

SB 5527

Oregon Health Authority – fee bill

SB 5527 ratifies fee changes adopted administratively by the Oregon Health Authority and approved by the Department of Administrative Services during the 2013-15 interim. Fees were established or adjusted for the Radiation Protection program for radioactive materials licensing, and in the Public Health Laboratory for the addition of the Severe Combined Immunodeficiency test to the newborn screening panel fee. The Other Funds expenditure limitation of \$1.4 million related to these revenues is included in the budget for the Oregon Health Authority.

The Human Services Subcommittee recommends SB 5527 be reported out do pass.
