House

Yeas: 12 - Buckley, Gomberg, Huffman, Komp, McLane, Nathanson, Rayfield, Read, Smith, Whisnant, Whitsett, Williamson

Prepared By: Sean McSpaden, Budget Analyst**WHAT THE MEASURE DOES:**

Provides that State Chief Information Officer (CIO) is the primary advisor to the Governor on information technology (IT) and telecommunications. Provides that State CIO duties are specified by the Governor. Transfers authority for IT and telecommunications policy, including planning, rulemaking, standard setting, and oversight from Department of Administrative Services (DAS) to State CIO. Retains DAS authority and responsibility for statewide IT and telecommunications operations and services but requires those operations and services to be provided in a manner consistent with the rules, policies and standards adopted by the State CIO. Retains DAS authority for IT procurement. Provides authority for State CIO to review IT solicitation documents and all IT procurements over \$1 million, and to direct state agencies to include State CIO as contracting party on behalf of state. Provides authority for State CIO to approve, modify or stop IT projects and approve, suspend or cancel IT contracts over \$1 million.

ISSUES DISCUSSED:

- Effects of the recommended amendment
- Fiscal impact statement

EFFECT OF COMMITTEE AMENDMENT:

Resolves conflicts.

BACKGROUND:

DAS oversees state agency implementation of the policy and financial decisions made by the Governor and the Oregon Legislature and supports other state agencies by providing a variety of centralized and shared services, including human resources, accounting, procurement, information technology and telecommunications, printing, leasing property and administering the state government motor pool. Statewide policy and service delivery functions relating to information technology, geographic information systems, information security and telecommunications are currently housed within DAS, with limited authority and responsibility for planning, policy, rulemaking and oversight given to the State CIO via delegation from the DAS Director or by the Legislative Assembly in House Bill 3258 (2013). Under current law (ORS 291.039), the State CIO is appointed by the Governor and the Office of the State CIO is housed within DAS.
