Subject: SB 247
Work Session Recommendations

SB 247 relates to Department of Fish and Wildlife fees. The bill incrementally increases or establishes certain fees related to hunting, angling and commercial fishing over six-year period, applicable January 1, 2016, January 1, 2018, and January 1, 2020. Consolidates fee provisions for certain hunting and angling fees into statutory fee schedule. Modifies existing surcharges. Extends landowner preference program. Authorizes State Fish and Wildlife Commission to issue youth license to resident and nonresident persons 12 through 17 years of age.

The -2 amendment replaces the fee schedule in the original bill and includes intent to repeal January 1, 2020 incremental increases if the Legislatively Assembly enacts alternative revenue sources equal or greater to the anticipated revenue from the third incremental increase in 2020. It eliminates proposed ocean endorsement fee, reduces proposed increases to daily angling licenses, reduces proposed increase to resident annual angling license, reduces proposed increases to hunting licenses and tags, and creates new one day shellfish license.

Recommended Changes to SB 247:

The Legislative Fiscal Office recommends adoption of the -2 amendment.

Motion #1: Move adoption of the -2 amendment to SB 247

Measure to Full

LFO recommends the measure be moved to the full Joint Committee on Ways and Means.

Motion #2: Move SB 247 as amended, to the full committee with a Do Pass recommendation.

Measure Description:

Incrementally increases or establishes certain fees related to hunting, angling and commercial fishing over six-year period, applicable January 1, 2016, January 1, 2018, and January 1, 2020.

Government Unit(s) Affected:

Oregon Department of Fish and Wildlife (ODFW)

Summary of Expenditure Impact:

Summary of Revenue Impact		
	2015-17 Biennium	2017-19 Biennium
General Fund		
Lottery Funds		
Other Funds	8,841,000	16,461,000
Federal Funds		
Total Funds	\$8,841,000	\$16,461,000

Local Government Mandate:

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

Analysis: This introduced bill incrementally increases or establishes certain fees related to hunting, angling and commercial fishing over six-year period, applicable January 1, 2016, January 1, 2018, and January 1, 2020. In addition, consolidates fee provisions for certain hunting and angling fees into statutory fee schedule, modifies existing surcharges and extends the landowner preference program. The bill also authorizes the State Fish and Wildlife Commission to issue youth license to resident and nonresident persons 12 through 17 years of age. Declares emergency, effective on passage

The -2 amendment eliminates the proposed \$10 Ocean Endorsement, reduces proposed increases to daily angling licenses, reduces proposed increase to resident annual angling license, reduces proposed increases to hunting licenses and tags, and creates new one day shellfish license. In addition, the bill contemplates the legislative intent to roll back the third phase of the fee increase, if the Legislative Assembly approves an alternative source of funding equal or greater than the estimated revenue from the January 1, 2020 increases. The -2 amendment also clarifies that individuals qualify for a Pioneer License in the license year they turn 65 and establishes a single charge for duplicate licenses, tags, and permits rather than separate fees for replacing each individual document.

WHAT THE MEASURE DOES:

Incrementally increases or establishes certain fees related to hunting, angling and commercial fishing over six-year period, applicable January 1, 2016, January 1, 2018, and January 1, 2020. Consolidates fee provisions for certain hunting and angling fees into statutory fee schedule. Modifies existing surcharges. Extends landowner preference program. Authorizes State Fish and Wildlife Commission to issue youth license to resident and nonresident persons 12 through 17 years of age. Declares emergency, effective on passage.

ISSUES DISCUSSED:

EFFECT OF COMMITTEE AMENDMENT:

Replaces the fee schedule in the original bill and includes intent to repeal January 1, 2020 incremental increase if the Legislatively Assembly enacts alternative revenue sources equal or greater to the anticipated revenue from the third incremental increases of tags and fees in 2020.

BACKGROUND:

The Oregon Department of Fish and Wildlife (ODFW) receives funding from several sources. A third of ODFW's revenue comes from the sale of hunting and fishing licenses. Another third comes from the federal government – much of it tied to the sale of hunting and fishing equipment. The rest of the department funding comes from a variety of sources. Most of that funding can be used only for specific purposes spelled out in grants, contracts or statute. Six percent of ODFW's revenue comes from Oregon's general tax dollars and the lottery combined. During the 2013 - 2015 biennium, ODFW is staffing 25 district and field offices to provide customer service, operating 33 hatchery facilities and 15 fish-rearing facilities, and managing 16 wildlife areas with 1,262 full-time equivalent employees.
