2 (2) The department shall work with other agencies and organizations to attempt to improve the
3 issuance system for identification cards.

4 (3) Every original application for an identification card must be signed by the applicant. The
5 department shall require [*at least one document*] **proof** to verify the address of an applicant for is-

7 applicant. If the address of an applicant has changed since the last time an identification card was

15 form of an original document or a copy of a document, use an electronic device to display
16 proof of address, or provide proof through the use of a third party address verification sys-
17 tem.**

18 (4) Every identification card shall be issued upon the standard license form described under ORS
19 807.110 and shall bear a statement to the effect that the identification card is not a license or any
20 other grant of driving privileges to operate a motor vehicle and is to be used for identification
21 purposes only. The department shall use the same security procedures, processes, materials and
22 features for an identification card as are required for a license under ORS 807.110. The identification
23 card is not required to contain the residence address of persons listed in ORS 807.110 (1)(e).

24 (5) If the identification card is a limited term identification card issued under ORS 807.730, the
25 limited term identification card shall indicate:

- 26 (a) That it is a limited term identification card; and
- 27 (b) The date on which the limited term identification card expires.

28 (6) Upon order of the juvenile court, the department shall include on the card the fact that the
29 person issued the identification card is an emancipated minor.

30 (7) Upon request of the person to whom the identification card is issued and presentation of
31 proof, as determined by the department **by rule**, that the person is a veteran, as defined in ORS
32 408.225, the department shall include on the card the fact that the person is a veteran.

33 (8) Each original identification card shall expire on a date consistent with the expiration dates
34 of licenses as set forth in ORS 807.130.

35 (9) Identification cards shall be renewed under the terms for renewal of licenses as set forth in
36 ORS 807.150.

37 (10) The fee for an original identification card or a renewal thereof shall be the fee established
38 under ORS 807.410.

39 (11) An identification card becomes invalid if the holder of the card changes the holder's resi-
40 dence address from that shown on the identification card and does not provide the department with
41 notice of the change as required under ORS 807.420.

42 (12) If a person to whom an identification card was issued and who changes the person's resi-
43 dence address appears in person at a department office that issues identification cards, the depart-
44 ment may do any of the following:

- 45 (a) Issue a replacement identification card containing the new address upon receipt of the old

1 identification card and payment of the fee established for issuing a replacement identification card
2 with a changed address under ORS 807.410. Except as otherwise provided in subsection (14) of this
3 section, the replacement identification card shall bear the same distinguishing number as the card
4 being replaced.

5 (b) Note the new address on the old identification card in a manner to be determined by the
6 department by rule.

7 (13) An identification card becomes invalid if the holder of the card changes the holder's name
8 from that shown on the card, including a change of name by marriage, without providing the de-
9 partment with notice of the change as required under ORS 807.420. Upon receiving such notice and
10 the old identification card, the department shall issue a replacement identification card upon pay-
11 ment of the fee required under ORS 807.410.

12 (14) In the event that, for a reason identified by the department by rule, a person needs a re-
13 placement identification card that bears a distinguishing number different from the number on the
14 card being replaced, the person to whom the card was issued may obtain a replacement card from
15 the department upon furnishing proof satisfactory to the department of the need for such replace-
16 ment and payment of the replacement fee under ORS 807.410.

17 (15) If a person furnishes proof that the person is a veteran, as defined in ORS 408.225, and the
18 person's identification card does not include the fact that the person is a veteran, the department
19 shall issue a replacement identification card that includes the fact that the person is a veteran.

20 (16) The department may establish by rule reasons for issuing replacement identification cards
21 that are in addition to the reasons identified in subsections (12) to (15) of this section. The fee for
22 a replacement identification card is provided under ORS 807.410.

23 (17) Upon cancellation of an identification card, the card is terminated and must be surrendered
24 to the department. An identification card may be canceled for any of the reasons that driving priv-
25 ileges or a driver license may be canceled under ORS 809.310. The department may reissue an
26 identification card canceled under this subsection when the applicant has satisfied all requirements
27 for the identification card.

28 (18) Notwithstanding any other provision of this section, the department may issue an identifi-
29 cation card to a person under this subsection without charge when the person surrenders the
30 person's driver license or driver permit to the department for reasons described in this subsection.
31 If the department issues an identification card under this subsection, the identification card shall
32 expire at the same time as the surrendered driver license or driver permit would have expired. An
33 identification card issued under this subsection is subject to the same requirements and fees for
34 renewal or upon expiration as any other identification card issued under this section. The depart-
35 ment may issue identification cards under this subsection for any of the following reasons:

36 (a) The person voluntarily surrenders the person's driver license or driver permit to the de-
37 partment based upon the person's recognition that the person is no longer competent to drive.

38 (b) The person's driving privileges are suspended under ORS 809.419 (1). This paragraph only
39 applies if the person voluntarily surrenders the person's driver license or driver permit to the de-
40 partment as provided under ORS 809.500.

19 (6) The department by rule may establish other circumstances under which a farm endorsement
