Measure Description:

Modifies method by which minimum amount distributed to education service districts is calculated.

Government Unit(s) Affected:

Education Service Districts (ESD)

Analysis:

The proposed legislation has been determined to have
MINIMAL EXPENDITURE IMPACT
on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.

The bill, as amended, changes the amount being added to the funding floor for the Education Service Districts (ESD). The bill would change the distribution of funding among ESDs, however it does not change the total amount appropriated to the State School Fund.
