. Hale v. Henkel 201

69 LABOR is your Private Property. Are they registered as Foreign Agents? Lawfully registered with your  
70 State's Secretary of State Division of Corporations? Filing their Corporate "income tax returns?

71 "Income means gains/profit from property severed from capitol, however invested or employed.  
72 Income is not a wage or compensation from any type of labor" Stapler v. United States, 21 F. Supp 737

74 other person can rightfully deprive him of those fruits, and appropriate them against his will..." The

76 constitutional as well as common-law right. Every man has a natural right to the fruits of his own  
77 private business, HALE v. HENKEL 201 U.S. 43 @ 89 (1906)". However the United States Supreme  
78 Court has ruled the Lawful Definition of "income" as follows for All Tax Legislation: The Supreme  
79 Court of the United States has rule the definition of "income" for all tax legislation as: "the gain arrived  
80 from Capital, from labor or from both combined, provided it include profit gained from the sale of a  
81 Capital asset." Key Case (1913) Stratton Indep. v. Howbert 231 U.S. 399; the result of Corporate  
82 activities. This case not shown in the IRS CODE, intentional fraud, by the FEDERAL  
83 CORPORATION whereas "income" is the result of the gain, etc, etc. read it and understand the  
84 differences. Note: This definition of Income is not found in the INTERNAL REVENUE CODE under  
85 26 IRC, nor, any other section of this CODE. Why is it not found in any of the United States Code, aka,  
86 U.S.C.? Intentional Fraud – Deliberately withheld? against us all. Each union State shall comply with

347 The court may ... on motion of either party after notice to the other party, set aside any void judgment

Peace and God Bless Jesus in the name of God the Great Sprit I Come in Peace

As Constitutional Sheriffs, and having taken your Oaths of Office to support the State & US Constitutions, you MUST know about the 14th Amendment has been dissolved as UNCONSTITUTIONAL!!

So, you might ask, what does the dissolving of the 14th Amendment have to do with you, and your enforcement of the Law? If you haven't read the 14th, you should NOT be asking this question! But, here's your opportunity;

XIV AMENDMENT-----One of the worst pieces of legislation EVER produced!!!!-----Next to the XVI Amendment!!

[In case you are wondering, the absolute best piece of legislation EVER completed was the Original XIII Amendment, and the Titles of Nobility Act, both of which have been hidden & criminally concealed from you & everyone by your own County Attorney, and his buddies down at the BAR!!]---If your County Attorney's mouth is open, he's or she lying!!

Attorney Licensing Is a Fraud

There is no such thing as an Attorney License to practice law. The UNITED STATES SUPREME COURT held a long time ago that The practice of Law CANNOT be licensed by any state/State. This was so stated in a case named Schware v. Board of Examiners, 353 U.S. 232 (1957) and is located for all to read

IN CONGRESS, JULY 4, 1776.

# A DECLARATION

BY THE REPRESENTATIVES OF THE  
UNITED STATES OF AMERICA,  
IN GENERAL CONGRESS ASSEMBLED.

**W**HEN in the Course of human Events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them, a decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation.

We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness--That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient Causes; and accordingly all Experience hath shewn, that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Usurpations, pursuing invariably the same Object, evinces a Design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future Security. Such has been the patient Sufferance of these Colonies; and such is now the Necessity which constrains them to alter their former Systems of Government. The History of the present King of Great-Britain is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid World.

He has refused his Assent to Laws, the most wholesome and necessary for the public Good.  
He has forbidden his Governors to pass Laws of immediate and pressing Importance, unless suspended in their Operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

He has refused to assent to Laws for the Accommodation of large Districts of People, unless those People would relinquish the Right of Representation in the Legislature, a Right inestimable to them, and formidable to Tyrants only.

He has called together Legislative Bodies at Places unusual, uncomfortable, and distant from the Depository of their public Records, for the sole Purpose of fatiguing them into Compliance with his Measures.

He has dissolved Representative Houses repeatedly, for opposing with manly Firmness his Invasions on the Rights of the People.

He has refused for a long Time, after such Dissolutions, to cause others to be elected; whereby the Legislative Powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the Dangers of Invasion from without, and Convulsions within.

He has endeavoured to prevent the Population of these States; for that Purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their Migration hither, and raising the Conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary Powers.

He has made Judges dependent on his Will alone, for the Tenure of their Offices, and the Amount and Payment of their Salaries.

He has created a Multitude of new Offices, and sent hither Swarms of Officers to harass our People, and eat out their Substance.

He has kept among us, in Times of Peace, Standing Armies, without the Consent of our Legislatures.

He has affected to render the Military independent of and superior to the Civil Power.

He has combined with others to subject us to a Jurisdiction foreign to our Constitution, and unacknowledged by our Laws; giving his Assent to their Acts of pretended Legislation:

For quartering large Bodies of Armed Troops among us;  
For protecting them, by a mock Trial, from Punishment for any Murders which they should commit on the Inhabitants of these States;

For cutting off our Trade with all Parts of the World;

For imposing Taxes on us without our Consent;

For depriving us, in many Cases, of the Benefits of Trial by Jury;

For transporting us beyond Seas to be tried for pretended Offences;

For abolishing the free System of English Laws in a neighbouring Province, establishing therein an arbitrary Government, and enlarging its Boundaries, so as to render it at once an Example and fit Instrument for introducing the same absolute Rule into these Colonies;

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments;

For suspending our own Legislatures, and declaring themselves invested with Power to legislate for us in all Cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us.

He has plundered our Seas, ravaged our Coasts, burnt our Towns, and destroyed the Lives of our People.

He is, at this Time, transporting large Armies of foreign Mercenaries to complete the Works of Death, Desolation, and Tyranny, already begun with circumstances of Cruelty and Perfidy, scarcely paralleled in the most barbarous Ages, and totally unworthy the Head of a civilized Nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the Executioners of their Friends and Brethren, or to fall themselves by their Hands.

He has excited domestic Insurrections amongst us, and has endeavoured to bring on the Inhabitants of our Frontiers, the merciless Indian Savages, whose known Rule of Warfare, is an undistinguished Destruction, of all Ages, Sexes and Conditions.

In every Stage of these Oppressions we have Petitioned for Redress in the most humble Terms: Our repeated Petitions have been answered only by repeated Injury. A Prince, whose Character is thus marked by every act which may define a Tyrant, is unfit to be the Ruler of a free People.

No Man have we been wanting in Attention to our British Brethren. We have warned them from Time to Time of Attempts by their Legislature to extend an unwarrantable Jurisdiction over us. We have reminded them of the Circumstances of our Emigration and Settlement here. We have appealed to their native Justice and Magnanimity, and we have conjured them by the Ties of our common Kindred to disavow these Usurpations, which would inevitably interrupt our Connections and Correspondence. They too have been deaf to the Voice of Justice and of Consanguinity. We must, therefore, acquiesce in the Necessity, which denounces our Separation, and hold them, as we hold the rest of Mankind, Enemies in War, in Peace, Friends.

We, therefore, the Representatives of the UNITED STATES OF AMERICA, in GENERAL CONGRESS, Assembled, appealing to the Supreme Judge of the World for the Rectitude of our Intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly Publish and Declare, That these United Colonies are, and of Right ought to be, FREE AND INDEPENDENT STATES; that they are absolved from all Allegiance to the British Crown, and that all political Connection between them and the State of Great-Britain, is and ought to be totally dissolved; and that as FREE AND INDEPENDENT STATES, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which INDEPENDENT STATES may of right do. And for the support of this Declaration, with a firm Reliance on the Protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes, and our sacred Honor.

Signed by ORDER and in BEHALF of the CONGRESS,

JOHN HANCOCK, PRESIDENT.

ATTEST.

Pursuant to the powers of duties bestowed upon us by citizens, aka "Public Servants" the undersigned do hereby resolve that any Federal officer, agent, or employee, regardless of supposed congressional authorization, is required to obey and observe limitations consisting of the enumerated powers as detailed within Article 1 Section 8 of the U.S. Constitution and the Bill Of Rights.

THE TRUE BILL: WA DC UCC Doc. No. 2012114776, restated, and I do knowing, willingly, and intentionally adopt, reconfirm, and ratify said as my own duly verified due DECLARATION OF FACTS and any all records thereto and there-under, and by permission of the 1819 Titles of Nobility Amendment, Thirteen, to the U.S. Constitution: Article 1, Section 10, Clause and Article 1, Section 9, Clause 8, of the U.S. Constitution for the Republic for the United States of America. As I, the Plaintiff, a living natural American under our Creator, under God, now comes before this Courtroom, to defend our Republic and my legal rights under the law. On this 11th day of December 2014, at 11:00 a.m., at the 17th administration court, on the 3 second floor, of suite 303, to be heard by acting Judge Thomas Branford or as soon thereafter can be heard.

## I Request for Relief

This Petition Quo Warranto, is the proper procedure for attacking a judgment where the judge and prosecutor do not have their oaths of office as required by the District of Columbia.

Evidence of Dishonor; R – UCC – 3 Part 505,

Plaintiff, (JUDGE THOMAS BRANFORD) and Plaintiffs undersigned Counsels,, Attorney of Record: were indicted under a foreign district and has been serving time in his state as should be charged with a crime known as "personage". By arbitrarily creating an Estate trust named after the defendant (edward-Malone-johnston), and claiming to own this thing they created, they have falsely claimed to own the Defendants assets and to literally buy and sell "Defendant" on the stock exchange, and ship the Defendant out of port, and tax Defendant (edward-malone:johnston) for doing things never done. After all, there is no law against enslaving an ESTATE trust, is there? Or arresting a slave? Or charging a tax on importing revenue to Puerto Rico? Plaintiffs have indeed committed a wrongful act, have committed a "False Claims Act" upon this court, and committed FRAUD UPON THE COURT under fraud.

## II. History Supreme

It is the inherent right and prerogative of a civilized people to rule it-self. and to dictate all of the forms and conditions of the intuitions it set up to carry this rule. Ironically, the U.S. SUPREME COURT agrees with those people who claim to be SOVEREIGN citizens of the American Republic!

- Bond vs. UNITED STATES, 529 US 334-2000, The, Supreme Court held that the American People are in fact Sovereign and not the States or the Government. The court went on to define that local, and federal law enforcement officers were committing unlawful actions against the Sovereign People by the enforcement of the laws and are personally liable for their actions.

What are the implications of this 2000, U.S. Supreme Court's Ruling?

1] The delegates to the first Federal Convention prohibited the use of corporations by all governments representing the American Republic. Therefore, all of these corporate governments and their corporate laws are a usurpation of the organic Constitution of the United States of America. All States Governments are now sub-corporations of the Federal Government, making all Courts and all law enforcement personnel, corporate federal agencies or employees. [See: James Madison Journal of the Federal Convention, Vol. 2, P. 722] and [Pull up your State Code on your PC and search the Code for the words "District of Columbia" and "Federal Government." You will receive about 1000 references linking your state to the federal government.]

2] The state and federal government is a corporation and therefore the Congress, State Legislatures, City Councils, Municipalities and all State and Federal Courts are corporate entities posing as Constitutional branches of government.

The Supreme Court ruled that Municipalities cannot exert any acts of ownership and control over property that is not OWNED by them, see Palazzolo v. Rhode Island 533 US 606, 150 L.Ed. 2d 592, 121 S.Ct. \_\_ (2001) (no expiration date on the taking clause for City's illegal enforcement of its Codes on the man's private property and restricting the man's business), affirming both Lucas v South Carolina Coastal Council, 505 US 1003, 120 L.Ed. 2d 798 (1992). (butterfly activists and Code Enforcement cannot restrict development of the man's private swampland unless they lawfully acquire the land FIRST, surveying with binoculars constitutes a "takings"), and Monterey v. Del Monte Dunes, 526 US 687 (1999), 143 L.Ed. 2d 882 S.Ct. \_\_ (1998).

In the Monterey case, the California private property owner was awarded \$8 million for Code Enforcement's illegal trespass and restriction of his business, and another \$1.45 million for the aggravation of a forced sale. Federal Law also prohibits Cities and Counties from issuing citations against businesses, see Title 18 U.S.C. 891-896, quoting Section 891 "An extortionate means is any means which involves the use, or an express or implicit threat of use, of violence or other criminal means to cause harm to the person, reputation, or property." No one is bound to obey an unconstitutional law and no courts are bound to enforce.

3] Corporations are privately owned businesses, meaning that the Corporate United States belongs to one or more private individuals, which is always governed by a Board of Directors. The Corporate United States is privately owned by a group of

European Royal and Elite individuals tied to the Federal Reserve System for and the letters of incorporation are recorded in the Vatican. The President of the United States is actually the CEO of the United States and the Congress and all others are corporate employees. Everything they do is in the interest of the corporate owners! I can't access those documents because of National Security. Puerto Rico is also the HQ for the Internal Revenue Service.

4) In order to promulgate and enforce Criminal Laws to govern the SOVEREIGN public, government must be SOVEREIGN too, which is an accepted RULE of LAW derived from the, Ancient Law of Kings. Corporations are not and can never be SOVEREIGN. They are not real; they are a fiction and only exist on paper, Chapter 1303: COMMERCIAL PAPER - 1303.01 definitions under UCC 3-103.

5) Therefore, all laws created by these government corporations are private corporate regulations called public law, statutes, codes, and ordinances to conceal their true nature. Do the Judges and lawyers know about this? It seems they do!

6) Since these government bodies are not SOVEREIGN, they cannot promulgate or enforce CRIMINAL LAWS; they can only create and enforce CIVIL LAWS, which are duty bound to comply with the LAW of CONTRACTS. The Law of Contracts requires signed written agreements and complete transparency! Did I ever agree to be arrested and tried under any of their corporate statutes? For that matter, did I ever agree to contract with them by agreeing to be sued for violating their corporate regulations?

[Citations and Complaints are contracts but they lack transparency because I never was told what might happen to me if I agree to contract, and that I had a right to refuse the accommodation!]

7) Do any of America's Courts have Jurisdiction over a SOVEREIGN? Yes ... but only by your consent to be Judged by the Court. Can they compel [Summon or Subpoena] you to appear or participate in their process? No ... they can't compel me and, yes ... they can ask but you can reject the accommodation in writing and nothing can be done about it because I have refused to give the court jurisdiction over me!

8) Enforcement of these corporate statutes by local, state and federal law enforcement officers are unlawful actions being committed against the SEVEREIGN public and these officers can be held personally liable for their actions, [Bank v. U.S., 529 US 334-2000]

9) There being no Constitution Criminal Laws or Transparency In the American Justice System, everyone arrested, convicted and sentence to person under these CIVIL LAWS are in person by CONSENT and therein, all American Jails are actually DEBTORS PRISONS!

10) Most of the Country and State Prisons and all of the Federal Prisons are privately owned corporate businesses for profit, which kick to the sentencing Judges. The Bureau of Prisons Privatization Management Branch provides general oversight, for these institutions. So if I'm convicted in this Court, for not doing a crime, just to save those from committing a crime upon this Court against me, knowing, this is a fraudulent act upon me, for defending my Liberty for America, the Republic for the United States of America, and my legal rights to the Constitution, than many have a big surprise coming, for not standing with me for our Republic.

11) Can the State Government and Courts take Custody of children, without our consent? Because I know without our consent, the agents and the officers can be held personally liable for their action! Why, so many children being taken away from their homes against their will. Just a thought, as I like to know why? I know, Orphans are a different matter and can become wards of the Court until emancipated.

12) I assume their "courts" still recognize it. American Mutual Liability Ins. Co., vs. Chaput, 60 A.2d 118, 120; 95 NH 200 , International Motor Transit Co. vs. Seattle, 251 P. 120 City of Dayton vs. DeBrosse, 23 NE.2d 647, 650; 62 Ohio App. 232

13) cruel and Inhuman punishment and treatment

7 USCA § 136 Page 3 7 U.S.C.A. § 136 (d) Animal The term "animal" means all vertebrate and invertebrate species, including but not limited to man and other. Now you are practicing cannibalism Jack ASS? this is a question.

14) I believe I have now figured out how the Courts are committing intentional fraud against all who enter thereof. Examine DDE's Executive Order 10834 and the Martial Law Flag which falls under Military Regulation. The military are the only one's who can lawfully fly this flag as this Executive Order clearly states " any gold fringe added to an American Flag mutilates the flag and carries a 1-year prison term and is considered as misuse of the Flag.

Page 3-10

Ask yourselves this question: When I enter any public building and see a Gold Fringed Flag does this not mean I am under Martial Law and under control by the Military? What then has happened to our civilian government? Constitutional Government? Common Law? Common Law Grand Juries? How then can we have anything but rule by the Military under Color of Law? why are these Judges/Administrators/ Bankers wearing Black Dresses and pretending to be in control as either elected to office or appointed to office? What rank do they have as a civilian whereas their court is by color of law Military? Do you now understand why you are being duped in these "pseudo Corporate Courts"? It is nothing less than a Con Job and you are now the crime victim, corpus delicti. You can now sue every one of these Corporate employees for FRAUD.

Whereas we are under military rule then they cannot use the FEDERAL RULES OF CIVIL/CRIMINAL PROCEDURE against any of us and must charge us under military (JAG) law and regulations. Remember during the 1933 Bankruptcy Acts of War against the men, women and children of this nation all our Law's and Statutes were turned over and became incorporated into 'INTERNATIONAL LAW' and this is why not one "peace officer", Law Enforcement Officer" can produce his copy of the Copywrite permission slip/letter from an "International Tribunal" granting their permission to use them against us/themselves - being they are all incorporation(s). This is why you must, when filing a court action give this pseudo Corporate Court "jurisdiction" as they otherwise have no "jurisdiction" over you a civilian. GET IT?

Corporate governments are a usurpation of the organic American Constitution and this corporatist onslaught in America has since its creation, been an ANTI-SOREREIGN and TERROIST REGIME and are in fact the real TERRORIST and TRAITORS to the American Republic. Since the founding of our country, the "elite" (and their Robber Baron partners) have fabricated our history, taken control of our economy, and altered our form of government and legal system, as I have taken notice of it too. My hope is, you stand with our form of Republic, and will stand with me in this fight against them. That is my Wish!

#### NOTICE:

It is a crime for any government office or any official to auction or otherwise sell in any way, private or business property of any individual WITHOUT FIRST HAVING DUE PROCESS OF LAW, to determine the cause of action and the recourse in law. The sale of any property outside this means is illegal, and all those involved with such a sale, including those purchasing said property, are personally liable for damages, and subject to criminal charges under Racketeering (RIC...

...O) laws, and for violation of civil and Due Process rights. All government officials have the "Greater Duty" to know the law and comply with it, and if you are involved with such an auction without Due Process for the owner, you are in breach of your fiduciary duty and you can be held personally liable by those harmed by this fraud. Any challenge to property taxation or property sale made by any citizen requires you to respond, point by point, and to "prove up" your position in law.

Merely being native born within the territorial boundaries of the United States of America does not make such an inhabitant a Citizen of the United States subject to the jurisdiction of the Fourteenth Amendment" ... Elk v. Wilkins, Neb (1884), 5s.ct.41,112 U.S. 99, 28 L. Ed. 643.

### III. Quo Warrant to, is the Proper Procedure

A challenge to the jurisdiction of a prosecutor cannot be attacked collaterally, but must be attacked "In a quo warrant to proceeding". See, for example, Prier to Bail Bonds v. State of Texas, No. 08-96-00342-VB, 6/30/97.

Hand on Hand, with personage comes "barratry" – the crime of knowingly bringing false claims into court. So what happens every day all across America, when charges are brought against the ESTATES of "dead men" who are standing right in front of the judge and jury? Barratry is a Crime that is appropriately named after the "Bar Association". Robber Baron partners, who are fabricating our history and taken control of our economy and altering our form of government and the legal system.

Look at the front page of any law suit that has been filed in America for the past seventy years and there you will have proof in your hands of both personage and barratry as being committed against the Individual American as people, by falsely named as "DEFENDANTS". They are deliberately confused with foreign estate trusts merely named after them and they are suffering the crime of both personage and barratry.

### IIII. Declaration of Facts

The people of these States are, and have a right to be, free and independent, and these rights are derived from the "Laws of Nature and Nature's God". As such, they must be free from infringements on every other natural right whether enumerated or not, (9th Amendment).

We further reaffirm that, "The powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people," (10th Amendment).

Furthermore, we do not maintain that an agency established by the U.S. Congress can develop its own policies or regulation which supersedes the Bill Of Rights or the Constitution, nor does the executive branch have the power to make law, overturn law or set aside law.

Therefore, on order to protect the American people, BE IT RESOLVED THAT, the following abuses will not be allowed or tolerated:

UCC Part 1 (a) general provisions: As follows,

- A) Confiscating homes or property without the proper compensation or without the consent of the homeowner is prohibited by the U.S. Constitution. The homeowner must show that they surrendered over their property to the estate without being deceived under law, for Profit.
- B) Confiscating of firearms, unless having probable cause, as it's a legal right to own firearms as set forth in our Constitution, as long as compliant with local laws and/or state jurisdictions. The Dick Act of 1902 also known as the Efficiency of Militia Bill H.R. 11654, of June 28, 1902 invalidates all so-called gun-control laws. It also divides the militia
- C) Audits or searches of citizens or of private people's personal affairs or on their personal finances without probable cause, without proper due process of law, and without having proper proof of their affairs, that warrants a local or state jurisdiction. As long as compliant with local laws and our Constitution.
- D) Inspections on private people or on private property without probable cause, proper due process of law, and constitutionally not acting within compliance on warrants as required by the 4th Amendment, as issued by local and or state jurisdictions, are prohibited.
- E) Detainments or searches on private people without probable cause, without proper due process compliances, on informed consent of a citizen or of private parties, as not acting with compliance to the Constitutional laws on warrants, is prohibited.
- F) Arrests with continued incarcerations without probable cause, as charged without complete proper due process of law,

Page 5-10

including, but not limited to a public and speedy jury trial, within the district courts of that state or local jurisdiction. Constitutionally are not acting in compliance with the U.S. Constitution, is prohibited.

G) Domestic utilization of our nation's military or the federal agencies operating under powers granted under the laws of war against our American people, thus, acting under violations against our U.S. Constitution. And constitutionally are not acting within compliance with our U.S. Constitution, is prohibited.

H) Arrests or seizures of citizens or of American people or of property without probable cause, as notifying and obtaining the express consent of the local sheriff. Thus, acting on hearsay, and constitutionally not acting under proper due process of law, is prohibited.

AND BE IT FURTHER RESOLVED, that the undersigned Sheriffs, Peace Officers, Public Servants and Citizens, do hereby denounce any acts or agencies which promote the aforementioned practices as listed above A through H. All actions by the Federal Government and its agents will conform strictly and implicitly with the principles expressed within the United States Constitution of the Declaration of Independence and under the Bill Of Rights. Sheriff or elected by oath of office to protect lawful American's assets

There is no greater obligation or responsibility of any government officer than to protect the rights of the people. Thus, any conduct contrary to the United States Constitution, the Declaration of Independence, or the Bill Of Rights will be dealt with as a Criminal Activity, thus, is Treason.

A Reclamation of Independence, gave three types of sovereignty; "de recto" sovereignty (sovereignty by moral principal or right,) and "de facto" sovereignty (sovereignty by practice).

Treason against our Republic for the People for the United States of America continues today, and must be stopped.

The American people have woken, and have come to realize they need to take a stand and fight against Treason and for their Republic! I hope you will join me in this fight, for America.

FACT:

Under Rules of Oregon , it is a Professional Misconduct for a lawyer to;

(a)Violate or attempt to violate the Rules of Professional Conduct, knowing to assist or induce another to do so, or do so through the acts of another; (b) Commits a Criminal act that reflects adversely on the lawyer's honesty, trustworthiness or fitness as a lawyer in other respect; (c) Engages in conduct involving dishonesty, FRAUD, as deceit or misrepresentation; (d) Engaged in conduct that is prejudicial to the administration of justice; (e) State or imply an ability to influence improperly a government agency or official; (f) Knowingly assists a judge or judicial officer in conduct that is a violation of applicable rules of judicial conduct or other laws. Or, violate their Oaths, Oath of Office, and to uphold and to protect our Constitution.

Title 12 – Banks and Banking › Chapter 2 – National Banks › Subchapter IV – Regulations of the Banking Business; Powers and Duties of National Banks › 12 U.S. Code § 95a

The US Supreme Court has ruled that a natural individual entitled to relief is "entitled to free access to its judicial tribunals and public offices in every State of the Union [2 Black 620, see also Cranel v Nevada, 6 Wall 35].

Plaintiff (libellant) should not be charged fees or costs for the lawful and Constitutional Right to petition this court in this matter in which he/she is entitled to relief, as it appears that the filing fee rule was originally implemented for fictions and subjects of the State and should not be applied to the Plaintiff who is a natural individual and entitled to relief (Hale v Hinkle, 201 US 43, NAACP v Button, 371 US 415); United Mineworkers v Gibbs, 383 US 715; and Johnson v Avery, 89 S. Ct. 747 (1969). Members of groups who are competent non-lawyers, can assist other members of the group achieve the goals of the group in court without being charged with "unauthorized practice of law."

Petitioner (libellant) cannot be charged a fee as no charge can be placed upon a citizen as a condition precedent to exercise his/her

Title 12 U.S. Code § 95a - Regulation of transactions in foreign exchange of gold and silver; property transfers; vested interests, enforcement and penalties

The actions, regulations, rules, licenses, orders and proclamations heretofore or hereafter taken, promulgated, made, or issued by the President of the United States or the Secretary of the Treasury since March 4, 1933, pursuant to the authority conferred by section 95a of this title, and are approved and confirmed by house resolution 192.

Title 12 U.S. Code § 95a – Banks and Banking, Chapter 2 – National Banks, Subchapter IV Regulation of the Banking Business; Powers and Duties of National Banks, > 12 U.S. Code § 95a

Title 12 > Chapter 2 > Subchapter IV > 12 U.S. Code § 95a

(1) During the time of war, the President may, through any agency that he may designate, and under such rules and regulations as he may prescribe, by means of instructions, licenses, or otherwise

(A) investigate, regulate, or prohibit, any transactions in foreign exchange, transfers of credit or payments between, by, through, or to any banking institution, and the importing, exporting, hoarding, melting, or earmarking of gold or silver coin or bullion, currency or securities; and

(B) investigate, regulate, direct and compel, nullify, void, prevent or prohibit, any acquisition holding, withholding, use, transfer, withdrawal, transportation, importation or exportation of, or dealing in, or exercising any right, power, or privilege with respect to, or transactions involving, any property in which any foreign country or a national thereof has any interest, by any person, or with respect to any property, subject to the jurisdiction of the United States; and any property or interest of any foreign country or national thereof shall vest, when, as, and upon the terms, directed by the President, in such agency or person as may be designated from time to time by the President, and upon such terms and conditions as the President may prescribe such interest or property shall be held, used, administered, liquidated, sold, or otherwise dealt with in the interest of and for the benefit of the United States, and such designated agency or person may perform any and all acts incident to the accomplishment or furtherance of these purposes; and the President shall, in the manner hereinabove provided, require any person to keep a full record of, and to furnish under oath, in the form of reports or otherwise, complete information relative to any act or transaction referred to in this subdivision either before, during, or after the completion thereof, or relative to any interest in foreign property, or relative to any property in which any foreign country or any national thereof has or has had any interest, or as may be otherwise necessary to enforce the provisions of this subdivision, and in any case in which a report could be required, the President may, in the manner hereinabove provided, require the production, or if necessary to the national security or defense, the seizure, of any books of account, records, contracts, letters, memoranda, or other papers, in the custody or control of such person.

(2) Any payment, conveyance, transfer, assignment, or delivery of property or interest therein, made to or for the account of the United States, or as otherwise directed, pursuant to this section or any rule, regulation, instruction, or direction issued hereunder shall to the extent thereof be a full acquaintance and discharge for all purposes of the obligation of the person making the same; and no person shall be held liable in any court for or in respect to anything done or omitted in good faith in connection with the administration of, or in pursuance of and in reliance on, this section, or any rule, regulation, instruction, or direction issued hereunder.

(3) As used in this subdivision the term "United States" means the United States and any place subject to the jurisdiction thereof; Provided, however, That the foregoing shall not be construed as a limitation upon the power of the President, which is hereby conferred, to prescribe from time to time, definitions, not inconsistent with the purposes of this subdivision, for any or all of the terms used in this subdivision. As used in this subdivision the term "person" means an individual, partnership, association, or corporation.

(4) The authority granted to the President by this section does not include the authority to regulate or prohibit, directly or indirectly, the importation from any country, or the exportation to any country, whether commercial or otherwise, regardless of format or

Page 7-10

medium of transmission, of any information or informational materials, including but not limited to, publications, films, posters, phonograph records, photographs, microfilms, microfiche, tapes, compact disks, CD ROMs, artworks, and news wire feeds. The exports exempted from regulation or prohibition by this paragraph do not include those which are otherwise controlled for export under section 2404, title 50, Appendix, or under section 2405, title 50, Appendix to the extent that such controls promote the nonproliferation or antiterrorism policies of the United States, or with respect to which acts are prohibited by chapter 37, title 18, § 161.12 Eligibility for compensation.

#### VIII. Argument

The United States Constitution requires that all elected and appointed officers of the State, before taking the oath of office, shall swear or affirm that they have not paid or promised any money or thing of value or promised public office or employment to secure votes or an appointment ("the anti-bribery oath"). This oath must be filed with the Secretary of State before swearing or affirming to the oath of office, in which the officer swears to faithfully execute his or her duties and preserve, protect and defend the Constitution of the United States and the state in which they operate. See, e.g. Tex. Const. art. XVI, Section 1.

Petitioner (Ibbellant) cannot be charged a fee as no charge can be placed upon a citizen as a condition precedent to exercise his/her Constitutional Rights, secured by the Constitution. A fee is a charge "fixed by law for services fixed by public officers or for use of a privilege under control of government." *Fort Smith Gas Co. v. Wiseman* 189 Ark. 675 74 SW.2d 789,790, from Black's Law Dictionary 5th Ed, and

Whatever the form in which the Government functions, anyone entering into an arrangement with the Government takes the risk of having accurately ascertained that he who purports to act for the Government stays within the bounds of his authority. The scope of this authority may be explicitly defined by Congress or be limited by delegated legislation, properly exercised through the rulemaking power. See *Federal Crop Insurance v. Merrill*, 332 US 380 (1947).

Thus having failed to fulfill the Constitutional prerequisites to holding office, the actions of the officer are void. Prior to, supra, pg. 2 of 5; *Lone Star Industries Inc. v. Aster*, 845 S.W. 2d 334, 337 (Tex., App.-El Paso 1992) (orig. proceeding). Failure to take the oaths of office renders any judicial act void.

In enacting a statute, it is presumed that (1) in compliance with the Constitutions of this state and the United States is intended.

"The only means of challenging the judge's authority then is through a quo warrant to action, in which the state is an indispensable party. *Lewis v. Drake*, 641 S.W. 2d 392, 395 (Tex. App.-Dallas 1982) (orig. proceeding)." Prior to, supra, page 3 of 5.

"Elected judges must take a new oath with each new term". *Presto*, supra, Note 4, page 5 of 5.

See 28 USC section 453, Judges must take oath of office. As I'm sure neither the judges nor the prosecutors can produce their original oath of office, as required by the Constitution. As required by law, the court must issue an order dismissing the judgment with prejudice. And nor did the Plaintiff, or the Plaintiffs undersigned Counsels show proof upon this court, as claiming had verified a settlement under a foreclosure claim, acting under Section 3-505, - Evidence of Dishonor: UCC - Uniform Part 5, Dishonor article 3

Negotiable Instruments (2002) UCC Part 1, (a) general provisions. U.S. Code title 5 GOVERNMENT ORGANIZATION AND EMPLOYEES The oath of office taken by an individual under section 3331-3333 of this title shall be delivered by him to, and preserved by, the House of Congress, agency, or court

#### VIII. Conclusion

Quo Warrant To, is the proper procedure when the prosecutor and the prier judge in the instant case, did not have the credentials as required by the Constitution and statutes to operate in their official function. Neither prosecutor, nor the judge in this case had their proper credentials and all actions in this case must be declared void abs initio. And, do to the fact. That Judge THOMAS BRANFORD and the undersigned Counsels for STATE, have all

## Constructive Notice

August 15, 2014 AD

[Legal Notice]

Known all men by these presents that on June 5 and September 5, 2013 AD Edward-Malone: Johnston II and Christopher-Robert: Walker were kidnapped by TOLEDO POLICE DEPARTMENT employees without certification nor clarification of any authority or credentials, and without reasonable or probable cause. No crime has been committed except by the employees of the TOLEDO POLICE DEPARTMENT, the employees of the LINCOLN COUNTY CIRCUIT COURT, and more.

According to ORS 221.903 The recorder, treasurer and marshal mentioned in ORS 221.902 (City officers) shall, before entering upon the duties of their respective offices, each execute a bond to the city in such penal sum as the council by ordinance may determine upon, conditioned for the faithful performance of duties, including in the same bond the duties of all offices of which the recorder, treasurer or marshal is ex officio incumbent. and ORS 221.919 The marshal shall be chief of police and shall have control over all police officers when on duty. The marshal shall be a conservator of the peace... TOLEDO POLICE DEPARTMENT and CITY OF TOLEDO INC. City Hall, Nancy Briant d.b.a. City Recorder shall maintain said Oaths and Surety Bonds. However, numerous inquiries on such required credentials has gone ignored and denied. Due to ORS 40.135 Rule 311 (c) Evidence willfully suppressed would be adverse to the party suppressing it does apply here.

It was heard from Michelle Amberg d.b.a. former City Manager of TOLEDO INC. on September 17, 2013 AD something to the affect of the TOLEDO POLICE don't have to have bonds or insurance because they are not a nonprofit corporation. All facts/evidence stated in this Constructive Notice can be obtained by calling the phone numbers listed below such as the recording of Michelle Amberg's statement.

On June 5, 2013 AD Edward-Malone had announced at the County Commissioners meeting that he was running for Sheriff for Lincoln County (video found on youtube @ <http://youtu.be/6tVMIqBuMdc?list=UUZ-bD7Wl6EDnVN1VLDTM33w>) because of factual and proven corruption within the county government also while announcing on public record that he was running for Sheriff he also claimed all the Board of Commissioners Bonds. Three hours later he was kidnapped by Robert Ruark d.b.a. former Sergeant and Desmond Harpster d.b.a. Police Officer of the TOLEDO POLICE DEPARTMENT INC. for allegedly bumping bellies with Ruark. Yes, you read that right bumping bellies with Ruark. Ruark rushed to insert his body between Edward-Malone and Laura-LaVerne: Weaver (wife of Christopher-Robert) while Edward-Malone was attempting to defend her per her request, so Edward-Malone would be forced to stay back and not witness what was being done or said to Laura-LaVerne. What is not being told is that Edward-Malone was protecting a woman, her children, and their rights from being violated (videos found on youtube @ <http://youtu.be/3UrR7PTqIpc?list=UUZ-bD7Wl6EDnVN1VLDTM33w> and <http://youtu.be/JomrQe3p5vk>).

Let it be noted here that Edward-Malone a disabled man was kept captive for three days then released from the Newport Hospital due to the Lincoln County and the Lincoln County Jail not wanting liability for Edward-Malone's medical conditions.

On September 5, 2013 AD Christopher-Robert was kidnapped by Aaron Pitcher d.b.a. Toledo Police Officer (video found on youtube @ <http://youtu.be/ejDh1CcTnu8>) the problem is he is not an Officer. Not only is Pitcher not an Officer, but because we have been speaking out about this openly to everyone, this is a personal vendetta and attack against Edward-Malone, Christopher-Robert, and Laura-LaVerne.

In 2006 AD the Department Of Justice State Attorney General came out with an Inspector General Report, and in paragraph 8 it states, "... The Claimant asserts his local police department and other city officials are engaged in a vendetta due to his political activism. While conspiracy is certainly not an uncommon assertion of claimants who are made aware of CDIU investigations and reports, this is the only instance to date where the claimant has provided documentary evidence making such an assertion plausible..." you may obtain a copy of this document by calling the phone numbers listed below.

Edward-Malone and Christopher-Robert now find themselves dealing under threat, duress, and coercion with LINCOLN COUNTY CIRCUIT COURT INC. and Thomas Ove Branford d.b.a. Judge. Where on several occasions the Oaths and Surety Bonds were demanded from Branford and Rob Bovett d.b.a. former District Attorney and the Deputy District Attorneys of Lincoln county.

It's been over a year and not one of these public employees has provided their required recorded Oaths nor their Surety Bonds.

On October 28, 2013 AD while in court Branford was heard stating he didn't believe his Oath is recorded on public record. A question arose from that statement and Christopher-Robert asked "are you saying you don't have a required Constitutional Oath recorded on public record?" and that led to Branford abandoning the court as he ran out of the room, a copy of that hearing can be obtained by calling the numbers below.

According to Blacks Law 4th addition;

**RECORD, v.** *To commit to writing, to printing, to inscription, or the like, to make an official note of, to write, transcribe, or enter in a book or on parchment, for the purpose of preserving authentic evidence of, or on a wax cylinder, rubber disk, etc., for reproduction, as by a phonograph, or to register or enroll. To transcribe a document, or enter the history of an act or series of acts, in an official volume, for the purpose of giving notice of the same, of furnishing authentic evidence, and for preservation. Cady v. Purser, 131 Cal. 552, 63 P. 844, 82 Am.St.Rep. 391; Shimmel v. People, 108 Colo. 592, 121 P.2d 491, 493.*

**RECORD, n.** *A written account of some act, transaction, or instrument, drawn up, under authority of law, by a proper officer, and designed to remain as a memorial or permanent evidence of the matters to which it relates. People ex rel. Simons v. Dowling, 146 N.Y.S. 919, 920, 84 Misc. 201. A memorandum public or private, of what has been done, ordinarily applied to public records only, in which sense it is a written memorial made by a public officer. Nogueira v. State, 123 Tex.Cr.R. 449, 59 S.W.2d 831.*

**Public record.** *A record, memorial of some act or transaction, written evidence of something done, or document, considered as either concerning or interesting the public, affording notice or information to the public, or open to public inspection. Keefe v. Donnell, 92 Me. 151, 42 A. 345; Colnon v. Orr, 71 Cal. 43, 11 P. 814.*

*"The general rule is that an unconstitutional statute, though having the form and the name of law, is in reality no law, but is wholly void, and ineffective for any purpose; since unconstitutionality dates from the time of its enactment, and not merely from the date of the decision so branding it. No one is bound to obey an unconstitutional law and no courts are bound to enforce it." 16th American Jurisprudence 2d, Section 177, late 2nd, Section 256.*

*Personal liberty, or the Right to enjoyment of life and liberty, is one of the fundamental or natural Rights, which has been protected by its inclusion as a guarantee in the various constitutions, which is not derived from, or*

*dependent on, the U.S. Constitution, which may not be submitted to a vote and may not depend on the outcome of an election. It is one of the most sacred and valuable Rights, as sacred as the Right to private property...and is regarded as UNALIENABLE." 16 C.J.S., Constitutional Law, Sect.202, p.987.*

On May 30, 2014 AD while at the LINCOLN COUNTY CIRCUIT COURT INC. Christopher-Robert heard Michelle Branam d.b.a. District Attorney and JW Hupp d.b.a. Deputy District Attorney stated to the affect that they would not give a copy of their Oaths and Surety Bonds because they didn't feel it would be appropriate. You may obtain a copy of this recording from the numbers listed below.

*"Anyone entering into an arrangement with the government takes the risk of having accurately ascertained that he who purports to act for the government stays within the bounds of his authority, even though the agent himself may be unaware of limitations upon his authority." The United States Supreme Court, Federal Crop Ins. Corp, v. Merrill, 332 US 380-388 L1947*

What we are finding is these offices think they can do what they will without consequences of any kind under their own presumed authority. However that just isn't the case, as of just recently Common Law Grand Juries and even oversight committees are forming Nationwide including in Oregon.

The state government did not create the common law, so it has no authority to abolish it or control it, unless we allow ourselves to be tricked to putting common law under statutory law, where it's "their house, their rules." However, if we operate outside the statutory rules by invoking common law, no state government has the authority or jurisdiction to dictate, control or abolish what we do. They only have authority to enforce our decisions.

and "[p]owers not granted (to any government) are prohibited." **United States v. Butler, 297 U.S 1, 68 (1936).43.359-365**

There are many more issues then these public officials not having Oaths and Surety Bonds, such as;

Property Taxes being voluntary, Driving vs. the Rights to Travel, Subsistence hunting and fishing for food vs. a license (permission) for a privilege to eat, etc. that's just to name a few.

According to Blacks Law 4th addition;

**OATH.** Any form of attestation by which a person signifies that he is bound in conscience to perform an act faithfully and truthfully. **Vaughn v. State, 146 Tex.Cr.R. 586, 177 S.W.2d 59, 60.**

**Official Oath.** One taken by an officer when he assumes charge of his office, whereby he declares that he will faithfully discharge the duties of the same, or whatever else may be required by statute in the particular case.

*"License: In the law of contracts, is a permission, accorded by a competent authority, conferring the right to do some act which without such authorization would be illegal, or would be a trespass or tort." -- Blacks Law Dictionary, 2nd Ed. (1910).*

A good educational video found on youtube is <http://youtu.be/L1WW4PwNV5w> A MUST SEE!

**STATUTES ARE NOT LAWS**

*A "Statute" is not a Law," (Flournoy v. First Nat. Bank of Shreveport, 197 La. 1067, 3 So.2d 244, 248), A "Code" is not a Law," (In Re Self v Rhay Wn 2d 261), in point of fact in Law, A concurrent or 'joint resolution' of legislature is not "Law," (Koenig v. Flynn, 258 N.Y. 292, 179 N. E. 705, 707; Ward v State, 176*

*Okl. 368, 56 P.2d 136, 137; State ex rel. Todd v. Yelle, 7 Wash.2d 443, 110 P.2d 162, 165). All codes, rules, and regulations are for government authorities only, not human/Creators in accord with God's Laws. "All codes, rules, and regulations are unconstitutional and lacking due process of Law.." (Rodrigues v. Ray Donovan, U.S. Department of Labor, 769 F.2d 1344, 1348 (1985); ...lacking due process[of law], in that they are 'void for ambiguity' in their failure to specify the statutes' applicability to 'natural persons,' otherwise depriving the same of fair notice, as their construction by definition of terms aptly identifies the applicability of such statutes to "artificial or fictional corporate entities or 'persons', creatures of statute, or those by contract employed as agents or representatives, departmental subdivisions, offices, officers, and property of the government, but not the 'Natural Person' or American citizen Immune from such jurisdiction of legalism. "The Common Law is the real law, the Supreme Law of the land. The codes, rules, regulations, policy and statutes are "not the law." (Self v. Rhay, 61 Wn 2d 261), They are the law of government for internal regulation, not the law of man, in his separate but equal station and natural state, a sovereign foreign with respect to government generally.*

*"The fact is, property is a tree; income is the fruit; labour is a tree; income the fruit; capital, the tree; income the 'fruit.' The fruit, if not consumed (severed) as fast as it ripens, will germinate from the seed... and will produce other trees and grow into more property; but so long as it is fruit merely, and plucked (severed) to eat... it is no tree, and will produce itself no fruit." Waring v. City of Savannah. 60 Ga. 93, 100 (1878)*

In other words a man has the right to keep and enjoy the fruits of his labor.

This is the last Notice and Demand for all the Lincoln County, City of Toledo, and all other public bodies in Lincoln County to provide publicly to all of the general public a certified copy of your recorded prerequisite Oaths and Surety Bonds within the next 72 hours from this publication. Also cease and desist on any and all actions against the general public or actions that may cause harm to the general public until this matter can be addressed in accordance with the Law or you may be held personally liable for any damages you may cause in accordance with the Law.

These matters can and will be handled with care and deliberation amongst the people of Lincoln County and elsewhere in the form of Common Law Grand Juries of the people, by the people, and for the people. In a way that will provide solutions and remedy in accordance with the Law for all parties involved.

**Power of the Grand Jury** - In a stunning 6 to 3 decision Justice Antonin Scalia, writing for the majority, confirmed that the American grand jury is neither part of the judicial, executive nor legislative branches of government, but instead belongs to the people. It is in effect a fourth branch of government "governed" and administered to directly by and on behalf of the American people, and its authority emanates from the Bill of Rights, see **United States -v- Williams, 504 U.S. 36 (1992).**

The people/general public named in this publication are claiming their rights to travel and all other *unalienable* rights and will proceed accordingly in accordance to the Law, if anyone has a claim against the people/general public named in this publication, speak now or forever hold your peace.

**COSTS AND FEES:**

*The U.S. Supreme Court has ruled that a natural individual entitled to relief is entitled to free access to its judicial tribunals and public offices in every State in the Union (2 Black 620, see also Crandell v. Nevada, 6 Wall 35. Plaintiff should not be charged fees, or costs for the lawful and constitutional right to petition this court in this matter in which he is entitled to relief, as it appears that the filing fee rule was originally implemented for fictions and subjects of the State and should not be applied to the Plaintiff who is a natural individual and entitled to relief. Hale v. Henkel, 201 U.S. 43]*

---

Cause of Action: Rulings of the one supreme Court, Article III Section I, are being ignored by lower courts in the State of OHIO; U. S. DISTRICT COURTS; U.S. DISTRICT AND BANKRUPTCY COURT, DISTRICT OF COLUMBIA ; DEPARTMENT OF JUSTICE and the Congress of the United States. Many of these courts are using the decisions of lower courts to override the decisions of the one supreme Court and are throwing our cases involving pro se plaintiff's. Not to mention the fact that in the Prison Reform Act of 1995 it is stated that no pro se will ever win in court again.

These pseudo corporate Courts/Banks are running Bond, Commodities and C.U.S.I.P. Fraud schemes against all who enter there courts, thereof and are using local rules and F.R.Civ. P. and F.R. Cr. P. to dismiss any actions filed by a pro se within these courts/banks; closed shops and none want anything to do with a Private Attorney General as created by Congress. It appears there are no standards set whereby these local rules are the same for these pseudo corporate courts nation wide. Title III courts abolished by the Administrative Procedures Act during the Bankruptcy Acts of 1933. These are not judges rather administrators. Their jurisdiction is Contract Disputes. The con-game forces you to refile into another court which your case will then be denied for some reason then another appeal which you will also loose – all at \$400.00 or more per pop. None of the money, double dipping, ever returned to you the pro se. The judge receives 25% which he/she hides in her retirement account to avoid corporate taxes. "Punks" also see The Fraud Trial – ACFE Association of Certified Fraud Examiners.

Whereas these pseudo Corporate Court(s) are however un-constitutional court/bank how can it use lawfully either FEDERAL RULES OF CIVIL/CRIMINAL PROCEDURES against anyone considering the Government is de facto? What law(s) are they practicing, during court procedures, against the Defendant(s) whereas they never disclose it? Is it Roman? English? French? Swiss? Cannon? Far be it Constitutional and or Common Law? - Or does the Judge change it every time he/she leaves the bench then returns? It now appears that all are foreign to any Plaintiff or Defendant as these "Judges" are in reality Barristers, Tax Collectors for the Crown.

See "inn of court" BLACK'S LAW DICTIONARY page 805. Are they courts also the Receivers of the Bankruptcies? Conflict of Interest? "Punks".

The Clerk(s) of these courts/banks are intentionally misfiling court documents submitted by the Plaintiff (s), changing names listed as co-conspirator to defendant(s) giving the judge the opportunity to dismiss the case for improper service – a fraud scheme. Clerk is intentionally removing the PRIVATE ATTORNEY GENERAL (P.A.G.) and through Identity Theft changing the name from the private man Edward-Malone; Johnston of the family of Boyd.; crime victim injured party, corpus delicti to Edward-Malone ; Johnston family of Boyd Plaintiff - Honest Service Fraud, Intentional Fraud, Misprision, Collusion and RICO. This Plaintiff also filed with his cases a document: COMPLAINT CHARGING OFFENSE; Violation of State and Federal Law(s) which the Court stamped then Xed out stating the document had no legal standing in law yet it is the same document used in the state of Oregon by Sheriff's to submit their criminal charges against defendant's – so according to this court everyone being charged by the use of this document is false arrest? This Plaintiff used this same document to advise the court and Department of Justice of crimes against me and other crime victims, corpus delicti(s).

The goal, by Bonds and Commodities, of these pseudo corporate Court(s), Prosecutor(s) and Attorney(s) are to place PUTS against the National debt rather than paying off the debt and are money laundering the money back to the crown and Vatican. The court case is the Account by which they trade their Commodities, Bonds on the Commodities Exchange, D&B and Wall Street - owned by the AMERICAN BAR Association and now represent conflict of interest issue against all who enter the court system nationwide thereof. I have requested their re-insurance and error and omissions insurance but all refuse to provide it.

Whereas I have confronted several courts to present their Commodities license and Bonding licenses and all have refused it is now my belief that the courts sell the Bonds and Commodities "short" in exchange for a larger pay off in the end, aka, Profiteering from public office. It also appears the judge is incorporated and registered with D&B also a conflict of interest to profiteer from public office. I have requested of the Congress of the United States and the Department of Justice to audit all courts in these United States and the District of Columbia; no response to date. Trial Lawyers Inc. a registered Communist Organization on D&B.

In the year 1779 the United States became a Corporation, without an amendment, an act of Treason against the Constitution for the United States of America; 28 U.S.C. @ 3002 Definitions 15) United States means A) a Federal Corporation also see B) and C). Congress has refused repeatedly to provide the names of the 3 persons responsible and to whom this incorporation is lawfully established; my investigation leads me to believe it to be a French Corporation. My alleged Representatives to the Congress is Representative Jeff Merkley, Oregon Senators Arnie Roblin and Representative Dave Gumbert and these men refuse to communicate relating to anything I address them in any communications rather by Fax, Letter or Priority Mail. My request for audits of all government accounts is ignored – so how can this government declare Bankruptcy, now 4, without audits of all accounts? Sell off Assets to prevent it? Bail out Foreign Governments, Insurance Companies, Businesses and other Corporations? Give money to Foreign Entities and ignore the needs of the men and women of this nation? When will this pyramid, Ponzi Scheme end? These government entities are home grown terrorists within the Patriot Act and the men, women and children, et al, of these United States now 50 are crime victim aka corpus delicti.

Congress has further refused to prove and provide information as to how much money was ever forgiven the United States in any Bankruptcy Act – now 4 and that any actual Bankruptcy was ever lawfully filed into a Bankruptcy Court – intentional Fraud against the men, women and children of this land – crime victims/corpus delicti. Therefore the National Debt is money this Bankrupt Corporation, de facto government, now owes to the

lawful men and women and children of this nation as the illegal operation of this Federal Corporation has been without the knowledge and consent of the men and women of this land thereof. Remedy: We are lawfully entitled to our money now – hand it over.

Where are the funds that were to be given to the men, women and children of this land, following the 1933 Bankruptcy, National Banking Act, Theft of the United States Treasury by Franklin D. Roosevelt's Executive Order 6102 Gold Standards Act and those which preceded/followed and Legislative Acts thereof, in the form of the CESTA QUE VIE TRUST, AKA, ONE PEOPLES PUBLIC TRUST by which to lawfully pay our debts? The National Banking Act, a private bill, collusion between members of Congress and International bankers on Jekyll Island, did establish the largest counterfeiting ring ever and fraud by trickery a plan to steal these Trust Funds. Where is the lawful money, hidden by the Banks, 12 U.S.C. 411 (48 Stat. 337)? The Federal Reserve Note was never intended to be given to the public rather used between banks to balance their books. Where is our lawful money? The FED, Congress, President and the International bankers now engaged in embezzlement, mail fraud and extortion, Electronic Transfers, collusion and treason against the Constitution for the United States of America. Question here is how do you physically transfer money via electronics? Are these not merely numbers by wire? Fraud by trickery: So how do the banks transfer money to Puerto Rico other than by wire transfer? Then back to the banks the next business day so as to conduct business? A con-game perhaps? Income tax fraud game? Proof is required that any physical asset was ever transferred. The cost to do so would be so expensive there would be no business conducted anywhere – therefore said process is a scam/sham legal process – correct?

President Roosevelt in 1933 did in violation of his Oath of Office as well as members of the Congress committed Acts of Treason by failing to preserve and protect the Constitution for the United States of America. Roosevelt did suspend the Constitution and declared Martial Law, when this nation was not at war with any foreign nation, did declare a “state of emergency” stating he had the right to do so because no declaration of peace was declared following WWI. Obviously the President never heard of the Paris Peace Talks. Congress allowed this idiot to get by with this crap. Roosevelt had already made an agreement with the G-5 to bankrupt the entire world in or around 1929-30 – Fraud by trickery. Upon being elected to office Roosevelt with the aid of Congress implemented this plan by his Executive Orders, and Congress aided and abetted by Legislation which followed via Farm Bills, Administrative Procedures Act, National Banking Act, Trading With the Enemies Act yet no Lawful Bankruptcy was ever filed into a Bankruptcy Court to protect the men, women and children of this nation.

By suspending the Constitution the President terminated the Legislative, Executive and Judicial Branches of Government and began a de facto government – Dictatorship and that continues to this day – TREASON. You now have voter fraud as both Congress and the President in the Trading with the Enemies Act have declared the “people” as enemy combatants. President Obama said it best when he stated on national TV that “I am so glad for this Democracy” as Socialist, Communist State; the jackass. TITLE 7 CHAPTER 6 > SUBCHAPTER II § 136(d) Definitions The term “animal” means all vertebrate and invertebrate species, including but not limited to man and other mammals, birds, fish and shellfish. MAN IS NOW A COMMODITY TO BUY AND SELL! Is the Corporation now caging man as animals AKA Jails? The writers of this law obviously overlooked the fact that it included them – the baboons.

Whereas the government can only regulate that which they create Congress established the Birth Records Fraud scheme. At birth the Hospital, Doctor and nurse fill out a Record of Live Birth which is then sent over to the SECRETARY OF STATE DEPARTMENT OF VITAL STATISTICS. Here a BIRTH CERTIFICATE is made along with several copies. These copies are then distributed: 1 copy to the County Coroner, 1 copy to County Health Department, 1 copy to the Department of Commerce where other copies are made and distributed. The copy sent to the Census Bureau leads to the Creation of a Birth Bond in the amount of \$1,000,000.00 which is

then sold on the Commodities Exchange and the FEDERAL RESERVE purchases every one and then enslaves this child for the rest of his/her life.

Three days after the County Coroner receives this BIRTH CERTIFICATE, reinbirthment, the Coroner declares this child dead so the FED and Courts can steal the money through a variety of Fraud Schemes. To further create harm Congress then declared the "citizen" dead so the fraud scheme and theft of Bond, CESTA QUE VIE TRUST, AKA, ONE PEOPLES PUBLIC TRUST money could continue. Your Birth Certificate creates this child as a corporate, straw man, trade name fiction aka [JOHN ALLEN DOE], [John Allen Doe], et al, dead entities. This identity then placed on everything from Birth Certificates, Drivers Licenses, Pass Ports, Marriage Licenses, Court Documents, TITLES, DEEDS, Bills and Invoices, et al, so others can also steal the trust accounts such as the CESTA QUE VIE TRUST, aka, ONE PEOPLES PUBLIC TRUST. It is all a fraud scheme null and void ab inito.

Where was the government?/Corporation at the time of conception or did they screw over my/your mother after she gave birth? Reinbirthment? Point being Government?/Corporation, the creation by black ink on white paper, has never had anything to do with creation nor conceptions thereof thus cannot regulate, license, tax, deed, et al anything but a corporation also black ink on white paper. Show me where the Creator, GOD, sold, transferred, gave allodial title to any "government", Catholic Cult, aka, Religion, Holy See, thereof! Whereas you do not own the land you have no jurisdiction thereof. We therefore have pretend governments all over the world thereof. Prove Government?/Corporations made mankind, animals, birds, fish, trees, oceans, air, land, sea, et al. If not then where did it all begin? This now explains why the "government" wants separation of Church and State because GOD forbid anyone question creation as anything other than a "theory" either by the church, backed by HOLY SCRIPTURES, or Darwin and his big bank theory?. The Scripture states that in the "Beginning" GOD created the Heaven and earth yet does not disclose how God did it – does it? Who is now to say that GOD did not allow a super collision to happen to begin/form it all and both Scriptures and Darwin are both correct? Congress did after all declare this to be a Christian Nation and that my friends is not a separation of Church and State. Congress shall make no Law regarding religion nor the practice thereof. From the Constitution Article II [8] 7U.S. code 136 /Definitions (d) Animal means vertebrate and invertebrate species, including but not limited to man and other mammals, birds, fish, and shellfish Oath/Affirmation of Office then go to THE BILL OF RIGHTS – AMENDMENT 1. Congress shall make no law respecting an establishment of religion or the free exercise thereof;... so what right does a non-government entity "IRS" have to force any religion to form Corporations – fraud by trickery! TAX FRAUD. This is why I do not belong to any religion because I will not associate with any fraudulent conveyances which the IRS and the Corporation puts out. Explain why the Incorporated Catholic Cult writes Cannon Law and believes in Roman Law? The first law of the Church is Hebrew called the 10 Commandments. Show me a J in Hebrew? Deceptions. Cannon Law only applies to the Corporation AKA Church/Cult and their members. From what I have just brought to your attention are not Cults taxable? GOD said "Terry till I come" does that sound like GOD gave any of his creation to government? The Church, Cults, Mankind, et al?

Judges, Lawyers, Attorneys members of the B.A.R. - British Accreditation Registry? American Bar Association? Members of the Inn of Court Association/Foundation whatever; Foreign to us. Tied to the City of London; Barristers – tax collectors; Receivers of the Bankruptcies; Con-game. Where are the OMB numbers for these court(s) as they all refuse to provide them. All demand a pro se file an in forma pauperis form yet there are no OMB numbers on these forms – fraud by trickery to force the uneducated/informed to admit to having income and in violation of Key Case Rulings of this one supreme Court, et al, and the Paperwork Reduction Act 3500 – 3520 specifically § 3512 Public Protection, U.S. v. Lawrence U.S.D.C Peroria IL Case No. 06 cr 10019 (2005), and the court never informs anyone they are not required to fill out this form – intentional fraud, misprision, and collusion. The court then reports to the INTERNAL REVENUE SERVICE (IRS), a non government agency, government imposters, this person admits to having income in the amount of

§XXXXXXXXXXXXXX.Fraud by Trickery, Honest Service Fraud, Fraud in the Inducement, Collusion, Misprisions, and Civil R.I.C.O., mail fraud to name a few, RE The Fraud Trial – ACFE, et al, all Definitions apply this matter

The Internal Revenue Service counterfeits this section of the Code by omitting it from their Notice of Levy and Lien on WAGES, SALARIES AND OTHER INCOME 26 IRC 6331(a):

26 Internal Revenue Code 6331

(a) Authority of Secretary

<p>If any <u>person liable</u> to pay any tax neglects or refuses to pay the same within 10 days after notice and demand, it shall be lawful for the Secretary to collect such tax (and such further sum as shall be sufficient to cover the expenses of the levy) by levy upon all property and rights to property (except such property as is exempt under section *6334) belonging to such person or on which there is a <b>lien provided in this chapter</b> for the payment of such tax. officer, employee, or elected official. If the Secretary makes a finding that the collection of such tax is in jeopardy, notice and demand for immediate payment of such tax may be made **by the Secretary** and, upon failure or refusal to pay such tax, collection thereof by levy shall be lawful without regard to the 10-day period provided in this section.

A "public official" has no rights in relation to their employer, the state or federal government:  
 "The restrictions that the Constitution places upon the government in its capacity as lawmaker, i.e., as the regulator of private conduct, are not the same as the restrictions that it places upon the government in its capacity as employer. We have recognized this in many contexts, with respect to many different constitutional guarantees. Private citizens perhaps cannot be prevent...ed from wearing long hair, but policemen can. Kelley v. Johnson, 425 U.S. 238, 247 (1976). Private citizens cannot have their property searched without probable cause, but in many circumstances government employees can. O'Connor v. Ortega, 480 U.S. 709, 723 (1987) (plurality opinion); id., at 732 (SCALIA, J., concurring in judgment). Private citizens cannot be punished for refusing to provide the government information that may incriminate them, but government employees can be dismissed when the incriminating information that they refuse to provide relates to the performance of their job. Gardner v. Broderick, [497 U.S. 62, 95] 392 U.S. 273, 277 -278 (1968). With regard to freedom of speech in particular: Private citizens cannot be punished for speech of merely private concern, but government employees can be fired for that reason. Connick v. Myers, 461 U.S. 138, 147 (1983). Private citizens cannot be punished for partisan political activity, but federal and state employees can be dismissed and otherwise punished for that reason. Public Workers v. Mitchell, 330 U.S. 75, 101 (1947); Civil Service Comm'n v. Letter Carriers, 413 U.S. 548, 556 (1973); Broadrick v. Oklahoma, 413 U.S. 601, 616 -617 (1973)."

Summary Judgment Standard:

the AMERICAN BAR ASSOCIATION are basically the same organization under the Northern Trust Corporation; Conflict of Interest in Court. Dun & Brad Street also owned by the BAR Association. Central Trust Company, NY owns the Northern Trust Corp.

I want my money now and a Summary judgment F.R.Civ. P. P. 56 [Key 178-190.C.J.S. Copy writes and International Property § 81; Judgments §§ 243-274; Liable and Slander; Injurious Falsehood § 184] Summary judgment is appropriate if no genuine issue of material facts exists and the moving party is entitled to judgment as a matter of law. Fed. R.Civ. P. 56(c). Issues of a material facts are genuine only if they require resolution by a trier of fact. Anderson v. Liberty Lobby, Inc., 477 U.S. 242, 248, 106 money that was stolen from me as Edward is disabled was kidnap and held for ransom cruel and inhuman treatment by Lincoln county servant's forced me to sleep on concrete bed and floor that damage to my spinal cord and heart attacks Second Ct. 2505, 2510, 91 L.Ed. 2D 202 (1986). In other words, the Court must accept the evidence of the nonmoving party and draw all justifiable inferences in favor of that party. Matsushita Elec. Indus. Co. v. Zenith Radio 475 U.S. 585-87, 106, S.Ct. 1348, 1355-56, 89 L.Ed. 2D 538 (1986). Determining credibility, weighing evidence, and drawing reasonable inferences are left to the trier of facts. Anderson, 477 U.S. § 255, 106 S.Ct. At 2513.

The Party moving for summary judgment bears the initial burden of "informing the District Court of the basis for its motion, and identifying those portions of [the record] which it believes demonstrate the absence of a genuine issue of material fact. "Celotex Corp. v. Catrett, 477 U.S. 317, 323, 106 S.Ct. § 2548, 1553, 91 L. Ed 265 (1986); see also Fed. R. Civ.P. 56(c). The burden then shifts to the nonmoving party to establish the existence of a genuine issue for trial. Matsushita, 475 U.S. At 585-87, 106, S. Ct. at 1355-56; Wise v. E. I. DuPont De Nemours & Co. 58 F. 3d. 193, 195 (5<sup>th</sup> Cir. 1995). To meet this burden, the nonmovant "must do more than simply show that there is some metaphysical doubt as to the material facts" by "com[ing] forward with 'specific facts showing that there is a genuine issue for trial. "Matsushita 475 U.S. At 586-87, 106 S. Ct. at 1356-56 (quoting Fed. R. Civ. P. 56(e)). Summary judgment should be granted only if the evidence indicates that a reasonable fact-finder could not find in favor of the nonmoving party. Anderson, 477 U.S. At 248, 106 S. Ct. at 2510; see also Matsushita, 475, 106 S.Ct. At 1356.

Due to the frauds committed by the Clerk of the Court and Judge in these matters, identity theft and counterfeiting court documents, and the fact no pro se will ever win in a court of law, Prison Reform Act 1995, Treason against the Constitution for the United States of America, inability to read and understand the IRS CODE, inability to read and understand an Affidavit in Admiralty – un-rebutted, inability to read and understand the rulings of this one Supreme Court, as presented herein, TRUE BILL AND INVOICE, this court must now make this summary judgment in and for the Affiant, Edward- Malone ; family of Boyd. The IRS could have settled this matter at first billing/affidavit – refused.

*Whereas no pro se will ever win in court then the court appointed pro se Attorney will never win as well. It is a frame up. Is this why the court will not allow you to pick from a list of pro bono attorneys? Once an attorney has been appointed the pro se, Plaintiff or Defendant, is considered incompetent by the court so how do you charge an incompetent man/woman with crimes they do not understand according to this court? Why is not the Attorney going to jail? Forced to sign paperwork which does not disclose as a contract? How much fraud can a man/woman stand by these con artists? "Punks".*

Why are courts Judges in these union States foreign entities? Practising law without a license? Conflict of interest? Fraud by Trickery, intentional fraud, collusion, RICO? Any Lawyer or Attorney who represents his client in a Court/Bank is disbarred. Conflict of Interest, Intentional Fraud. This is why no live entity can enter a Court/Bank because the Court/Bank cannot allow their Bond, Commodities and C.U.S.I.P. fraud scheme to come to an end and by GOD any pro se should ever argue with a Judge/administrator as the Judge/Administrator can't hold his BAR card hostage during a trial or Court/Bank proceedings whereas Private

Attorney General, pro se, does not have one, BAR CARD, thus the court is extreme prejudice against all pro se and Private Attorney Generals. Whereas man is an animal we must now come to/ before Kangaroo Courts ran by Jackasses? Animal Rights violations?

Why are there no rulings of the one supreme Court found in the INTERNAL REVENUE CODE; Especially Code Section 26? Considering there are over 60 such rulings why are they not listed? These key cases were presented to the INTERNAL REVENUE SERVICE, Congress and the DEPARTMENT OF JUSTICE yet ignored – why? All these entities have refused to prove the lawful establishment of the INTERNAL REVENUE SERVICE, nor the organic act of Congress, in which it has been lawfully created. None have shown a law and codification as to any law that requires any man or woman to pay an income tax; U.S. v. Kluglin Case No. 03-CR-20111 U.S.D.C. Memphis; (2005) U. S.v. Long (1993), Cheek v. UNITED STATES 498 U.S. 192 (1991); U.S. v. Wall 2:04 cv 05352 DDP-MAN and 2:03 cv 08406-DDP-MAN U.S.D.C. CAL (2005).

The IRS have never been authorized to collect taxes or enforce any law – they are a private Corporation registered in the State of Delaware Division of Corporations, home based out of Puerto Rico, at best a collections agency, they are not a U.S. Government entity. Show me a bidding procedure whereby they became a sub-contractor to anything but a de facto government that did not violate State Law relating to bidding procedures. The IRS as are the pseudo Corporate Courts/Bank – monopolies ? This court has said it themselves: At footnote 23 in the case of Chrysler Corp. v. Brown, 441 U.S. 281 (1979), the U.S. Supreme Court admitted that no organic Act for the INTERNAL REVENUE SERVICE could be found, after they searched for such an Act all the way back to the Civil War, which ended in the year 1865 A.D.

16<sup>th</sup> American Jurist Prudence Section 177  
(16Am Jur 2d., Const. Law Sec. 256)

The State did not give the Citizen his rights and thus cannot take them away as it chooses. The State did not establish the settled maxims and procedures by which a citizen must be dealt with, and thus cannot abrogate or circumvent them. It thus is well settled that legislative enactments do not constitute the law of the land, but must conform to it.

From the 16th American Jurisprudence, Second Edition, Section 177:

“The general misconception is that any statute passed by legislators bearing the appearance of law constitutes the law of the land. The U.S. Constitution is the supreme law of the land, and any statute, to be valid, must be in agreement. It is impossible for both the Constitution and a law violating it to be valid; one must prevail. This is succinctly stated as follows:

The general rule is that an unconstitutional statute, though having the form and name of law, is in reality no law, but is wholly void, and ineffective for any purpose; since unconstitutionality dates from the time of its enactment, and not merely from the date of the decision so branding it. As unconstitutional law, in legal contemplation, is as inoperative as if it had never been passed. Such a statute leaves the question that it purports to settle just as it would be had the statute not been enacted. Since an unconstitutional law is void, the general principles follow that it imposes no duties, confers no right, creates no office, bestows no power or authority on anyone, affords no protection, and justifies no acts performed under it... A void act cannot be legally consistent with a valid one. An unconstitutional law cannot operate to supersede any existing valid law. Indeed, in so far as a statute runs counter to the fundamental law of the land, it is superseded thereby. No one is bound to obey an unconstitutional law and no courts are bound to enforce it.”

Any court, government or government officer who acts in violation of, in opposition or contradiction to the foregoing, by his, or her, own actions, commits treason and invokes the self-executing Sections 3 and 4 of the 14th Amendment and vacates his, or her, office.

It is the duty of every lawful American Citizen to oppose all enemies of this Nation, foreign and DOMESTIC.

Roosevelt and Congress committed treason against the Constitution in 1933, Violation of Oath of Office, by every legislative act written thereof as has every President since by aiding and abetting.

Why are the Documents signed by the President following his swearing in not made public to the general public immediately? Is not the DISTRICT OF COLUMBIA, holding Territories, and NEW YORK CITY, NY all Democratic forms of government whereas the union states have a Republican form of government and Congress writes legislation for both but fail to inform the union States which legislation applies to whom? Honest Service Fraud, Fraud by Trickery, Misprision a confidence game?

We Will Make Adjustments As Required To Help Benefit The General Population. I Have Already Advised Congress [CONGRESS] The IRS Code Is Void For Reason Of Fraud. This May Also Effect Probate Laws.

United States Constitution: Amendment XIV Civil Rights Section 2. ... excluding Indians not taxed; BAD MAN REMOVED.

When the one supreme Court makes, rulings/court decisions, who is responsible to see to it that these cases are added to the INTERNAL REVENUE CODE to the appropriate code sections?

How many of the decisions listed above do you find in the INTERNAL REVENUE CODE?

WHEREAS Judges, Lawyers and Attorneys are "supposedly" educated in "Law" then ignorance of the Law is no excuse for them. Why therefore are they convicting men/women of tax fraud and tax evasion whereas they should all know these rulings and decisions and Treaties written: Fraud by Trickery, Intentional Fraud, Fraud in the Inducement, Misprision, Honest Service Fraud, Collusion, R.I.C.O. Crimes against humanity and Treason against the Constitution, Cannibalism thereof.

Why do Judges, Lawyer(s), Attorney(s) get upset when I ask them for a conflict of interest statement? When I ask if they are members of any secret society such as Jesuits, Masons, Free Mason, Templar's? When I ask if they took any vowel, above all vowels, with conflict of interest to their Oath of Office?

What part do the Jesuits play in the Court systems in the United States?

#### 5 U.S. CODE § 3331 - OATH OF OFFICE US Code

An individual, except the President, elected or appointed to an office of honor or profit in the civil service or uniformed services, shall take the following oath: "I, AB, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter. So help me God." This section does not affect other oaths required by law'.

Explain the Vowel of the Jesuits and their secret Oath.

Does this court have a conflict of interest they care to explain to the men, women and children of this nation?

Why is this court stacked with members of the Catholic Cult, AKA Religion?

Whereas a Papal Bull was issued by the Pope in the mid 1400's stating that "any heathen that did not convert to the Catholic Religion was to be killed" ... stands as proof positive the church is a cult and not a religion. This BULL is still found on the churches web site today.

In a court action filed by Kevin Annette of Canada in the new Common Law Court of Justice at the Hague Netherlands

August 4, 2013 both Elizabeth II Mary Windsor and the former Pope Jorge Bergoglio were convicted of crimes against humanity, Child Trafficking, and Child pornography. In the ORDER # 022513-001 issued by the Court all Properties of **Elizabeth II Mary Windsor and the Roman Catholic Church** are to be seized were as they failed to show for sentencing. An international warrant for their arrest has been issued. Any who aid and abetted these entities are to be charged as co-conspirators.

How therefore are Social Security Funds transferred to any British Financial Institution or Vatican whereas part of this money is applied to the Kings Trust, Charters, International Bank Accounts nor can any Court/bank finances and not be considered co-conspiracy, aiding and abetting?

How does this court notify in the inferior, unconstitutional, pseudo Corporate Court/Bank of these decisions? See The Fraud Trial ACFE.

Please review and explain the job description of this INTERNAL REVENUE SERVICE as a lawfully established government entity under 28 U.S.C. § 3002 Definitions 15). United States means A) A Federal Corporation. Provide their Lawful O.M.B. Number. See The Fraud Trial - ACFE

Whereas the IRS is not a lawfully established government agency, department, office please prove that any government funding of this Corporation is not misuse of public funds. Who is paying for the IRS's Web site? Who receives money from the advertisements on this web site? See Fraud Trial - ACFE

All Judges, Attorney and Lawyers to pay compensation for false imprisonment, Excessive Fines, Interest, Court Costs, Paper Terrorism, Cannibalism, Stalking, Counterfeiting Tax Documents, et al? The same applies to State, City and School Income Taxes. The Fraud Trial - ACFE

Whereas the 1933 Bankruptcy forced the United States to turn all Offices, Agencies and Departments over to the Receivers of the Bankruptcy and all law and statutes turned over to International Law and copy-written is not this now lawless America?

What happened to the Checks and Balance system the Constitution was designed to do and protect us?

Why does Congress refuse to disclose who the Receivers of the Bankruptcy are?

Who holds the copy-write to these laws and does the Department of Justice have said permission slip to use these laws and statutes against us? Why does Congress and the D.O.J. refuse to allow me access to this information as a Private Attorney General? The Fraud Trial - ACFE

Whereas the Constitution is the Supreme Law of the Land was this Constitution not also turned over to the Receivers and also copy-written into International Law? Explain.

Why is not this Nation in Bankruptcy Court from the beginning, now the 4<sup>th</sup> Bankruptcy, unless Congress is protecting those to whom this nation supposedly owes money? Exactly how much debt was forgiven this nation during any of these supposed Bankruptcies? Congress refuses to respond to these questions.

Please explain the Kings Trust. The Fraud Trial - ACFE

Whereas Social Security is money paid directly from the payroll of men/women and not "government" funds both Congress and the SOCIAL SECURITY ADMINISTRATION should be criminally charged with embezzlement relating to any money being illegally garnished by the IRS. Aiding and abetting in tax fraud against FINANCIAL MANAGEMENT SERVICE, Birmingham, AL.

Whereas no IRS agent has enforcement authority then all these agents should be criminally charged as well for stalking, counterfeiting, Paper Terrorism, Home Grown Terrorism, Crimes against Humanity, Collusion and Civil R.I.C.O., et al for illegal operations inside a union State.

Please explain how you can pay income taxes, interest, et al, on a FEDERAL RESERVE NOTE, aka, a DEBT INSTRUMENT, non asset backed, an I OWE YOU and that it actually pays the debt and not discharges the debt. Is a NOTE a debt instrument?

Explain the difference between what is Lawful and what is Legal.  
Is not the legal system specifically designed to screw you out of what is actually lawful?

Should the courts/banks, Judges, Lawyers, Attorneys only engage in Lawful practices?

Fraud by Color Of Law and false jurisdiction See Executive Order by DDE 10834- Martial Law Flag v Standard American Flag. Gold fringed American flag is a parade flag under Military Manual/Regulation – misuse carries a 1-year prison term. Have U.S. Martials Check all courts/banks, offices, agencies and departments and make arrests as necessary. Now where in this Executive Order does it describe an Admiralty Flag – does it? An Admiralty Flag is Blue and White. Therefore no Gold Fringed Flags should be flown in any court, public building, government office, church, council chambers, et al as they would be representing a fraudulent jurisdiction under color of law.

## No wonder Gov. Kate Brown wants to punish the whistle blowers!

by [In the news](#) Wednesday, February 25, 2015

by NW Spotlight

A few days ago [we reported on](#) Gov. Kate Brown's chilling moves to silence & punish state employees who refused to delete Kitzhaber emails. [KATU is reporting today](#) on new findings about Kitzhaber's dealings in those emails, based on investigation by Willamette Week's Nigel Jaquiss:

"Emails that former Gov. John Kitzhaber tried to have deleted reveal that he turned decision-making for the troubled state health exchange, Cover Oregon, over to a campaign consultant." *[That consultant was Patricia McCaig - who was not a state employee]*

"Kitzhaber secretly turned over Cover Oregon decision-making to McCaig."

"These emails show that a lot of the state's business was being conducted in secret on private email accounts and far from the scrutiny of the Legislature, or the press, or the public," Jaquiss said.

### Is Kate Brown trying to cover her own incompetence or worse in her prior role as Sec of State in overseeing elections?

Troubling stuff today [coming from Nigel Jaquiss](#) at Willamette Week: "In private, however, Kitzhaber handed oversight of the Cover Oregon mess to a secretive campaign consultant who liked to call herself the Princess of Darkness."

Jaquiss is [also reporting](#) "Records show dozens of emails between Kitzhaber and McCaig on Cover Oregon. During this time, McCaig wasn't billing Kitzhaber's campaign. That enabled Kitzhaber not to disclose her work on his campaign finance reports, as required by law," and "In August 2014, WW reported that McCaig was effectively running Kitzhaber's re-election campaign and that Kitzhaber was not reporting her contributions. On Sept. 12, Kitzhaber emailed McCaig from the Pendleton Round-Up. He joked about that lack of transparency."

Now, let's go back to last October to a column Jacob Daniels wrote for Oregon Catalyst about then Secretary of State Kate Brown's handling of the McCaig campaign law violations: [Oregon Sec of State: It's OK if Democrats do it](#).

Brown's response to Patricia McCaig "working off the books" wasn't even a slap on the wrist for the "Princess of Darkness": "No need to report McCaig's in-kind political work."

That apparently partisan call ([not Brown's first](#)) - just before last November's election - may now come back to bite Brown.

These new emails are going to cause Kate Brown some problems - no wonder she wanted to punish and silence the whistle blowers who wouldn't let Kitzhaber delete them.

## ATTORNEY LICENSING IS A FRAUD!

There is no such thing as an Attorney License to practice law. The UNITED STATES SUPREME COURT held a long time ago that The practice of Law CANNOT be licensed by any state/State. This was so stated in a case named *Schwartz v. Board of Examiners*, 353 U.S. 232 (1957) and is located for all to read at the following pages in volume 353 U.S. pgs.238, 239 of the United States Reports. Here is a quote from that case:

**'A State cannot exclude a person from the practice of law or from any other occupation in a manner or for reasons that contravene the Due Process or Equal Protection [353 U.S. 232, 239] Clause of the Fourteenth Amendment. 5 Dent v. West Virginia, 129 U.S. 114 . Cf. Slochower v. Board of Education, 350 U.S. 551 ; Wieman v. Updegraff, 344 U.S. 183 . And see Ex parte Secombe, 19 How. 9, 13. A State can require high standards of qualification, such as good moral character or proficiency in its law, before it admits an applicant to the bar, but any qualification must have a rational connection with the applicant's fitness or capacity to practice law. Douglas v. Noble, 261 U.S. 165 ; Cummings v. Missouri, 4 Wall. 277, 319-320. Cf. Nebbia v. New York, 291 U.S. 502 . Obviously an applicant could not be excluded merely because he was a Republican or a Negro or a member of a particular church. Even in applying permissible standards, officers of a State cannot exclude an applicant when there is no basis for their finding that he fails to meet these standards, or when their action is invidiously discriminatory. Cf. Yick Wo v. Hopkins, 118 U.S. 356 ."**  
 [Schwartz v. Board of Examiners, 353 U.S. 232 (1957), emphasis added]

Another case which bore this out was Sims v. Ahrens, 271 S.W. 720 (1925). In this case the opinion of the court was that:

*"The practice of Law is an occupation of common right."*

where some confusion may start is when one doesn't understand that a state supreme court only issues a CERTIFICATE, and that is not a license. All a certificate does is authorize one of those dirt-bags to practice Law "IN COURTS" as a member of the state judicial branch of government. [Please see NOTE 1 below to see that there is no judicial branch of government as we have been led to believe all our lives] A plain truth of fact is that Attorneys are 'foreign agents', the same as Federal Agents from the bowels of hell known as WASHINGTON, DC, and can only represent wards of the court; infants and persons of unsound mind. [The reader would be surprised to find out that according to them, we're all of unsound mind that is; we're considered incompetent to handle our own affairs.] [Please see NOTE 2 below for a reference in a law dictionary which explains this concept]

Further, as a CERTIFICATE IS NOT A LICENSE then it also gives no power to anyone to practice Law AS AN OCCUPATION, nor to DO BUSINESS AS A LAW FIRM.

The state bar association is not a government entity. The state bar ass...is "PROFESSIONAL ASSOCIATION" and their "STATE BAR" CARD IS NOT A LICENSE either. All that card is – is a "UNION DUES CARD" like the Actors Union, Painters Union, Electricians union etc. Did the reader know that there is no other association, not even DOCTORS, who issue their own license. All other licenses are issued by the state or local municipal corporations . Any one can ask their state Attorney General if the members of the BAR are licensed by the state or any other governmental agency. The reader will find out in short order that the state doesn't issue licenses for Attorney's and that said attorneys are NON-GOVERNMENTAL PRIVATE ASSOCIATION.

Therefore by reason logic and common sense we can arrive at the determination that the state ass... is; an unconstitutional monopoly, and thus an ILLEGAL & CRIMINAL ENTERPRISE. If the majority, if not all of government offices are filled with Attorneys there is a definite violation of the separation of powers clause of a constitutional government.

Attorneys are nothing less than 'foreign agents' on our land as they are foreign to a constitutional government. They have NO POWER OR AUTHORITY for joining of Legislative, Judicial, or Executive branches of a constitutional government, no matter if the so called people vote for them. It is against a Republican form of constitutional government law for them to even attempt to 'run for office' (sic). Of course this would include all judges as well as members of the other branches of a constitutional government

**NOTE 1:** In a Municipal Corporation, which is what all states (once called union States) are today. In Municipal Corporation Law there is no judicial branch. The judges, which we see today and, which we've seen all our lives, are administrative law judges appointed by the CEO of the Executive branch. I. Some other time be an offer my conclusions, including the references which I used to make said conclusion. A little hint: If one could just understand how a W-4, which is of no lawful effect after 1 year, has its continued effect on someone who does not disclaim it's effect but instead allows the effect to continue for as long as that person is employed with the Federal employer he filed it with. The relate that same effect to the effect that the Birth Certificate has to one's continued effect of being incompetent to handle your own affairs – even if you're 67 years old like this old goat]

Writers note: We are all a product of our past experiences and teachings and what those experiences and teachings, whether written or spoken word, have led us to be. With that said much of what I read and write today is a product of some very influential people who have been in my life in recent months and years. Jack Yost, Ken Evans, Rice McLeod, Harmon L. Taylor, Bill Janes, Big Al and Pat Lynch are just a few and are not necessarily in written in order of importance. The article which I have added to above is the product of many another's mind and research. By way of the many influences mentioned herein and many more, that which I have done above might be called plagiarized. If so than all writers are plagiarizers, for they all use someone else's thoughts, teachings, and writings at sometime or another. I humbly admit that without input from those mentioned above I could not have written what I have and firmly believe that these friends were instruments sent to me by my Holy Father, The Ever-Living God. Thank you and Godspeed
