Measure Description:

Establishes supervised clinical practice experience requirements for applicants for initial teaching license.

Government Unit(s) Affected:

Department of Education, School Districts, Teacher Standards and Practices Commission

Analysis:

The fiscal impact to agencies and school districts would occur beyond the two biennia scope of this fiscal impact. Such costs are estimated to be minimal. While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
