<sup>1</sup> Policy is a modified version of the listed bill

Working Family: Technical clarifications and addition of compliance tools

IDA Contributions: Tax credit cap of \$7M placed in statute

UVDF: Extension reduced from 8 years to 6 years

Tax Havens: DOR authority to add jurisdictions is removed and clarification on criteria

<sup>2</sup> Modification to tax credit caps and solar thermal incentives have offsetting revenue impacts

<sup>3</sup> Current law, no change to sunset date

Ways & Means Co-Chairs Target: \$14.0

Difference: \$0.9

## Draft Purpose Statements

### **Working Family Child and Dependent Care**

To enable low-income working families to care for young children and disabled dependents by offsetting costs so that they may be gainfully employed or attend school full-time.

### **Individual Development Account Contributions**

As provided in ORS 458.675: To fund an asset based prosperity strategy for low-income Oregonians that promotes personal financial management, investment, and savings for key assets.

### **Individual Development Account Withdrawals**

To increase homeownership rates among low-income Oregonians by offsetting, in part, the transaction costs of purchasing a home.

### **Oregon Veterans' Home Physician**

To improve access to long-term, specialized residential care for veterans living in an Oregon Veterans' Home

### **Oregon Life and Health IGA Assessments**

To spread the cost of paying claims against insolvent life & health insurance companies to as broad a base as possible.

### **Severe Disability**

To provide financial relief and offset costs associated with a taxpayer's/spouse's disability.

### **Child with a Disability**

To provide financial relief and offset costs associated with a child's disability.

### **Rural Medical Providers**

To improve access to certain health care providers in rural areas.

### **Public University Venture Development Fund**

As provided in ORS 351.697(1): To facilitate the commercialization of university research & development

### **Office of Child Care Contributions**

To improve the quality of child care programs through education awards and quality improvement grants.

### **Film & Video**

To establish a sustainable infrastructure for this industry in Oregon for purposes of economic development
