Subject: Senate Bill 5545 – Oregon Board of Nursing Fee Ratification Work Session Recommendations

Fee Type	Fee Name	Amount	Projected Biennial Revenue
CRNA Presc.Priv.			
	Initial Application	\$75	\$22,500
	Renewal	\$50	\$7,500
	Prescription Monitoring Program	\$50	\$7,500
Delinquent Renewal		\$100	\$48,000

During the interim, the Oregon Board of Nursing established fees related to the awarding of Prescriptive Privileges (PP) for Certified Registered Nurse Anesthetists (CRNA) as authorized by SB 136 (2013), Chapter 297, 2013 Oregon Laws. The Oregon Board of Nursing also increased the late renewal fee for registered nurses, licensed practical nurses, nurse practitioners, certified registered nurse anesthetists, and clinical nurse specialists from \$12.00 to \$100.00 in lieu of pursuing civil penalties of \$50/day for up to 60 days for practicing without a license.

Both of these administrative actions taken by the board were subsequently approved by the Department of Administrative Services in accordance with the process outlined in statute. These fees established by administrative rule must be authorized by enabling legislation to prevent the fees from automatically being rescinded upon adjournment of the current legislative session.

The Legislative Fiscal Office recommends the ratification of the fees as set by the agency and adoption of the proposed -1 amendment.
