**The revenue impact of this measure is indeterminate for the following reasons:**

The number of cases where defendants must complete a drug treatment program or where criminal fines are likely to be waived is unknown. Moneys collected for these purposes are paid into the Criminal Fine Account (CFA). A portion of CFA revenues are used to fund a number of programs throughout the state, and the remainder is transferred to the General Fund. A reduction to the amount of monies collected into this account will have an impact on the funding available for state agency programs.
