Chair Val Hoyle
Vice Chair Barbara Smith Warner
Vice Chair Vic Gilliam
Rules Committee, Oregon House of Representatives

Dear Chair Hoyle, Vice Chair Smith Warner, and Vice Chair Gilliam:

The League of Oregon Cities enthusiastically supports House Concurrent Resolution 25 honoring Shirley Kalkhoven. The resolution very appropriately honors Mayor Kalkhoven's extraordinary passion for and commitment to public service. Her energy and engagement in statewide issues, especially transportation and disaster preparedness, was unequalled. As indicated in the Resolution, she will be greatly missed by many people. Oregon is a better place as a result of her long and valuable public service.

Sincerely,

Michael J. McCauley
Executive Director
