EFFECT OF COMMITTEE AMENDMENT:

BACKGROUND: In 2013, House Bill 3528 was adopted to exempt registered lobbyists from reporting to Oregon Government Ethics Commission (OGEC) moneys spent on lobbying another registered lobbyist. The exemption does not apply if person lobbied is legislative official, executive official, or member of state board or commission. The measure included a sunset clause of June 30, 2015.

ORS 171.725 (8) defines lobbying beyond legislative and executive officials, to include the solicitations of “other persons.” The statutory definition of lobbying, as applied by the OGEC, has three components: influencing or attempting to influence legislative action through oral or written communication with legislative officials; solicitation of executive officials or other persons to influence or attempt to influence legislative action; or attempting to obtain the goodwill of legislative officials. Under current statute (ORS 171.745(1)(a)), an individual would be required to report food, drink and entertainment expenses, if the individual approaches other persons with a request or plea to join them in influencing or attempting to influence legislative action.

House Bill 2058-A extends the exemption for registered lobbyists from reporting to OGEC moneys spent on lobbying another registered lobbyist through June 30, 2017.
