June 8, 2015

To: Representative Nancy Nathanson
From: Marisa N. James, Deputy Legislative Counsel
Subject: -B8 amendments to B-engrossed House Bill 2316

Enclosed are the -B8 amendments to B-engrossed House Bill 2316. As we discussed, these amendments make further changes to the provisions of House Bill 3399, which is currently on its way to the Senate floor. The amendments explicitly allow reporting of proceedings in justice and municipal court by "stenographic or other means." The amendments also provide that, if HB 3399 becomes law, the provisions relating to recording and reporting in HB 3399 are repealed to make way for the provisions relating to recording and reporting in the amendments to HB 2316.

Let me know if you have any questions about how these amendments work.
