32 For the purpose of the calculation made under this subsection:

33 (a) The funding percentage shall be calculated by the Superintendent of Public Instruction to
34 distribute as nearly as practicable the total sum of money available for distribution.

35 (b) Target Grant = Statewide Target per ADMw Grant + Teacher Experience Factor. For the

44 public charter school is located in the school district. For the purpose of this paragraph:

45 (A) Weighted average daily membership or ADMw = average daily membership + an additional

1 amount computed as follows:

2 (i) 1.0 for each student in average daily membership eligible for special education as a child with
3 a disability under ORS 343.035, which may not exceed 11 percent of the district's ADM without re-

5 education in adult local correctional facilities, as defined in ORS 169.005, or adult regional
6 correctional facilities, as defined in ORS 169.620, may not be included in the calculation made under
7 this sub-subparagraph.

8 (ii) 0.5 for each student in average daily membership eligible for and enrolled in an English as
9 a second language program under ORS 336.079.

10 (iii) 0.2 for each student in average daily membership enrolled in a union high school district
11 or in an area of a unified school district where the district is only responsible for educating students
12 in grades 9 through 12 in that area.

13 (iv) -0.1 for each student in average daily membership enrolled in an elementary district oper-
14 ating kindergarten through grade six or kindergarten through grade eight or in an area of a unified
15 school district where the district is only responsible for educating students in kindergarten through
16 grade eight.

17 (v) 0.25 times the sum of the following:

18 (I) The number of students who are in average daily membership and who are also in poverty
19 families, as determined by the Department of Education based on rules adopted by the State Board
20 of Education that incorporate poverty data published by the United States Census Bureau, student
21 data provided by school districts and other data identified by the board;

22 (II) The number of children in foster homes in the district as determined by the report of the
23 Department of Human Services to the United States Department of Education, "Annual Statistical
24 Report on Children in Foster Homes and Children in Families Receiving AFDC Payments in Excess
25 of the Poverty Income Level," or its successor, for October 31 of the year prior to the year of dis-
26 tribution; and

27 (III) The number of children in the district in state-recognized facilities for neglected and de-
28 linquent children, based on information from the Department of Human Services for October 31 of
29 the year prior to the year of distribution.

30 (vi) The amount determined under ORS 327.077 for each remote small elementary school and for
31 each small high school in the district.

32 (B) All numbers of children used for the computation in this paragraph must reflect any district
33 consolidations that have occurred since the numbers were compiled.

34 (C) The total additional weight that shall be assigned to any student in average daily member-
35 ship in a district, exclusive of students described in subparagraph (A)(v) and (vi) of this paragraph,
36 may not exceed 2.0.

37 (2) High cost disabilities grant = the total amount received by a school district under ORS
38 327.348 for providing special education and related services to resident pupils with disabilities.

39 (3)(a) Transportation grant equals:

40 (A) 70 percent of approved transportation costs for those school districts ranked below the 80th
41 percentile under paragraph (b) of this subsection.

42 (B) 80 percent of approved transportation costs for those school districts ranked in or above the
43 80th percentile but below the 90th percentile under paragraph (b) of this subsection.

44 (C) 90 percent of approved transportation costs for those school districts ranked in or above the
45 90th percentile under paragraph (b) of this subsection.

1 (b) Each fiscal year, the Department of Education shall rank school districts based on the ap-
2 proved transportation costs per ADM of each school district, ranking the school district with the
3 highest approved transportation costs per ADM at the top of the order.

4 (4)(a) Facility Grant = 8 percent of total construction costs of new school buildings.

5 (b) A school district shall receive a Facility Grant in the distribution year that a new school
6 building is first used.

7 (c) As used in this subsection:

10 are to be used for instructing students.

11 (B) "Construction costs" does not include costs for land acquisition.

15 nationally normed assessment, in collaboration with the department, to all students in grade 10 who

18 (2) The department shall base the selection of the contractor under subsection (1) of this section
19 on all of the following criteria:

20 (a) The contractor must be able to provide to the department statewide data containing the re-

35 a contract with a different nonprofit entity for the purpose of administering a nationally normed
36 assessment to all students in grade 10 who are enrolled in the public schools operated by the dis-

39 administer a grade 10 assessment;

40 (B) The entity, in coordination with the district, administered a grade 10 assessment during the
41 2007-2008 school year;
