

Dear Legislators,

My name is: Bobbie Linne. I work for Mount Hood
Community College Head Start since 2013. My position is: CLASS ROOM AIDE.

The reason of my letter is to explain the importance of raising minimum wage to \$15 dollars per hour
because

I am a single mom trying to
raise my family on \$9.79 per hour. With
all the cost of living ~~increases~~, minimum
wage hasn't even come close to meeting all
the increases people like me are expected to
pay. OF course this is impossible on the
current wage I am payed. Please help
Oregonians like myself and vote to increase
minumum wage!

Sincerely,
