**EFFECT OF COMMITTEE AMENDMENT:**

No amendment.

**BACKGROUND:**

The Oregon State Capitol Foundation (OSCF), created under ORS 173.500, was established within the legislative department. OSCF works collaboratively to create a living history, enhance the dignity and beauty of the Capitol, and foster cultural and educational opportunities.

OSCF is comprised of between nine and 25 voting members, which includes three members from the Senate and three members from the House of Representatives. The remaining voting members are appointed by the Legislative Administration Committee (LAC).

The responsibilities of OSCF include making recommendations to LAC about renovations, repairs and additions to the Capitol; preserving the history of activities of state government that have occurred in the Capitol; enhancing and embellishing the Capitol in order to maintain the design and purpose of the building and adjacent areas; and soliciting and accepting gifts, grants and donations from public and private sources.

House Bill 2037 moves OSCF from being an entity within the legislative department to being its own nonprofit corporation on September 1, 2015.
