

HB 3099

Relating to state information technology

HB 3099 transfers certain duties, functions, and powers related to enterprise information technology and telecommunications from the Department of Administrative Services to the State Chief Information Officer.

The Joint Committee on Ways and Means previously approved this bill, and it has passed the House.

The -B14 amendment resolves conflicts with HB 2294, SB 7, SB 80, and SB 515.

I recommend HB 3099 be amended by the -B14 conflict amendment and be reported out do pass, as amended.
