

HB 3494-A is flawed as written and needs AMENDMENTS TO REMOVE ALL NON-THERAPEUTIC EXCEPTIONS

My name is Decoteau DeGrauw, my address is 608 East 10th Street, Newberg Oregon, 97132.

Thank you! I am very excited to be present during such an important event. This is a very important matter to me, as I have a declawed cat that was found as a stray; which is why I learned about the horrors of declawing and the effects it can have on felines.
