

Ms. Hernandez,

I speak against HB 3494-A, it contains unacceptable loopholes and will not protect dogs and cats. The bill would allow declawing and devocalization to continue unchecked in Oregon at the sole discretion of veterinarians. The bill is not a step forward for animals. Rather, it is a step backwards in the movement to protect animals from unnecessary harm. Please help to stop this at the public hearing on May 26.

Thank you,
Ingrid M. Kraft
