

HB 3402

Relating to highway speed

HB 3402 increases the speed limit for passenger vehicles and certain other vehicles on segments of:

- Interstate 84
- Highway 95
- Highway 20
- Highway 197
- Highway 198
- Highway 31
- Highway 78
- Highway 395
- Route 205
- Highway 26

The measure exempts portions of Highway 95, Highway 20, and Highway 197 that fall inside of city limits. Implementation of the bill will require a one-time expenditure of \$735,000 from the State Highway Fund to replace 370 speed limit signs on more than fifteen hundred miles of highway.

The Capital Construction Subcommittee recommends HB 3402 be amended by the -A11 amendment and be reported out do pass, as amended.
