Support for passage of HB2038

I am writing this in support of HB 2038. I own rural land in Polk County that has a landing strip on it. I testified in person at the first House hearing on this bill. I have to fly to Hawaii today and cannot attend the hearing in.

HB 2038, in its present form contains the main concepts discussed in the previous hearing. I continue to support its passage. It adds a common sense provision to the issue of public use of privately held recreation areas. It costs nothing.

Please approve the passage of this bill.

Thank you for your consideration

Sincerely,

Donald S. Powell
