

**General;**

**I do not have an opinion**

**I have not given you the courtesy of following previous testimony.**

- 1) What financial considerations will occur with this new designation.?**
- 2) Will there be state or federal exposure?**
- 3) Are there other options that would meet all party's goals?**
- 4) Are there options that would minimize the negative effect of a (fight) between both sides of the issue?**
- 5) is a civil union or other description acceptable to all parties?**
- 6) Does this bill open the door to legalize other types of relationships?**

**Respectfully**  
**Tim Cowan**
