Measure Description:

Repeals unfunded higher education loan, scholarship and grant programs.

Government Unit(s) Affected:

Oregon Health Sciences University (OHSU), Higher Education Coordinating Commission

Analysis:

The proposed legislation has been determined to have
MINIMAL EXPENDITURE IMPACT
on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.

This measure does not require a subsequent referral to the Joint Committee on Ways and Means. Such consideration only becomes warranted when the cumulative fiscal impact of multiple measures of a similar nature begins to materially affect an agency’s budget and its ability to fulfill its statutory responsibilities.
