15 **“Sec. 11.** (1) For the biennium beginning July 1, 2013, at the request of the Oregon Department
16 of Administrative Services, in consultation with the Department of Transportation, the State Treas-
17 urer is authorized to issue lottery bonds pursuant to ORS 286A.560 to 286A.585 in an amount that
18 produces \$42 million in net proceeds and interest earnings for the purpose described in subsection
19 (2) of this section, plus an additional amount estimated by the State Treasurer to be necessary to
20 pay bond-related costs.

21 “(2) Net proceeds of lottery bonds issued pursuant to this section and interest earnings must be
22 transferred to the Department of Transportation for deposit in the [*Multimodal Transportation*]
23 **Connect Oregon** Fund established under ORS 367.080 in an amount sufficient to provide \$42 million

26 “(3) Bond-related costs for the lottery bonds authorized by this section must be paid from the

28 “(4) The Legislative Assembly finds that issuing lottery bonds to finance transportation projects
29 pursuant to this section is essential to promoting the state’s economic development and the use of
30 lottery bond proceeds is authorized based on the following findings:

31 “(a) There is an urgent need to improve and expand publicly owned and privately owned trans-
32 portation infrastructure to support economic development in this state.

33 “(b) A safe, efficient and reliable transportation network supports the long-term economic de-
34 velopment and livability of this state.

35 “(c) A multimodal network of air, rail, public transit, highway and marine transportation moves
36 people and goods efficiently.

37 “(d) Local governments and private sector businesses often lack capital and the technical ca-
38 pacity to undertake multimodal transportation projects.

41 “(f) Public investment in transportation infrastructure will create jobs and further economic
42 development in this state.

43 “(g) The use of lottery bond proceeds as provided in this section will create jobs, further eco-
44 nomic development, finance public education or restore and protect parks, beaches, watersheds, and
45 native fish and wildlife within Oregon, and issuance of lottery bonds for the purpose described in

1 this section is therefore an appropriate use of state lottery funds under Article XV, section 4, of the
2 Oregon Constitution, and ORS 461.510.
