Subject: vote NO on SB 412

I am writing you today in opposition to the Port of Portland's attempt to weaken environmental laws, specifically with regard to a special exception from solid waste laws in the disposal of dredge materials.

I believe the DEQ should retain full oversight over solid waste disposal to protect our communities and our environment. SB 412 would allow ports to create new, permanent solid-waste dredge dumps outside of existing landfills that provide no beneficial value — exactly what the law was supposed to prevent.

Please vote "No" on SB 412.

Thank you!
