Dear Members of the Conference Committee on HB 2453,

I write today in frustration over a letter sent to Representative Witt by Liz Dent, State Forest Division chief (dated June 24, 2015). Despite Mr. Dent's lack of mention, the numbers currently contained in HB 2453-B (50 people and 4 hours) represent a compromise agreed to by the Department of Forestry and passed by the Senate Committee on Environment & Natural Resources. With that agreement, the bill moved forward instead of dying in committee.

I trust that the Conference Committee will honor the agreement reached in the Senate and pass HB 2453-B without changes.

Very truly,
