

HB 2547

Relating to housing

HB 2547 establishes the 16-member Task Force on Housing with Services with the goal of increasing housing stability, improving access to health and social services, improving health outcomes, and reducing health care costs for Oregonians with special needs.

Housing with Services is intended to serve a population that includes seniors, families, and others with special needs, all living in subsidized housing and receiving wraparound services.

The task force is charged with seeking input from stakeholders in order to define consumer rights, set standards for licensure and registration, and to investigate the market demand for housing with services projects.

The Human Services Subcommittee recommends HB 2547 be amended by the -A5 amendment and be reported out do pass as amended.
