

Todos Juntos means "All Together" ... it's how we and our partners work!

A student's perspective- This is a good and fun program. It gives us a chance to explore and learn something. We get to play sports and stay healthy. ~ Yessica M., Canby Middle School

Staff perspective- This is a program that provides opportunities for youth and families. It encourages them to thrive, connects them to other agencies within the community and ultimately helps them to succeed. ~ Tonya Madrigal, Clackamas County.

Counselor's perspective- Todos Juntos involves a team of caring adults whose purpose is to support students in their social, emotional, and academic growth. We are fortunate for their involvement in our community. ~ Mrs. Olson, Canby Middle School

Community member's perspective- Todos Juntos is a program where we all have opportunities to have fun, learn and grow as parents, students and individuals. ~ Fabiola Zavala, Canby

Parent's perspective- Todos Juntos is a great program. It has helped my daughter be more optimistic, more social and it has given my daughter the courage to believe in herself and try things that she never thought possible. ~ Mrs. Cronques, Canby

Since 1994, Todos Juntos has been a catalyst for providing and sustaining a system of care, advocacy and support for youth and families in Clackamas County.

Our proven method for delivering services is **PreventNet**, a research-based model that uses a collaboration of agencies working together to strengthen families, and to provide pro-social, extra-curricular activities supporting youth in academic achievement, and in behavior and socialization skills.

MAKING PARENTING A PLEASURE

Beginning with a meal and some family games, each of these workshops empowers families by providing first a forum by which parents / guardians can voice their challenges, and then a chance to learn tested-effective skills by which to grow. Free child care is provided.
