Subject: commission seat for ODFW

I am writing to you today to express support for appointing Bruce Buckmaster to fill the Commission seat for the 1st Congressional District. Mr. Buckmaster, I believe, will make decisions based on facts and reasonable fairness to all. By his own description, he is a lifelong fisherman and hunter, just as generations of our family have been. He has served on numerous boards and commissions as well as having a background in business management. He has proved to have a working relationship and understanding of the various user groups on the Columbia River. In closing, I encourage and support the appointing of Bruce Buckmaster to fill the Commission seat for the 1st Congressional District.

Thank You

Randy and Jeneen Evans
