

HB 2452

Relating to the Fish and Wildlife Deferred Maintenance Subaccount

HB 2452 abolishes the Fish and Wildlife Deferred Maintenance Subaccount and transfers the unobligated funds remaining in the subaccount to the State Wildlife Fund. Currently, the balance of the subaccount is approximately \$1.5 million Other Funds. The transfer of this \$1.5 million would increase the Department's ending fund balance to help meet working capital needs. This transfer is assumed in the Co-Chairs' budget for the Department of Fish and Wildlife.
