

I am writing because I adamantly oppose HB 2478. A nation is only as strong as its families and families are all ready breaking up for some time now. Every child needs a Mother and a Father. It is a proven fact that children do better in school and become better citizens raised with both a Mother and Father. Do not change what has been since the beginning of the human race marriage with a man and a women. No HB 2478
