Measure Description:

Amends tax credit for rural health care providers to include health care providers in nonrural medically underserved communities.

Government Unit(s) Affected:

Oregon Health Sciences University (OHSU), Department of Revenue(DOR), Oregon Health Authority (OHA)

Local Government Mandate:

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

Analysis:

This fiscal impact statement is for the purpose of transmitting House Bill 3245 from the House Committee on Health Care to the House Committee on Revenue.

The bill modifies tax credit for rural health care providers to include health care providers in non-rural medically-underserved communities.

The bill is anticipated to have a fiscal impact on the Oregon Health Sciences University (OHSU)* and the Oregon Health Authority (OHA). The amount of this impact is still being determined.

*Note that only a portion of OHSU agency’s budget is subject to Executive Branch review, or approval or modification by the Legislative Assembly. State funding is provided to OHSU for specific functions such as medical and nursing schools, Office of Rural Health, and the Poison Control Center.

A more complete fiscal analysis on the bill will be prepared as the measure is considered in the House Committee on Revenue.
