Measure Description:

Directs Department of Education to evaluate methods to improve effectiveness of public education for kindergarten through grade 12.

Government Unit(s) Affected:

Department of Education

Local Government Mandate:

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

Analysis:

This fiscal impact statement is for the purpose of transmitting the measure from the House Committee on Education to the Joint Committee on Ways and Means. The bill establishes the Connecting Education to Careers Account and directs the Department of Education to disburse moneys in the Account as follows: 35 percent for activities related to science, technology, engineering and mathematics education, and 65 percent for activities related to career and technical education that can lead to high wage and high demand jobs. This bill will have a fiscal impact; the amount of this impact is still being determined. A more complete fiscal analysis on the bill will be prepared as the measure is considered in the Joint Committee on Ways and Means.
