Subject: HB 2509

Dear Beth Reiley,

We are writing you as business owners in the organic supplement industry and organic farmers.

We ask you to please oppose HB 2509

As I understand, this is a corporate backed bill by Monsanto's main front group Oregonians for Food and Shelter.

GMO crops cannot "co-exist" with traditional crops as they will contaminate many of the crops easily.

Please protect our water, precious non-GMO seed, soil and health.

Please vote wisely.

Thank you!
