37 **SECTION 4.** ORS 367.086 is amended to read:

38 367.086. (1) The Department of Transportation, in cooperation with the Oregon Department of

 41 Department of Aviation may use moneys from the [*Multimodal Transportation*] **Connect Oregon**
 42 Fund to pay administrative costs incurred by the Oregon Department of Aviation in carrying out the
 43 provisions of ORS 367.080 to 367.086.

44 (2) Except as provided in subsection (1) of this section, the Department of Transportation shall
 45 administer all transportation projects that are selected under ORS 367.084. The Department of

1 Transportation may use moneys from the [*Multimodal Transportation*] **Connect Oregon** Fund to pay
 2 administrative costs incurred by the Department of Transportation in carrying out the provisions
 3 of ORS 367.080 to 367.086.

4 **SECTION 5.** Section 11, chapter 786, Oregon Laws 2013, is amended to read:

5 **Sec. 11.** (1) For the biennium beginning July 1, 2013, at the request of the Oregon Department
 6 of Administrative Services, in consultation with the Department of Transportation, the State Treas-
 7 urer is authorized to issue lottery bonds pursuant to ORS 286A.560 to 286A.585 in an amount that
 8 produces \$42 million in net proceeds and interest earnings for the purpose described in subsection
 9 (2) of this section, plus an additional amount estimated by the State Treasurer to be necessary to
 10 pay bond-related costs.

11 (2) Net proceeds of lottery bonds issued pursuant to this section and interest earnings must be
 12 transferred to the Department of Transportation for deposit in the [*Multimodal Transportation*]
 13 **Connect Oregon** Fund established under ORS 367.080 in an amount sufficient to provide \$42 million
 14 for the department to finance grants and loans for transportation projects as provided in ORS
 15 367.080 to 367.086.

16 (3) Bond-related costs for the lottery bonds authorized by this section must be paid from the
 17 gross proceeds of the lottery bonds and from allocations for the purposes of ORS 286A.576 (1)(c).

18 (4) The Legislative Assembly finds that issuing lottery bonds to finance transportation projects
 19 pursuant to this section is essential to promoting the state's economic development and the use of
 20 lottery bond proceeds is authorized based on the following findings:

21 (a) There is an urgent need to improve and expand publicly owned and privately owned trans-
 22 portation infrastructure to support economic development in this state.

23 (b) A safe, efficient and reliable transportation network supports the long-term economic devel-
 24 opment and livability of this state.

25 (c) A multimodal network of air, rail, public transit, highway and marine transportation moves
 26 people and goods efficiently.

27 (d) Local governments and private sector businesses often lack capital and the technical ca-
 28 pacity to undertake multimodal transportation projects.

29 (e) Public financial assistance can stimulate industrial growth and commercial enterprise and
 30 promote employment opportunities in this state.

31 (f) Public investment in transportation infrastructure will create jobs and further economic de-
 32 velopment in this state.

33 (g) The use of lottery bond proceeds as provided in this section will create jobs, further eco-
 34 nomic development, finance public education or restore and protect parks, beaches, watersheds, and
 35 native fish and wildlife within Oregon, and issuance of lottery bonds for the purpose described in
 36 this section is therefore an appropriate use of state lottery funds under Article XV, section 4, of the
 37 Oregon Constitution, and ORS 461.510.

38 **SECTION 6.** ORS 824.237 is amended to read:

39 824.237. (1) Notwithstanding ORS 367.082, a railroad company may not receive, directly or indi-
 40 rectly, a grant or loan of moneys from the [*Multimodal Transportation*] **Connect Oregon** Fund es-
 41 tablished in ORS 367.080 if the railroad company charges a landowner for an easement to cross a
 42 railroad that is necessary for the landowner to access the landowner's property.

43 (2)(a) This section applies only to a railroad company that operates a railroad located wholly
 44 within the boundaries of Benton and Linn Counties.

45 (b) The provisions of this section do not apply to a railroad company that was imposing and

1 collecting the charge before January 1, 2013.

2 (3) Rules adopted by the Department of Transportation under ORS 367.082 relating to applica-
3 tions for grants or loans of moneys from the [*Multimodal Transportation*] **Connect Oregon** Fund
4 must provide for notice to applicants of the restrictions imposed by this section.

5 (4) If the department determines that a railroad company has charged a landowner for an ease-
6 ment in violation of this section, the department may not thereafter make any further grants or
7 loans of moneys from the [*Multimodal Transportation*] **Connect Oregon** Fund that would benefit the
8 railroad company.

9 **SECTION 7. The Connect Oregon Fund is a continuation of the Multimodal Transporta-**
10 **tion Fund established by ORS 367.080. Moneys contained in the Multimodal Transportation**
11 **Fund on the effective date of this 2015 Act are considered to be moneys in the Connect**
12 **Oregon Fund.**
