**Measure Description:**

Provides that City of Damascus shall surrender its charter, disincorporate and cease to exist.

**Revenue Impact (in \$Millions):**

No Revenue Impact, See Below

**Impact Explanation:**

The measure would refer the question to voters of whether to eliminate the City of Damascus as an entity and a taxing district. The measure itself has no revenue impact, because it only refers the question to voters. The disincorporation of the city by voters would result in an annual loss of around \$3.2 million, which is the property tax revenue that came from the permanent rate that the City of Damascus levied on taxpayers in the district.
