The Natural Resources Subcommittee recommends retroactive approval of the submission of a federal grant application to the U.S. Environmental Protection Agency for \$30,000 to develop materials for training greenhouse and nursery employees on safely working with and around pesticides. Grant applications were due June 8, 2015. The Department reports it became aware of the grant opportunity on June 2, 2015. There is no match requirement for this grant and no new positions are needed.

Your Natural Resources Subcommittee recommends approval of the request.
