

Oregon Department of Forestry

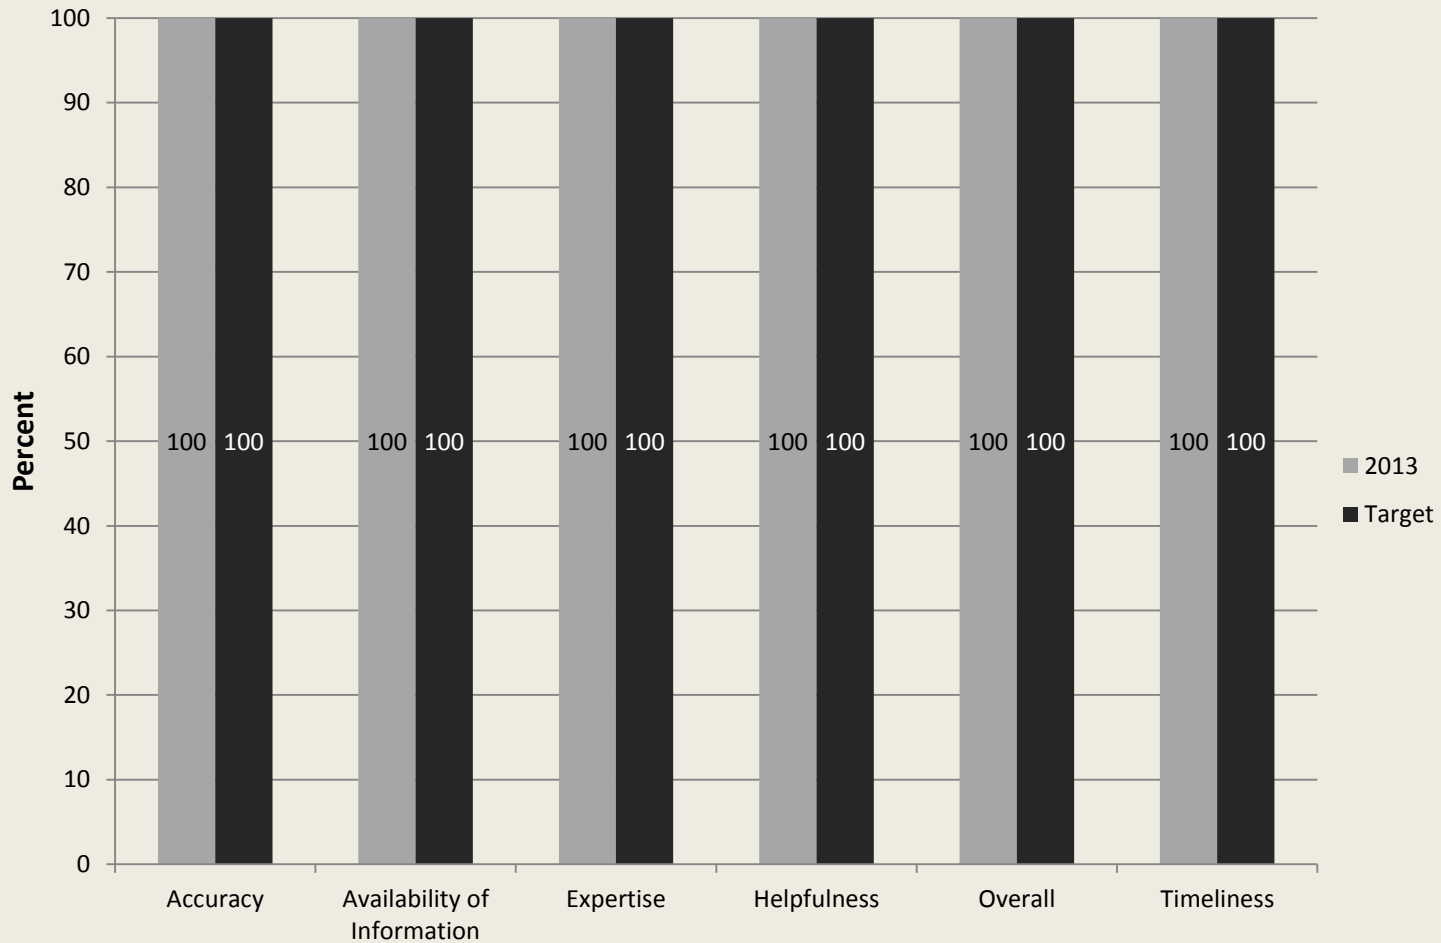

Key Performance Measures

May 6, 2015

KPM #1

Customer Service to County Governments and Forest Landowners

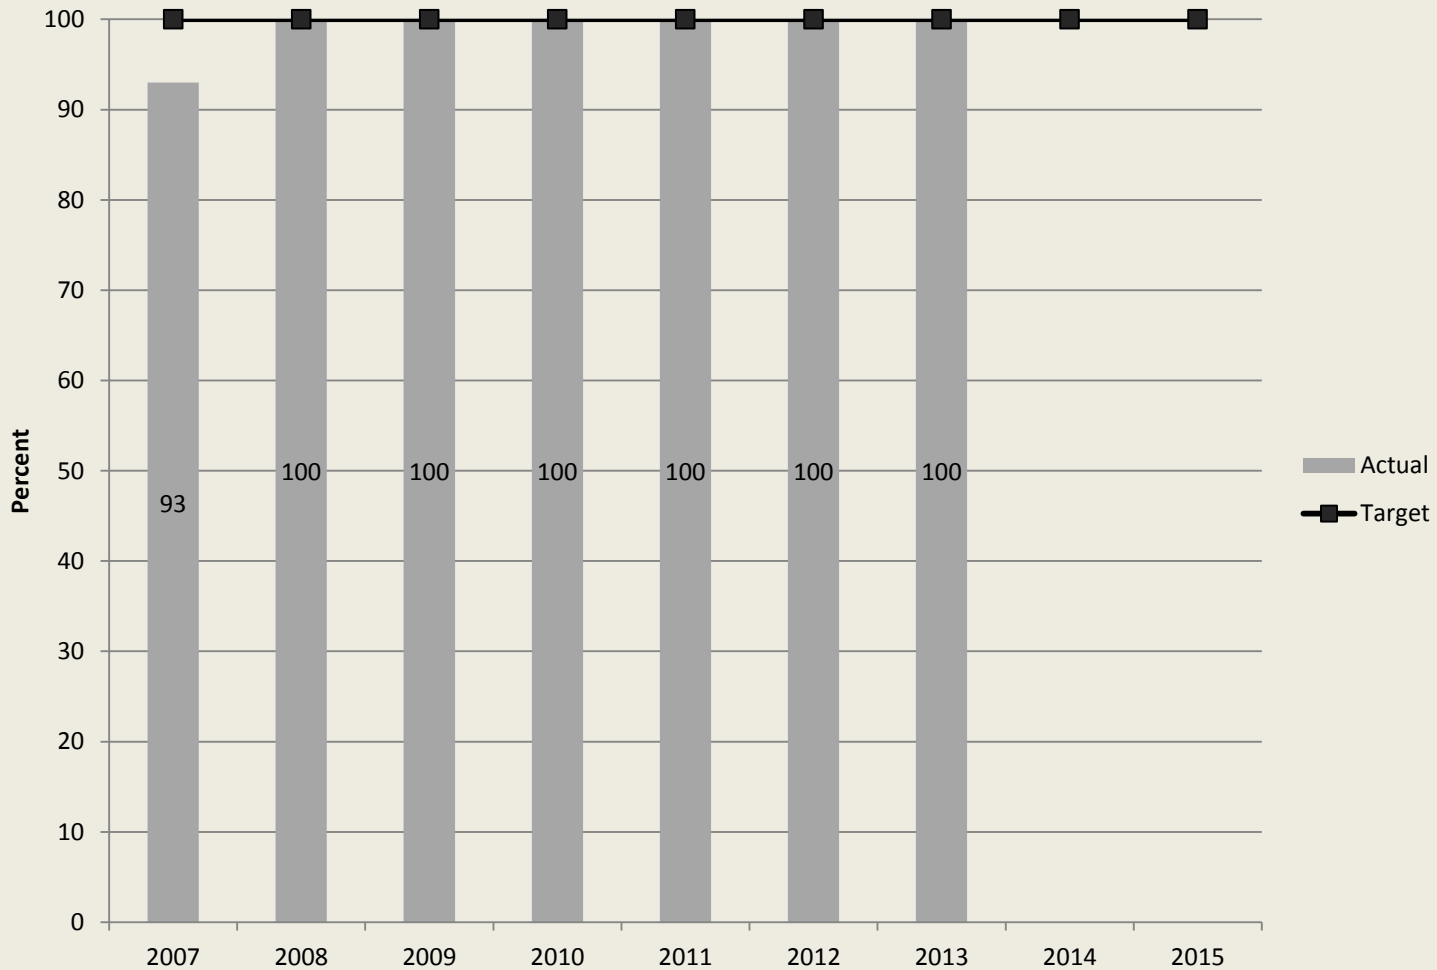

KPM #2

Board of Forestry Performance

(Percent of total best practices met by the Board of Forestry)

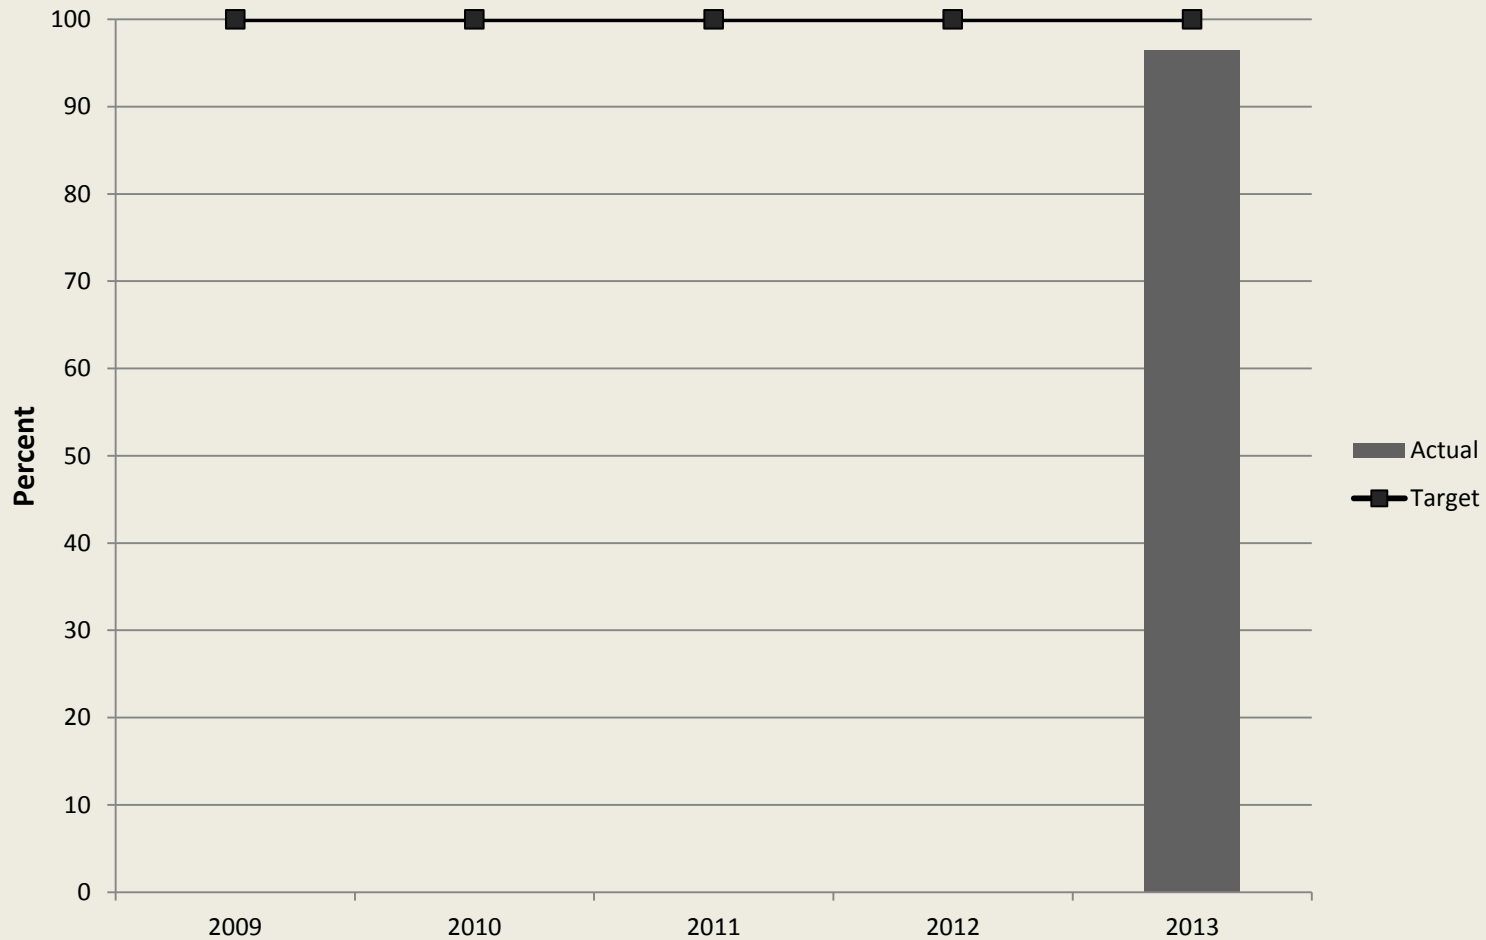

KPM #3

Forest Practices Act Compliance

(Percent of commercial forest operations that are in compliance with the Forest Practices Act.)

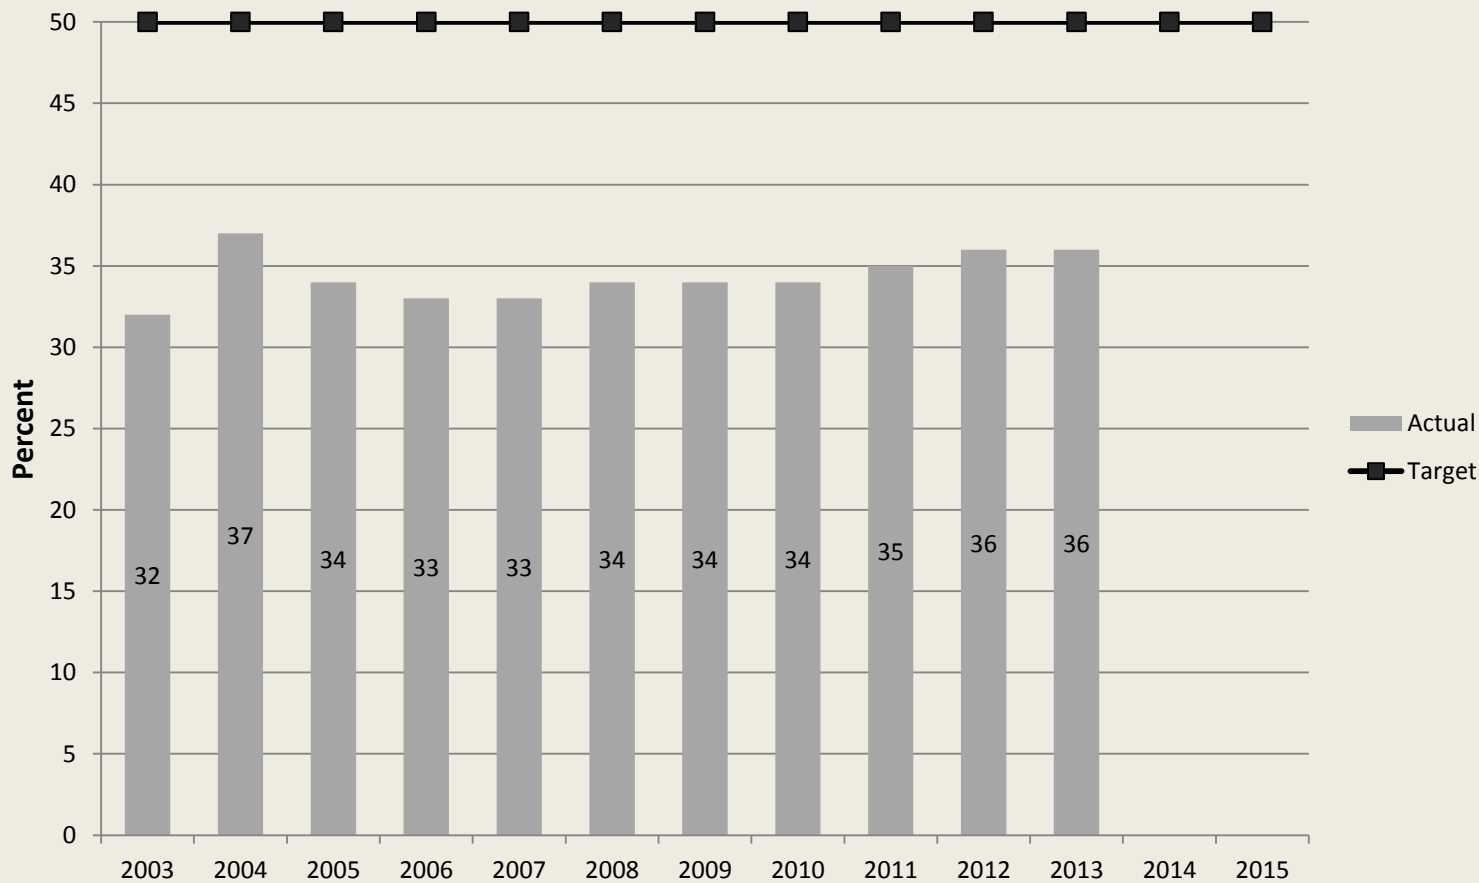

KPM #4

Urban and Community Forest Management

(Percent of Oregon cities actively managing their urban and community forest resources)

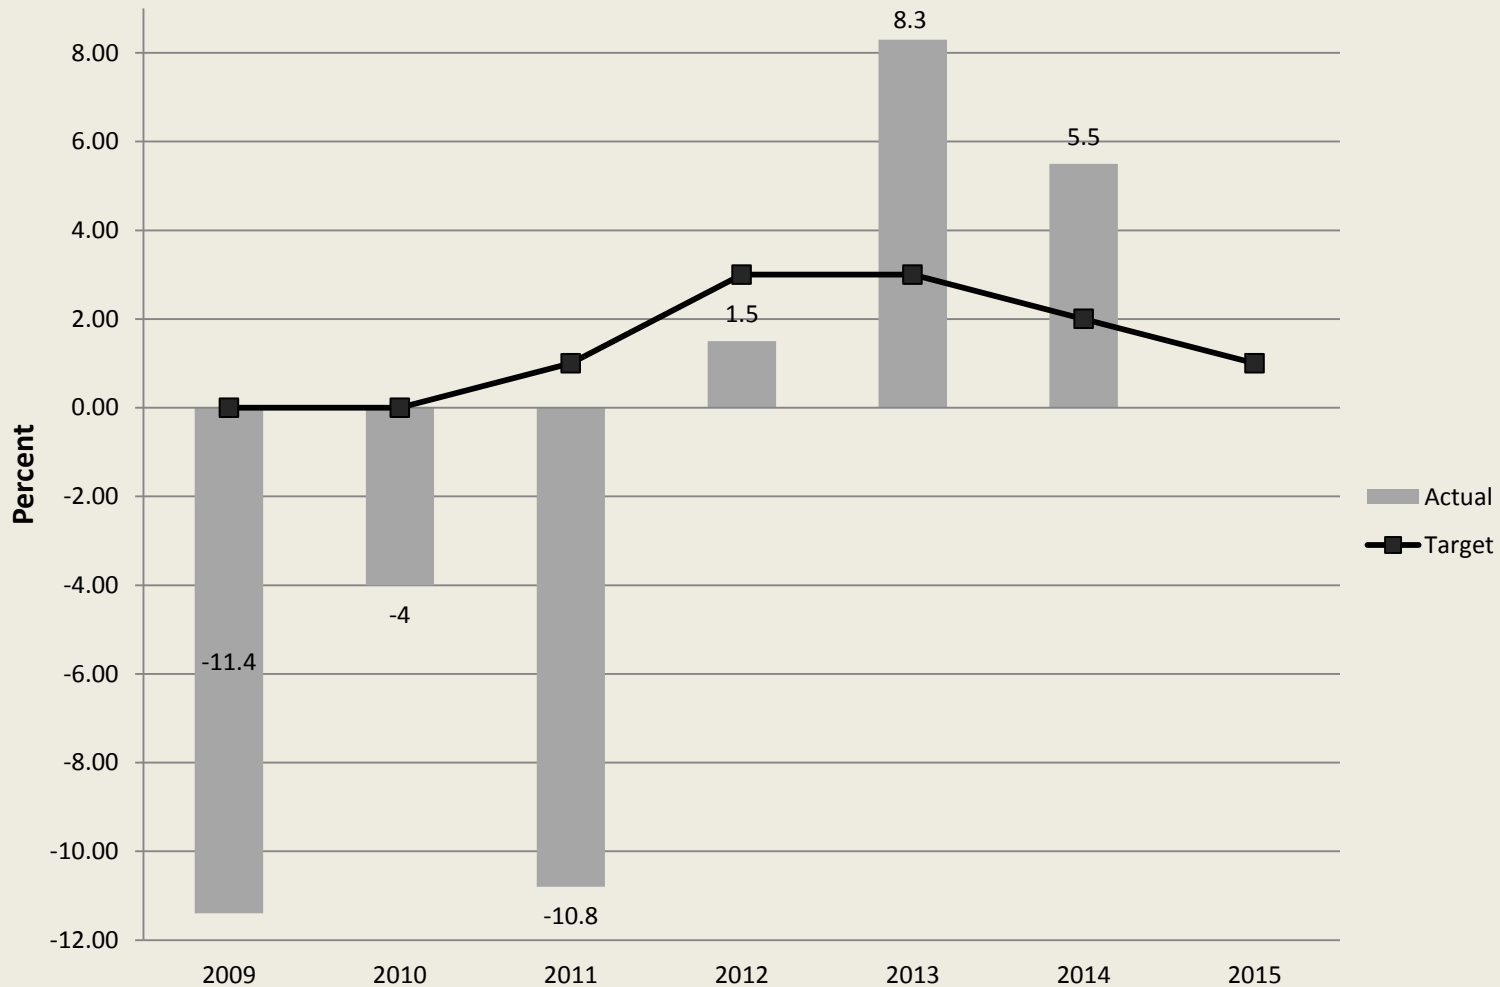

KPM #5

State Forests Total Revenue

(Percent increase in total revenue produced by State Forests)

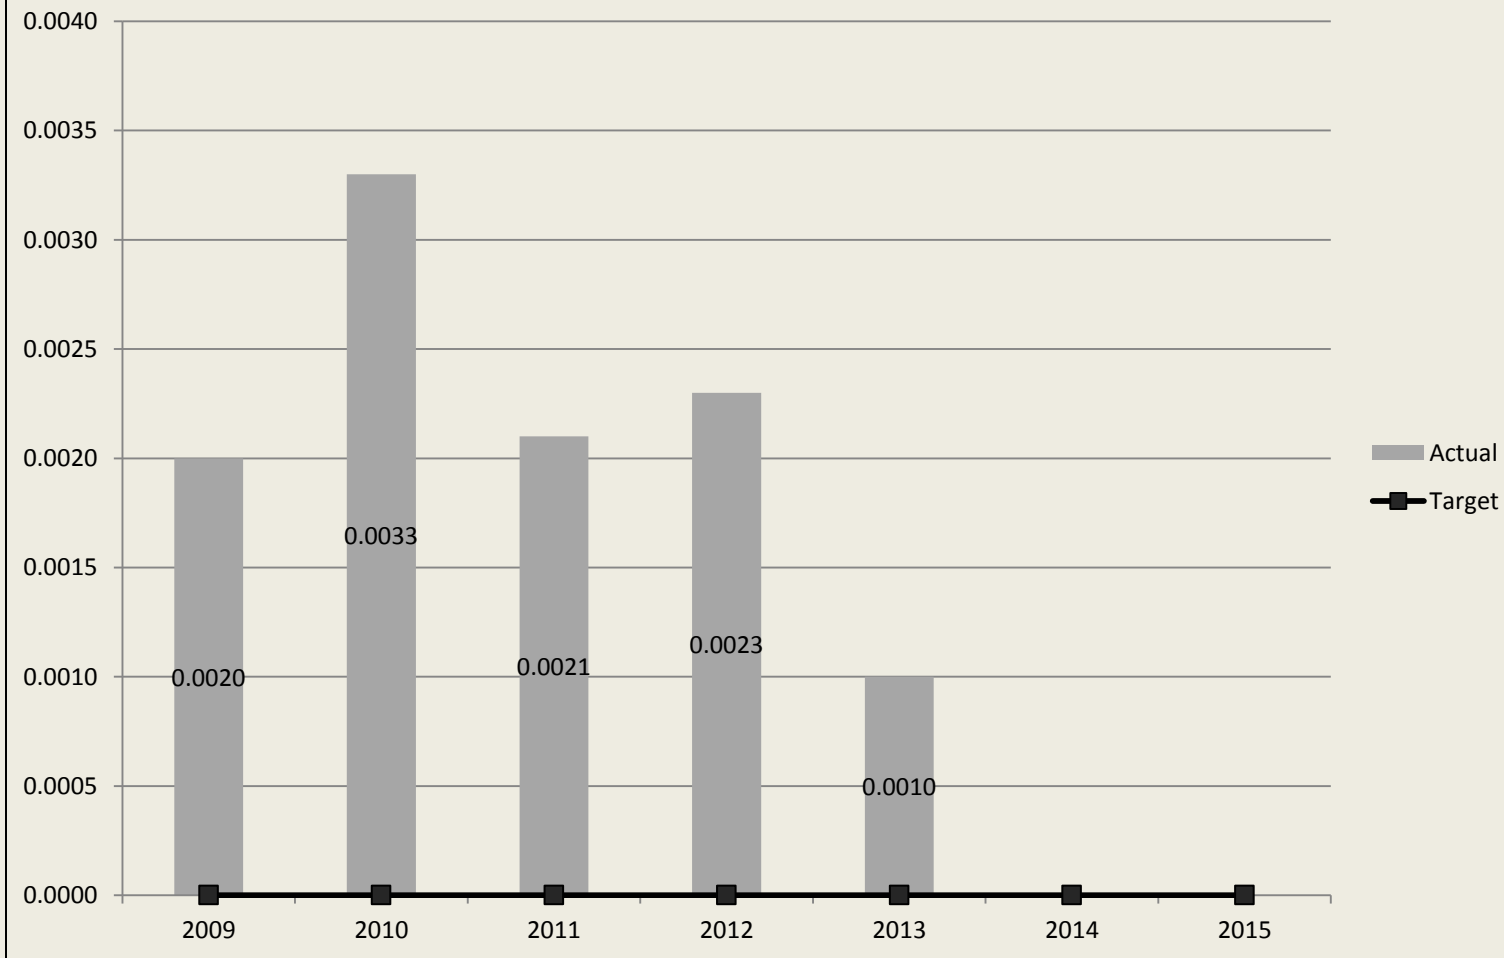

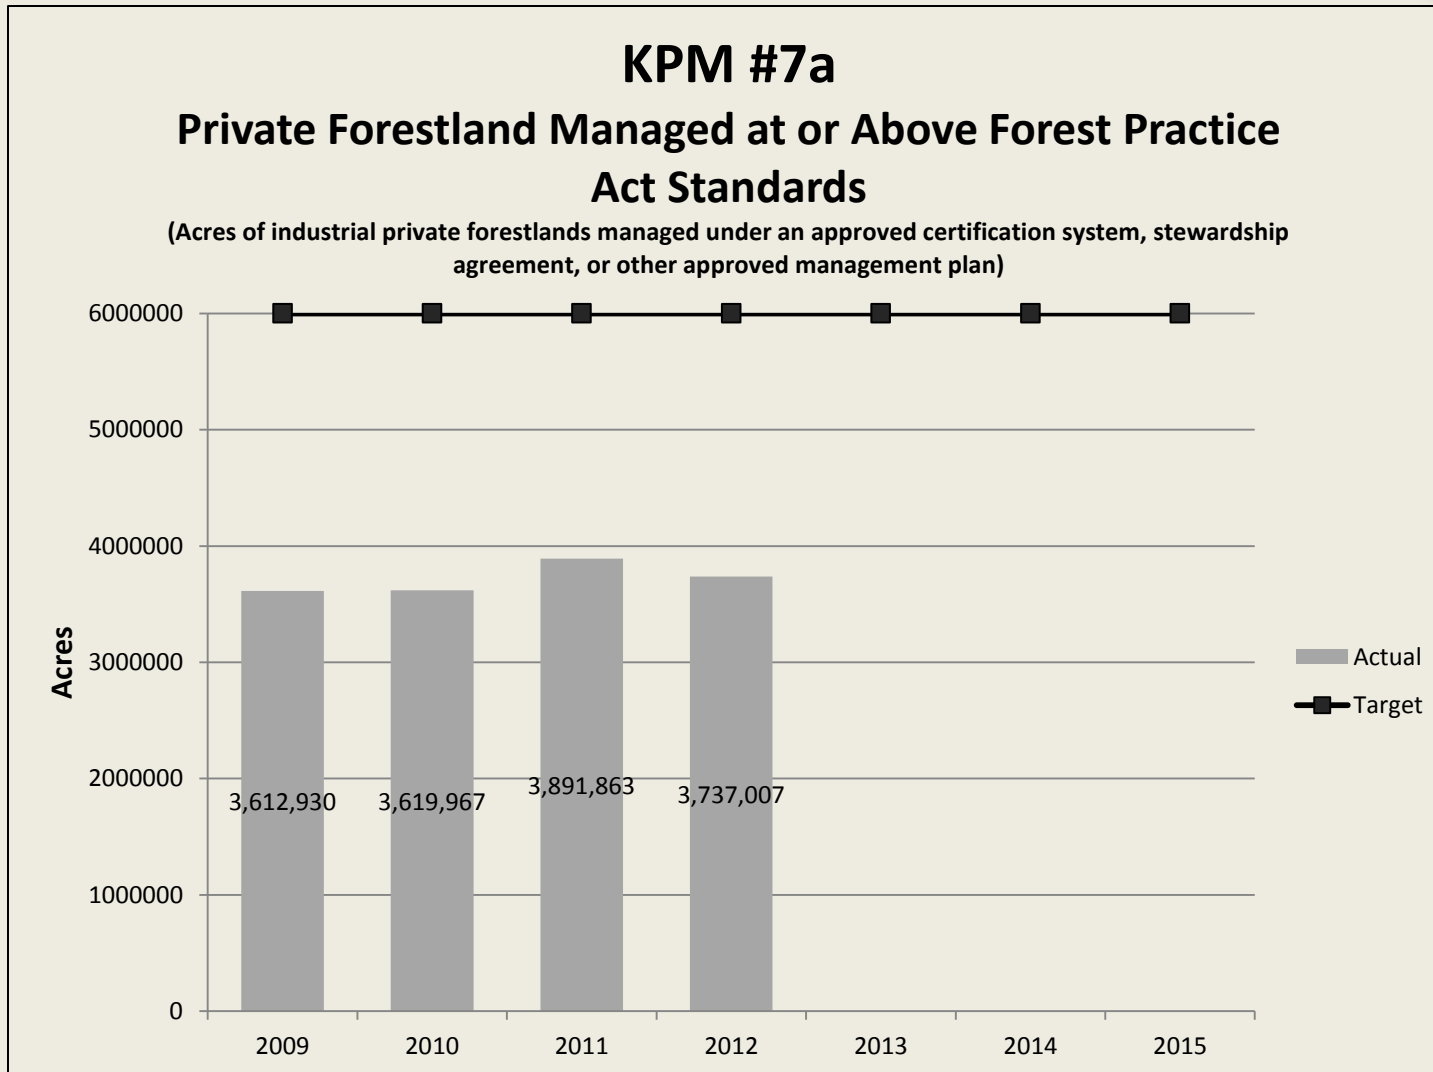

KPM #6

Air Quality Protection

(Total number of smoke intrusions into designated areas per total number of units burned)

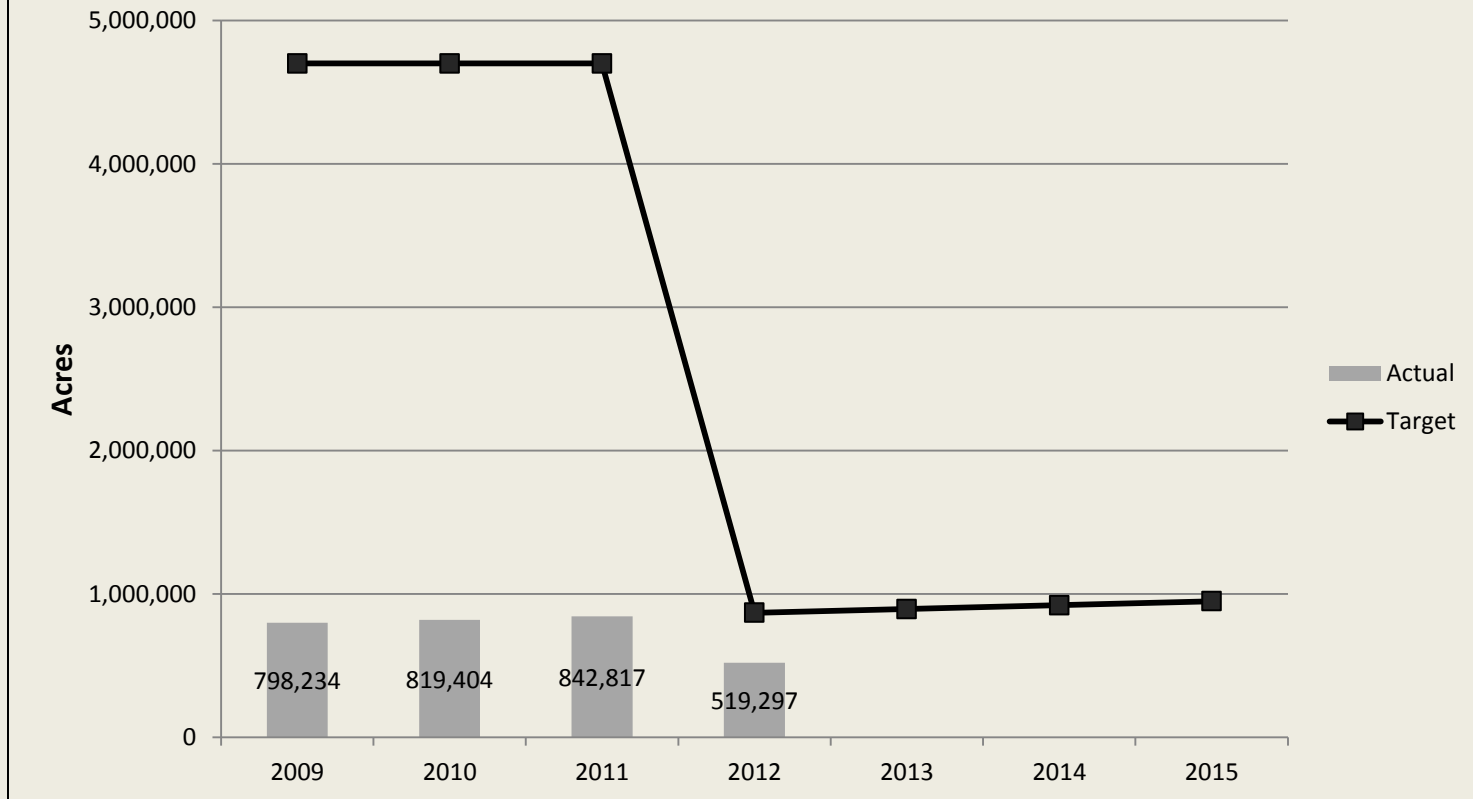

There is no data reported for 2013, as this KPM is proposed for deletion.

KPM #7b Private Forestland Managed at or Above Forest Practice Act Standards

(Acres of non-industrial private forestlands managed under an approved certification system, stewardship agreement, or other approved management plan)

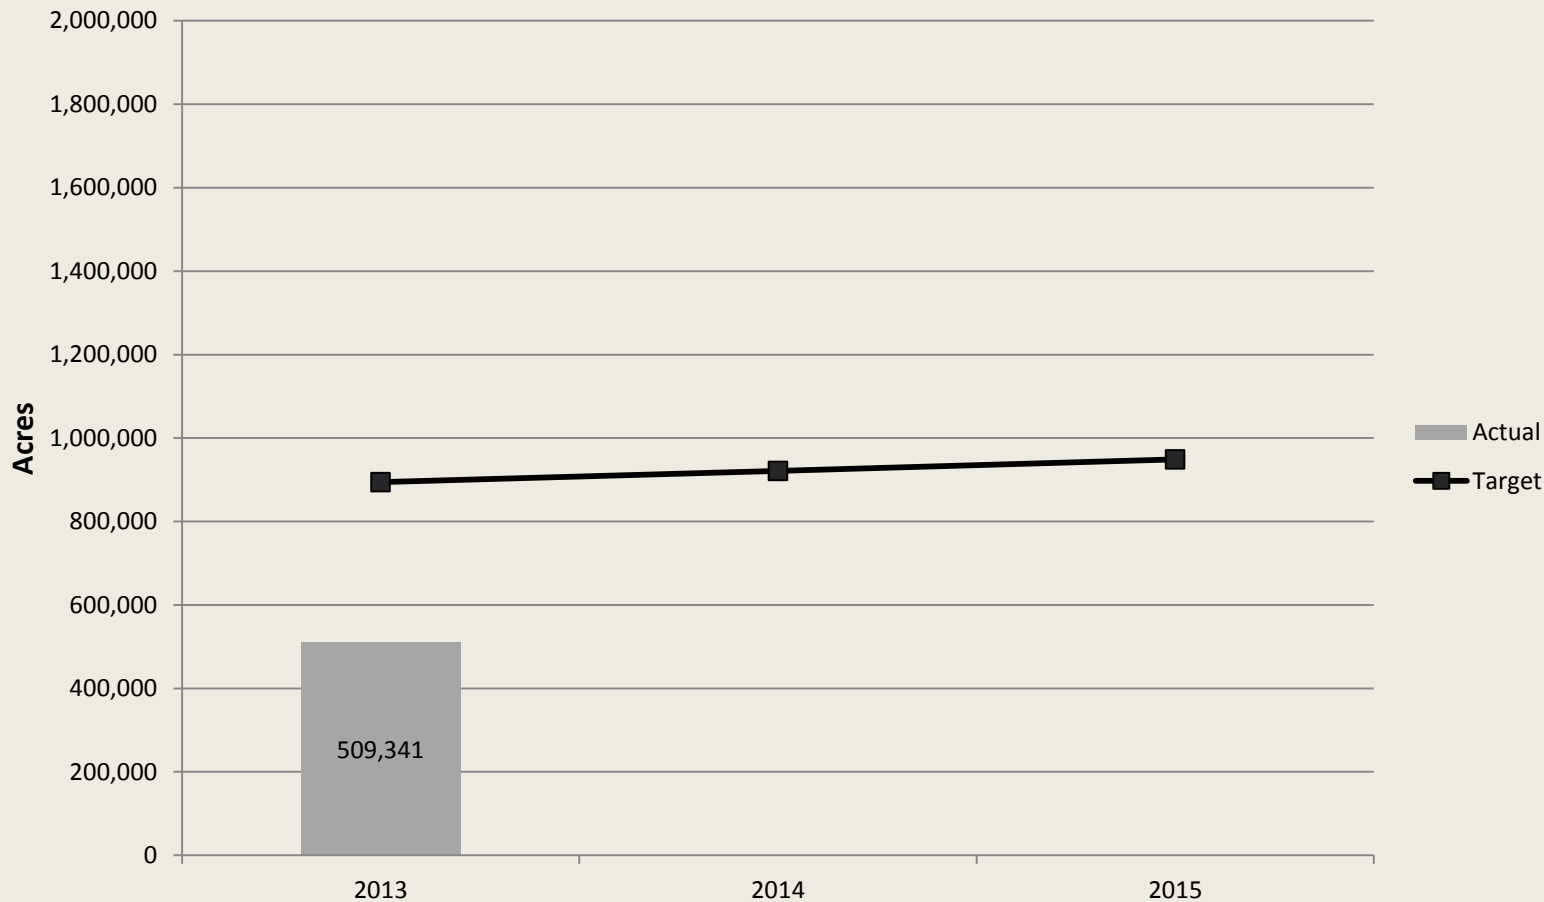

There is no data reported for 2013, as this KPM is proposed for deletion.

KPM #7

Family Forestland Fully Engaged in Sustainable Forestry

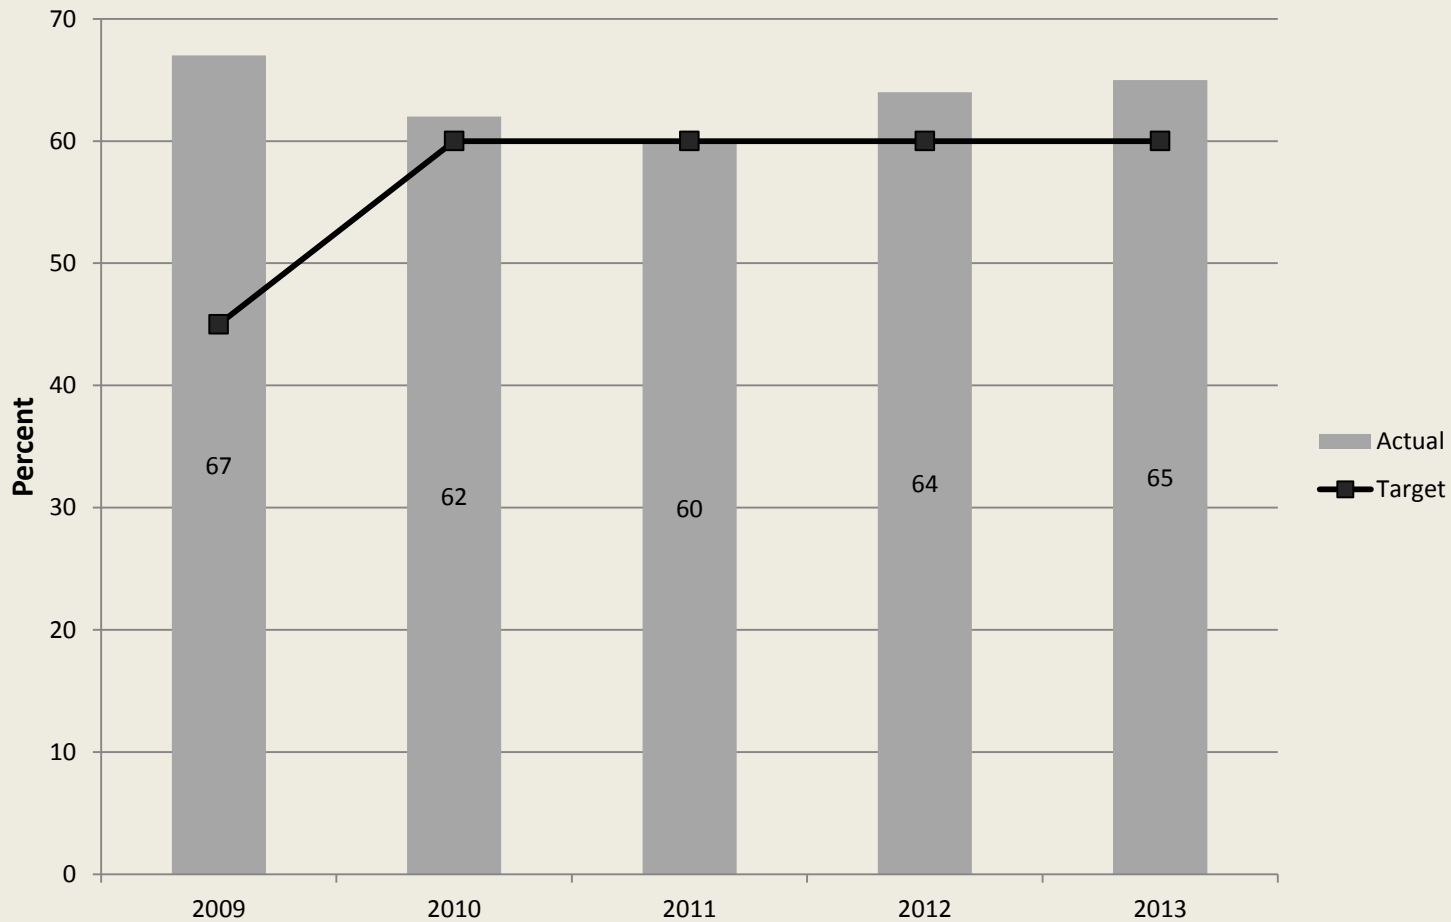

As 7a and 7b are proposed for deletion, the information shown here has been updated to reflect the new KPM 7 - Family Forestland Fully Engaged in Sustainable Forestry.

KPM #8c

Forest Stream Water Quality

(Percent of monitored stream sites associated predominately with forestland with water quality in good to excellent condition)

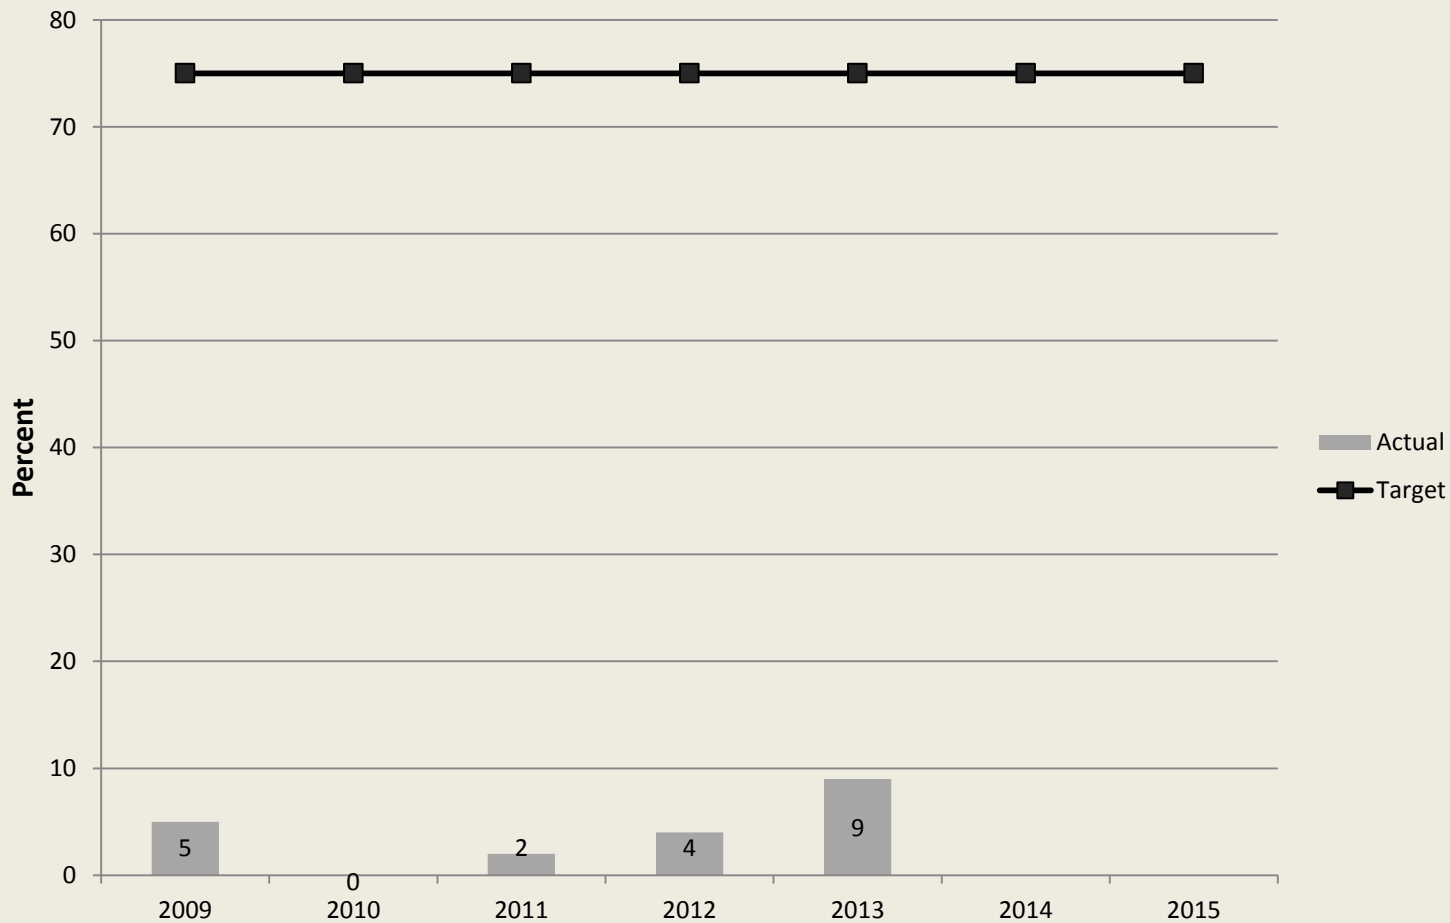

KPM #8a

Forest Stream Water Quality

(Percent of monitored stream sites associated predominately with forestland with significantly increasing trends in water quality)

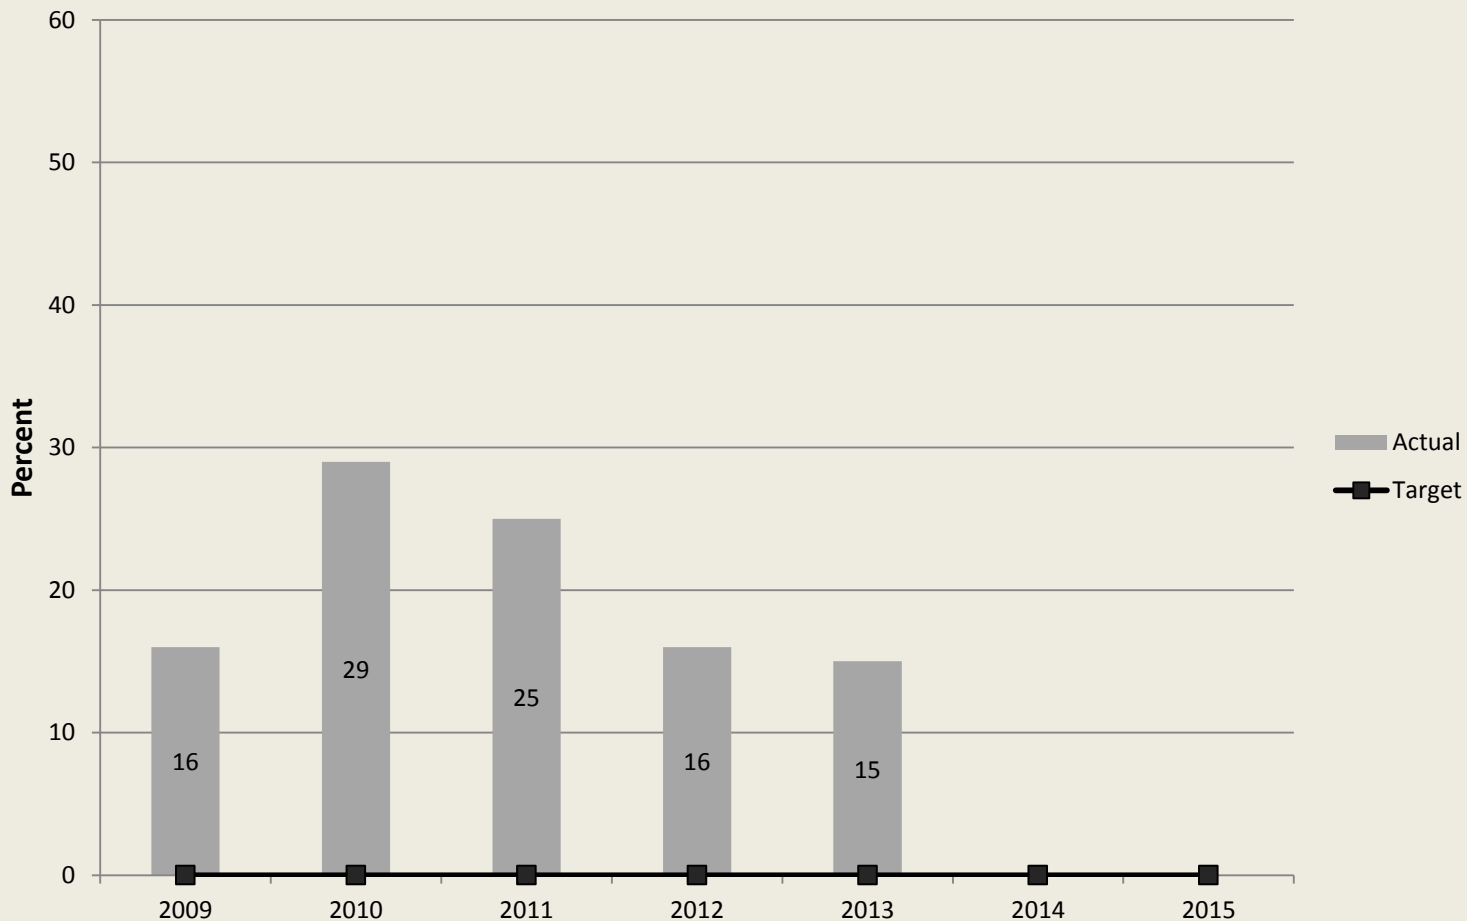

KPM #8b

Forest Stream Water Quality

(Percent of monitored stream sites associated predominately with forestland with significantly decreasing trends in water quality)

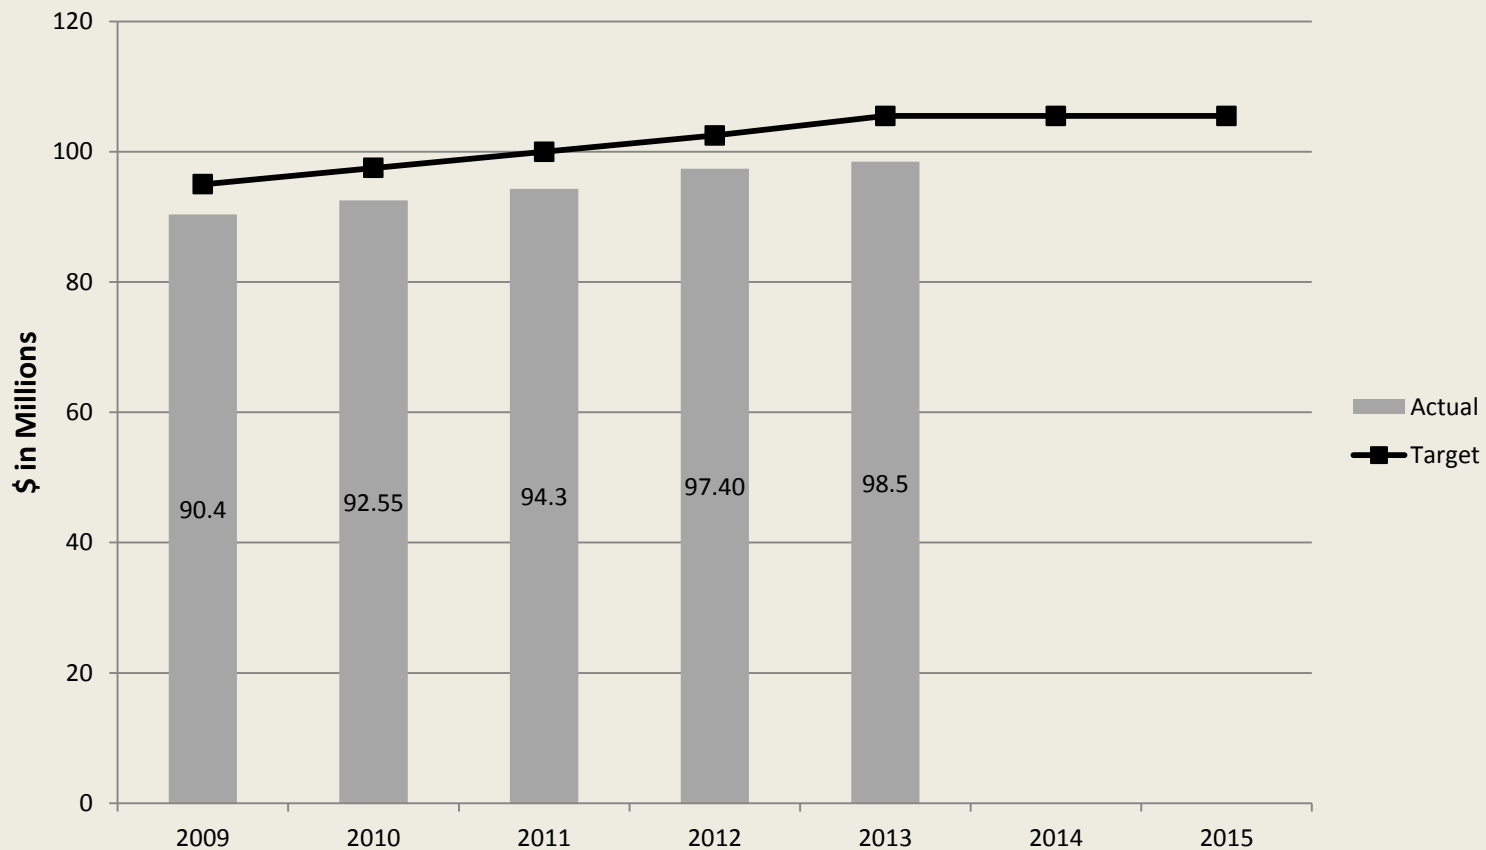

KPM #9

Voluntary Public and Private Investments Made to Create Healthy Forests

(Cumulative public and private forest landowner investments made in voluntary projects for the Oregon Plan for Salmon and Watersheds or for the Oregon Conservation Strategy)

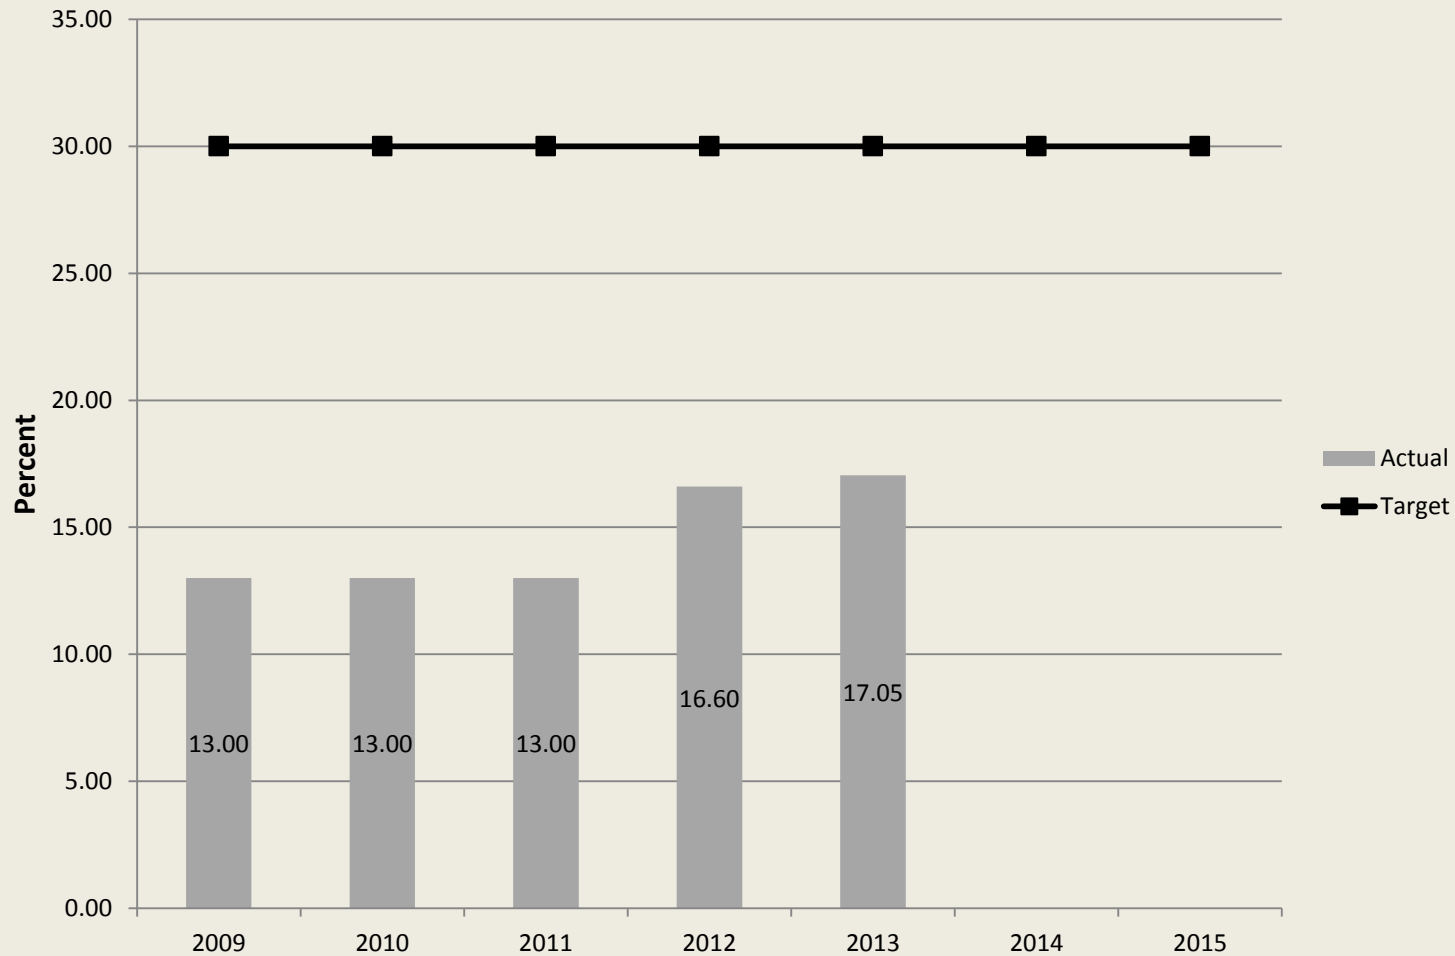

KPM #10

State Forests North Coast Habitat

(Complex forest structure as a percent of the State Forests landscape)

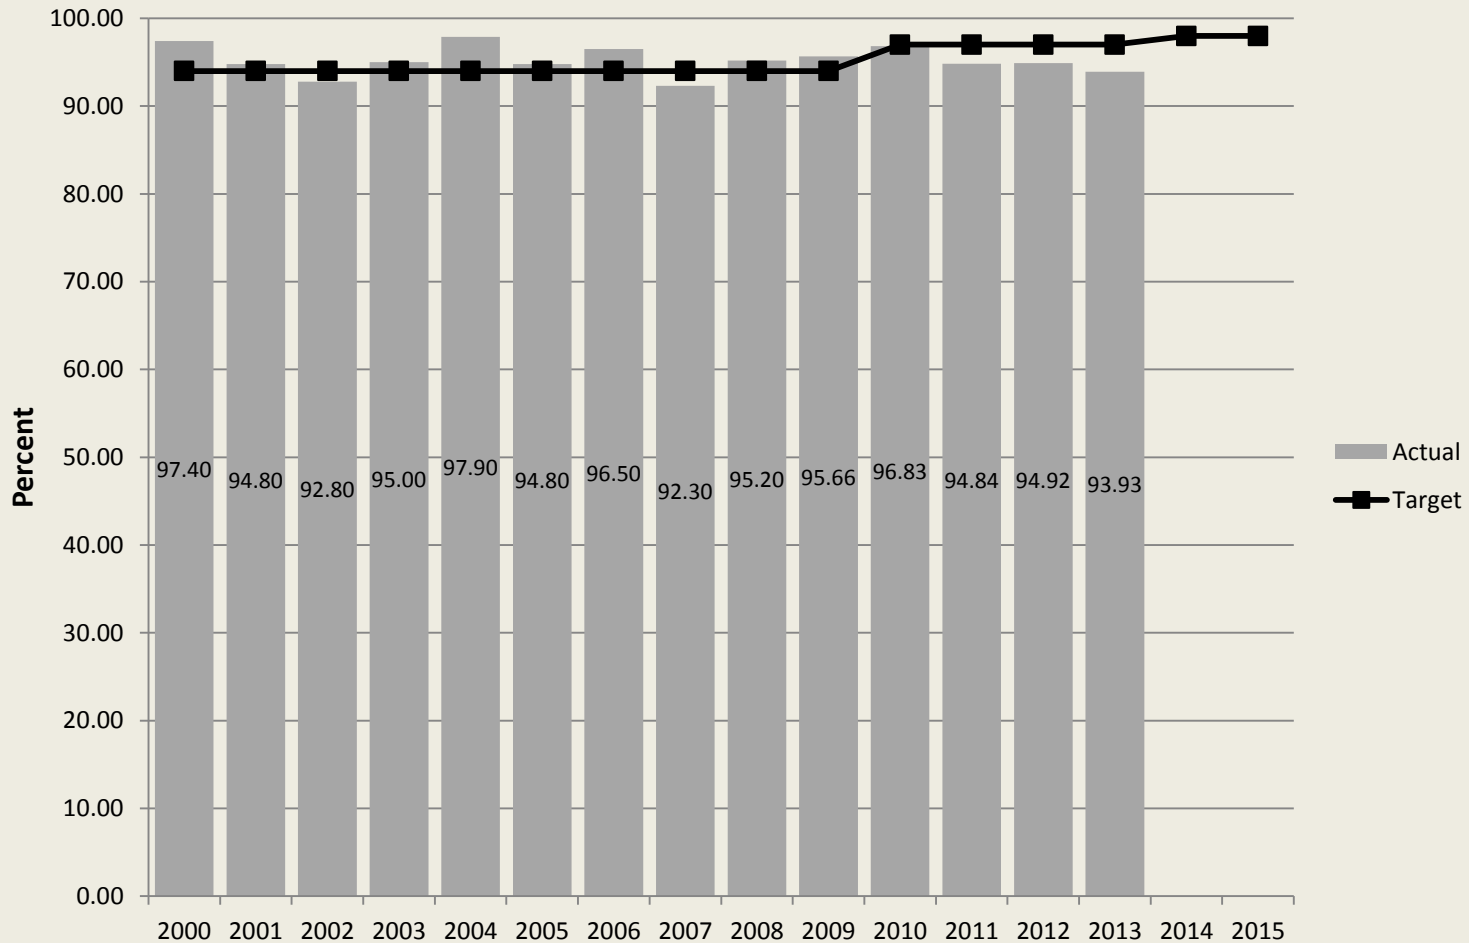

KPM #11

Fire Suppression Effectiveness

(Percent of wildland forest fires under ODF jurisdiction controlled at 10 acres or less)

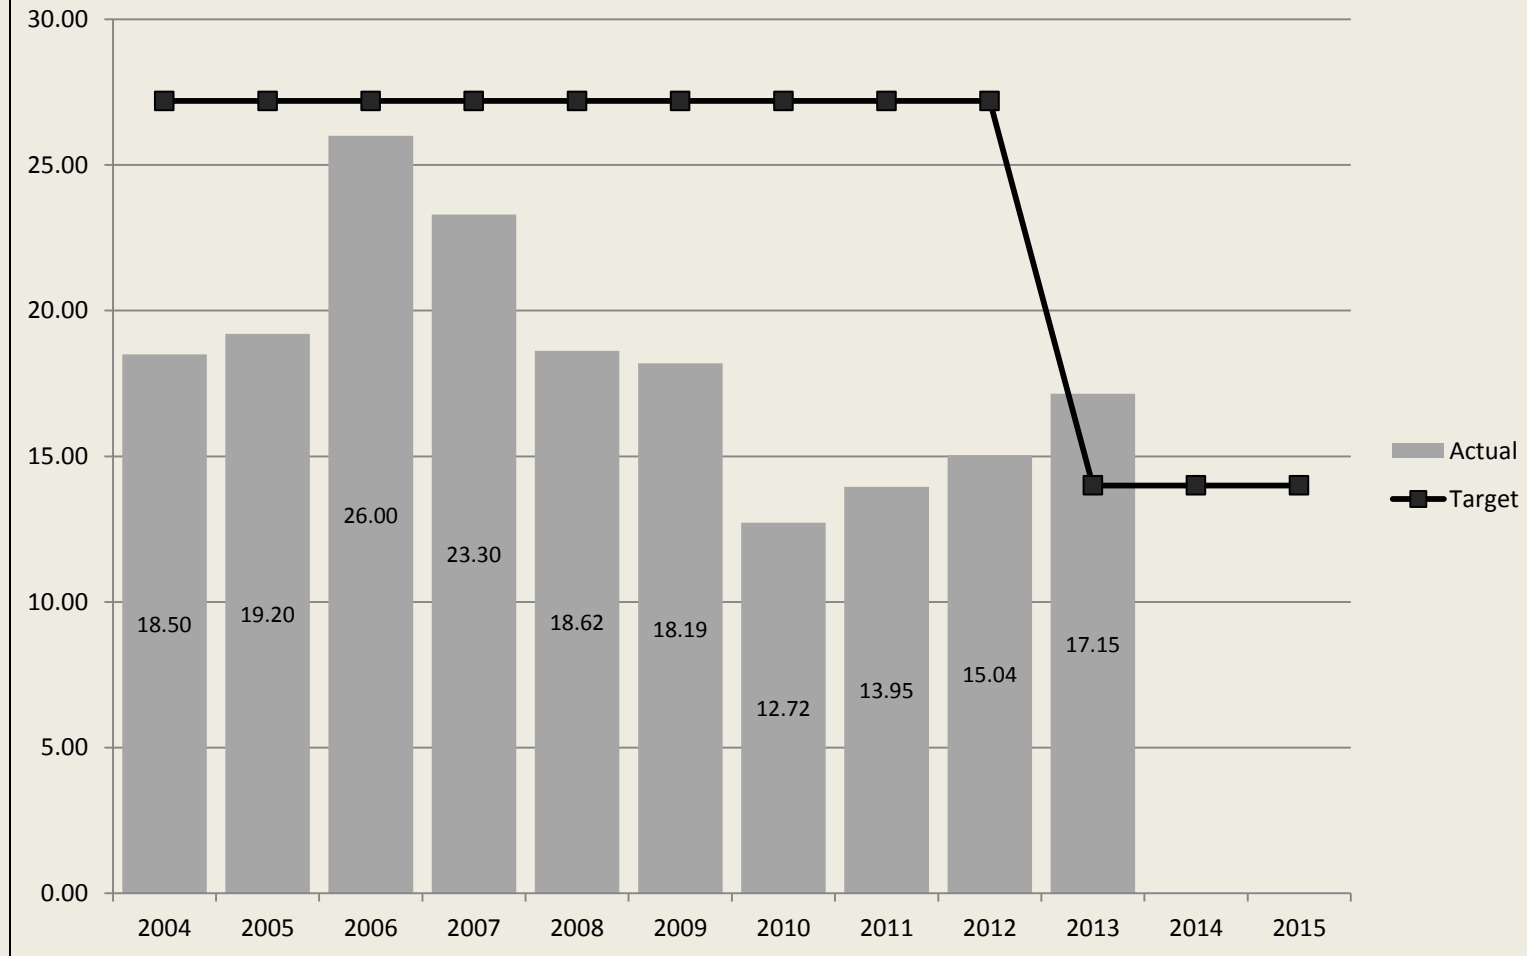

KPM #12

Prevention of Human-Caused Wildland Forest Fires

(Number of human-caused wildland forest fires per 100,000 Oregon residents - lower is better)

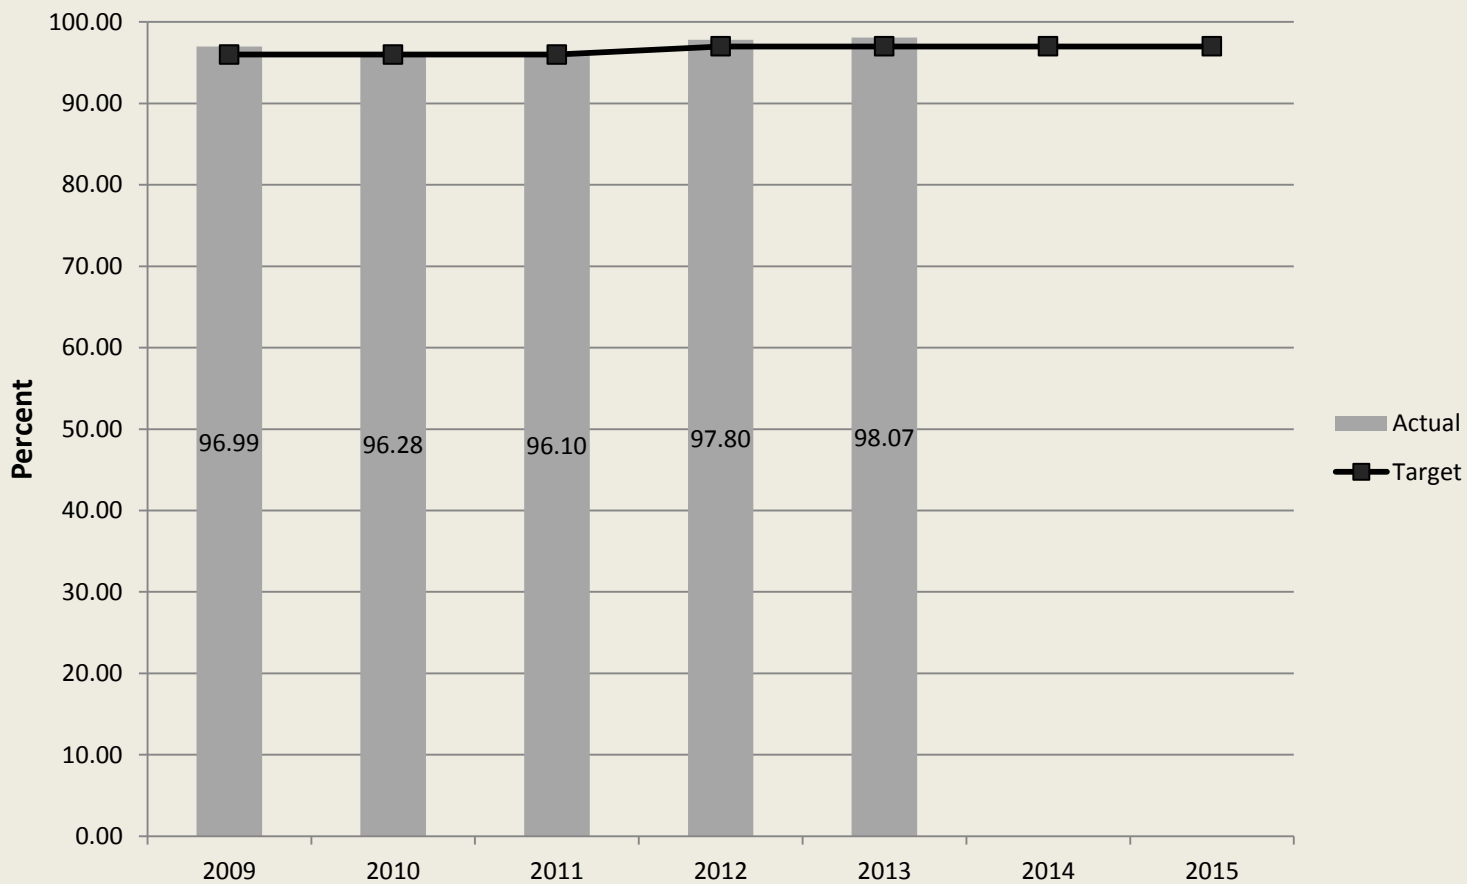

KPM #13

Damage to Oregon Forests from Insects, Diseases, and Other Agents

(Percent of forest lands without significant damage and mortality as assessed by aerial surveys)

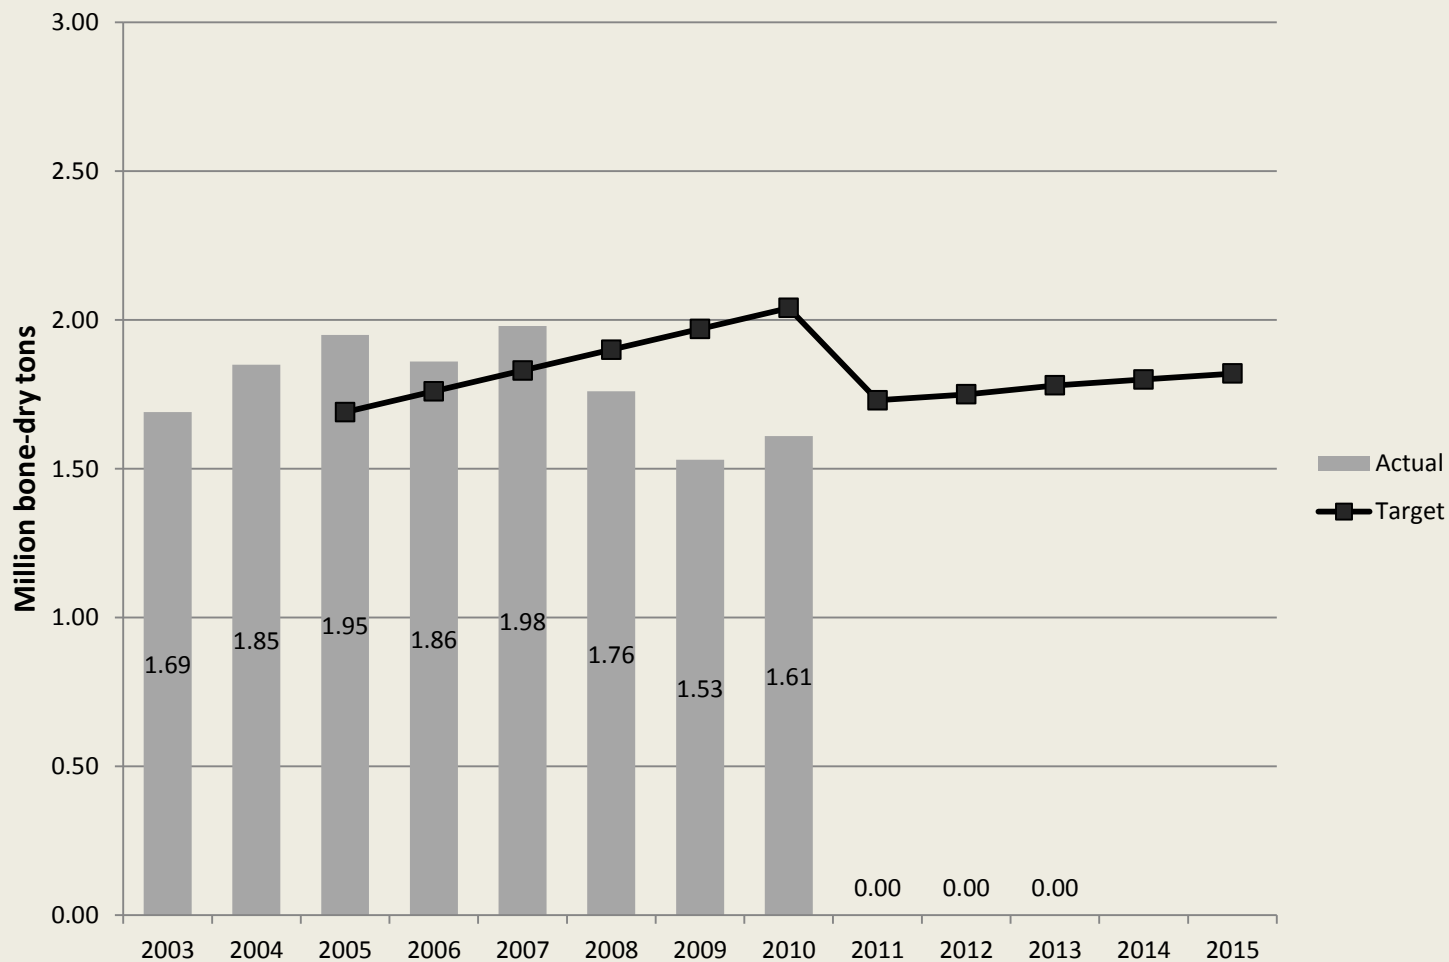

KPM #14

Forest Biomass Utilization

(Million bone-dry tons of forest biomass converted to biofuels, electricity or steam)
