BACKGROUND:

The minimum wage is the lowest hourly wage a non-exempt employee may be paid by an employer. In 1938, Congress set the first national minimum wage at 25 cents an hour. Currently, the federal minimum wage is \$7.25 an hour. In 2002, Oregon voters enacted Measure 25, setting the Oregon minimum wage at \$6.90 an hour and directing the Bureau of Labor and Industries to annually adjust the Oregon minimum wage for inflation, as determined by the annual change in the U.S. Department of Labor's Consumer Price Index. Currently, the Oregon minimum wage is \$9.25 an hour.

House Bill 2009 raises the minimum wage in graduated steps to \$15.00 by 2018 and adjusts it annually for inflation in years thereafter.
