

## The Association of Oregon Counties Opposes HB 2831

**DATE:** June 1<sup>st</sup>, 2015  
**TO:** Senate Environment and Natural Resources  
**FROM:** Mark Nystrom, AOC Policy Staff

---

The Association of Oregon Counties opposes HB 2831 because the legislation addresses a problem that does not seem to exist. When the Association of Oregon County Planning Directors were polled on HB 2831 none of them were able to site a case where this bill would be an impact. AOC believes that this is a solution looking for a problem.
