

**HB 2230**

**Relating to communication between state agencies  
regarding members of uniformed services**

---

HB 2230 requires the Oregon Health Authority to notify the Oregon Department of Veterans' Affairs at least once a month with the names and addresses of uniform service members and veterans. The Oregon Health Authority must obtain the uniform service member's or veteran's authorization to release this information.

This additional information would allow the Oregon Department of Veterans' Affairs to increase its outreach efforts.
