Revenue Area: School Finance
Economist: Dae Baek
Date: 3/18/2015

*Only Impacts on Original or Engrossed
Versions are Considered Official*

Measure Description: Appropriates for the 2015-17 biennium, a specified amount from the General Fund (GF) to the State School Fund (SSF), to be distributed to school districts for the purpose of developing plans to test elevated levels of radon for schools. Takes effect on passage.

Revenue Impact (in \$Millions): This bill does not change the total revenue available to be distributed based on the formula.

Impact Explanation: The GF appropriation to the SSF in this bill has a very specific purpose and is considered a carve-out. This money will be set aside from the SSF before calculating the total amount of revenue to be distributed based on the formula in the statutes.

Creates, Extends, or Expands Tax Expenditure: No
