Capital Construction Sub-Committee of Ways and Means Lottery-Backed Bonds for Preservation

Co-Chair Girod, Co-Chair Read, Members of the Committee:

My name is Michael Anderson, and I live in Portland, Oregon. I am writing to express my enthusiastic support for the \$20 Million lottery-backed Bonding proposal to preserve currently affordable homes.

Wew know our communities do better when everyone has a place to call home that they can afford. Right now we are at risk of decreasing the number of homes affordable to the most economically vulnerable Oregonians: seniors, people unable to work due to disability and others with the lowest incomes. Across the state thousands of people with extremely low incomes (less than \$10,000 a year) live in homes with federal rent subsidies and in manufactured home parks which are at risk of conversion to market rate.

The proposed \$20 Million will allow the public-private partnership of the Oregon Housing Preservation Project (OHPP) to continue on its success helping families, seniors, and people with disabilities who are living on very low incomes stay in their homes and in their communities. I do not want to live in a community where I see somebody's grandpa sleeping in a doorway. Our seniors deserve to enjoy their golden years without fear of becoming homeless.

We cannot afford to lose this precious resource and risk displacement of our neighbors. This proven public-private partnership can save these homes and leverage private and federal resources with the investment of Lottery Backed Bonds.

We urge your careful consideration of, and support for continuing this investment and ensuring our most vulnerable community members continue to have a safe, stable, affordable place to call home.

Thank you for your service.

Sincerely,

Michael Anderson 3909 SE 51st Avenue Portland, Oregon 97206
