

**SB 5524**  
**Board of Nursing**

---

SB 5524 is the budget bill for the Oregon Board of Nursing. The bill continues the Board's budget at the current service level and adds one-time funding for an information technology infrastructure upgrade that includes the replacement of six node servers and an upgrade of software licenses related to the servers. This budget is a 2.7 percent increase from the Legislatively Approved Budget for 2013-2015 and will result in a projected ending fund balance of \$4,132,219 supporting just under seven months of operating expenses.

The Human Services Subcommittee recommends SB 5524 be amended by the –1 amendment and be reported out do pass, as amended.
