**ISSUES DISCUSSED:****EFFECT OF COMMITTEE AMENDMENT:**

**BACKGROUND:** The Oregon Low-Income Home Energy Assistance Program is federally-funded through the U.S. Department of Health and Human Services and is designed to help low-income households with home heating costs. To be eligible to receive assistance, a household's income must be at or below 60 percent of Oregon's median income, based on household income and household size. Recipients must also have documented energy costs. The program is administered by Oregon Housing and Community Services.

Senate Bill 863 (2011) directed the Public Utility Commission to collect an additional \$5 million per year for the low-income bill payment assistance program in the event certain criteria were met as of January 1, 2014. This measure was set to sunset on January 2, 2014. House Bill 2004 (2013) extended the sunset date to January 2, 2016. House Bill 3257 would extend the sunset again, until January 2, 2018.
