## **Summary of Public Safety Subcommittee Action**

### **Public University Statewide Programs – 025**

House Bill 2002 requires law enforcement agencies to have written policies and procedures prohibiting profiling by January 1, 2016. The measure requires that law enforcement agencies provide copies of profiling complaints to the Law Enforcement Contacts Policy and Data Review Committee (LECC), established in ORS 131.906. The LECC is directed to receive complaints from the public and law enforcement agencies, and forward any profiling complaints from the public to the appropriate law enforcement agency.

The Subcommittee approved \$250,431 General Fund for the Higher Education Coordinating Commission, public university statewide programs. The funding will be used for the Criminal Justice Policy Research Institute at Portland State University to support the LECC in carrying out the provisions of House Bill 2002.

The funding in House Bill 2002 is for the LECC to conduct the duties of House Bill 2002, plus provide training and research capacity similar to prior biennia. The funding supports one full-time project manager, one part-time faculty, and one graduate student. Additionally, the funding includes establishing a training curriculum for law enforcement for both in-person and online training, as well as a state-wide mailed survey of public perceptions.
