44 dwelling not in conjunction with farm use may be sited on high-value farmland if:

45 (A) It meets the other requirements of ORS 215.705 to 215.750;

1 (B) The lot or parcel is protected as high-value farmland as described under ORS 215.710 (1);
2 and

3 (C) A hearings officer of a county determines that:

7 (ii) The dwelling will comply with the provisions of ORS 215.296 (1).

8 (iii) The dwelling will not materially alter the stability of the overall land use pattern in the

29 mile of the center of the subject tract and on the same side of the public road that provides access
30 to the subject tract. The governing body of a county must interpret the center of the subject tract
31 as the geographic center of the flaglot if the applicant makes a written request for that interpreta-
32 tion and that interpretation does not cause the center to be located outside the flaglot. Up to two
33 of the four dwellings may lie within the urban growth boundary, but only if the subject tract abuts
34 an urban growth boundary. As used in this subparagraph:

40 (4) If land is in a zone that allows both farm and forest uses, is acknowledged to be in compli-
41 ance with goals relating to both agriculture and forestry and may qualify as an exclusive farm use
42 zone under this chapter, the county may apply the standards for siting a dwelling under either
43 subsection (1)(d) of this section or ORS 215.720, 215.740 and 215.750 as appropriate for the predom-
44 inant use of the tract on January 1, 1993.

45 (5) A county may, by application of criteria adopted by ordinance, deny approval of a dwelling

1 allowed under this section in any area where the county determines that approval of the dwelling
2 would:

3 (a) Exceed the facilities and service capabilities of the area;

4 (b) Materially alter the stability of the overall land use pattern in the area; or

5 (c) Create conditions or circumstances that the county determines would be contrary to the
6 purposes or intent of its acknowledged comprehensive plan or land use regulations.

7 (6) For purposes of subsection (1)(a) of this section, “owner” includes the [*wife, husband*]
8 **spouses in a marriage**, son, daughter, [*mother, father,*] **parent**, brother, brother-in-law, sister,

10 niece, nephew, stepparent, stepchild, grandparent or grandchild of the owner or a business entity
11 owned by any one or combination of these family members.

15 (2) A taxpayer shall be allowed a credit against the taxes otherwise due under ORS chapter 316
16 for amounts contributed during the tax year to the Trust for Cultural Development Account estab-
17 lished under ORS 359.405.

18 (3) A taxpayer that is a corporation shall be allowed a credit against the taxes otherwise due
19 under ORS chapter 317 or 318 for amounts contributed during the tax year to the Trust for Cultural
20 Development Account established under ORS 359.405.

21 (4) The credit is allowable under this section only to the extent the taxpayer has contributed
22 an equal amount to an Oregon cultural organization during the tax year.

23 (5) The amount of the credit shall equal 100 percent of the amount contributed to the Trust for
24 Cultural Development Account, but may not exceed the lesser of the tax liability of the:

25 (a) Taxpayer under ORS chapter 316 for the tax year or \$500.

26 (b) Taxpayer that is a corporation under ORS chapter 317 or 318 for the tax year or \$2,500.

27 (6) The credit allowed under this section may not be carried over to another tax year.

28 (7) The credit allowed under this section is in addition to any charitable contribution deduction
29 allowable to the taxpayer.

30 (8) In the case of a credit allowed under this section for purposes of ORS chapter 316:

31 (a) A nonresident shall be allowed the credit under this section in the proportion provided in
32 ORS 316.117.

33 (b) If a change in the status of a taxpayer from resident to nonresident or from nonresident to
34 resident occurs, the credit allowed under this section shall be determined in a manner consistent
35 with ORS 316.117.

36 (c) [A *husband and wife*] **Spouses in a marriage** who file separate returns for a taxable year
37 may each claim a share of the tax credit that would have been allowed on a joint return in pro-
38 portion to the contribution of each.

39 (d) If a change in the taxable year of a taxpayer occurs as described in ORS 314.085, or if the
40 Department of Revenue terminates the taxpayer's taxable year under ORS 314.440, the credit al-
41 lowed under this section shall be prorated or computed in a manner consistent with ORS 314.085.

42 **SECTION 40.** ORS 316.042 is amended to read:

43 316.042. In the case of a joint return of [*husband and wife*] **spouses in a marriage**, pursuant
44 to ORS 316.122 or pursuant to ORS 316.367, the tax imposed by ORS 316.037 shall be twice the tax
45 which would be imposed if the taxable income were cut in half. For purposes of this section, a return

1 of a head of household or a surviving spouse, as defined in subsections (a) and (b) of section 2 of the
2 Internal Revenue Code, shall be treated as a joint return of [*husband and wife*] **spouses in a mar-**
3 **riage.**

4 **SECTION 41.** ORS 316.116 is amended to read:

5 316.116. (1)(a) A resident individual shall be allowed a credit against the taxes otherwise due
6 under this chapter for costs paid or incurred for construction or installation of each of one or more
7 alternative energy devices in a dwelling.

8 (b) A resident individual shall be allowed a credit against the taxes otherwise due under this
9 chapter for costs paid or incurred to modify or purchase an alternative fuel vehicle or related
10 equipment.

11 (c) A credit against the taxes otherwise due under this chapter is not allowed for an alternative
12 energy device that does not meet or exceed all applicable federal, state and local requirements for
13 energy efficiency, including equipment codes, the state building code, specialty codes and any other
14 standards.

15 (2)(a) In the case of a category one alternative energy device that is not an alternative fuel
16 device, the credit shall be based upon the first year energy yield of the alternative energy device
17 that qualifies under ORS 469B.100 to 469B.118. The amount of the credit shall be the same whether
18 for collective or noncollective investment.

19 (b) The credit allowed under this section for each category one alternative energy device for
20 each dwelling may not exceed the lesser of \$1,500 or the first year energy yield in kilowatt hours
21 per year multiplied by 60 cents per dwelling utilizing the alternative energy device used for space
22 heating, cooling, electrical energy or domestic water heating for tax years beginning on or after
23 January 1, 1998.

24 (c) For each category one alternative energy device used for swimming pool, spa or hot tub
25 heating, the credit allowed under this section shall be based upon 50 percent of the cost of the de-
26 vice or the first year's energy yield in kilowatt hours per year multiplied by 15 cents, whichever is
27 lower, up to \$1,500 for tax years beginning on or after January 1, 1998.

28 (d) For each alternative fuel device, the credit allowed under this section is 25 percent of the
29 cost of the alternative fuel device but the total credit shall not exceed \$750 if the device is placed
30 in service on or after January 1, 1998.

31 (e)(A) For each category two alternative energy device that is a solar electric system or fuel
32 cell system, the credit allowed under this section may not exceed the lesser of \$3 per watt of in-
33 stalled output or \$6,000. The State Department of Energy may by rule provide for a lesser amount
34 of incentive as market conditions warrant, taking into consideration factors including the availabil-
35 ity of bulk purchasing of alternative energy devices.

36 (B) For each category two alternative energy device that is a wind electric system, the credit
37 allowed under this section may not exceed the lesser of \$6,000 or the first year energy yield in
38 kilowatt hours per year multiplied by \$2.

39 (C) Notwithstanding subparagraph (A) or (B) of this paragraph, the total amount of the credits
40 allowed in any one tax year may not exceed the tax liability of the taxpayer or \$1,500 for each al-
41 ternative energy device, whichever is less. Unused credit amounts may be carried forward as pro-
42 vided in subsection (6) of this section, but may not be carried forward to a tax year that is more
43 than five tax years following the first tax year for which any credit was allowed with respect to the
44 category two alternative energy device that is the basis for the credit.

45 (D) Notwithstanding subparagraph (A) or (B) of this paragraph, the total amount of the credit

1 for each device allowed under this paragraph may not exceed 50 percent of the total installed cost
2 of the category two alternative energy device.

3 (3) To qualify for a credit under this section, all of the following are required:

4 (a) The alternative energy device must be purchased, constructed, installed and operated in ac-
5 cordance with ORS 469B.100 to 469B.118 and a certificate issued thereunder.

6 (b) The taxpayer who is allowed the credit must be the owner or contract purchaser of the
7 dwelling or dwellings served by the alternative energy device or the tenant of the owner or of the
8 contract purchaser and must:

9 (A) Use the dwelling or dwellings served by the alternative energy device as a principal or
10 secondary residence; or

11 (B) Rent or lease, under a residential rental agreement, the dwelling or dwellings to a tenant
12 who uses the dwelling or dwellings as a principal or secondary residence.

13 (c) In the case of an alternative fuel device, unless the verification form and certificate are
14 transferred as authorized under ORS 469B.106 (9), the taxpayer who is allowed the credit must be
15 the contractor who constructs the dwelling that incorporates the alternative fuel device into the
16 dwelling or installs the fueling station in the dwelling.

17 (d) The credit must be claimed for the tax year in which the alternative energy device was
18 purchased if the device is operational by April 1 of the next following tax year.

19 (e) If the alternative fuel vehicle is a gasoline-electric hybrid vehicle not designed for electric
20 plug-in charging, it must be purchased before January 1, 2010.

21 (4) The credit provided by this section does not affect the computation of basis under this
22 chapter.

23 (5) The total credits allowed under this section in any one year may not exceed the tax liability
24 of the taxpayer.

25 (6) Any tax credit otherwise allowable under this section that is not used by the taxpayer in a
26 particular year may be carried forward and offset against the taxpayer's tax liability for the next
27 succeeding tax year. Any credit remaining unused in the next succeeding tax year may be carried
28 forward and used in the second succeeding tax year, and likewise any credit not used in that second
29 succeeding tax year may be carried forward and used in the third succeeding tax year, and any
30 credit not used in that third succeeding tax year may be carried forward and used in the fourth
31 succeeding tax year, and any credit not used in that fourth succeeding tax year may be carried
32 forward and used in the fifth succeeding tax year, but may not be carried forward for any tax year
33 thereafter.

34 (7) A nonresident shall be allowed the credit under this section in the proportion provided in
35 ORS 316.117.

36 (8) If a change in the taxable year of a taxpayer occurs as described in ORS 314.085, or if the
37 Department of Revenue terminates the taxpayer's taxable year under ORS 314.440, the credit al-
38 lowed by this section shall be prorated or computed in a manner consistent with ORS 314.085.

39 (9) If a change in the status of a taxpayer from resident to nonresident or from nonresident to
40 resident occurs, the credit allowed by this section shall be determined in a manner consistent with
41 ORS 316.117.

42 (10) *[A husband and wife]* **Spouses in a marriage** who file separate returns for a taxable year
43 may each claim a share of the tax credit that would have been allowed on a joint return in pro-
44 portion to the contribution of each. However, a *[husband or wife]* **spouse** living in a separate prin-
45 cipal residence may claim the tax credit in the same amount as permitted a single person.

1 (11) As used in this section, unless the context requires otherwise:

2 (a) "Collective investment" means an investment by two or more taxpayers for the acquisition,
3 construction and installation of an alternative energy device for one or more dwellings.

4 (b) "Noncollective investment" means an investment by an individual taxpayer for the acqui-
5 sition, construction and installation of an alternative energy device for one or more dwellings.

6 (c) "Taxpayer" includes a transferee of a verification form under ORS 469B.106 (9).

7 (12) Notwithstanding any provision of subsection (1) or (2) of this section, the sum of the credit
8 allowed under subsection (1) of this section plus any similar credit allowed for federal income tax
9 purposes may not exceed the cost for the acquisition, construction and installation of the alternative
10 energy device.

11 **SECTION 42.** ORS 316.122 is amended to read:

12 316.122. (1) If the federal taxable income of [*husband and wife*] **spouses in a marriage** (one
13 being a part-year resident and the other a nonresident) is determined on a joint federal return, their
14 taxable income in this state shall be separately determined, unless they elect to file a joint return,
15 in which case their tax on their joint income shall be determined in this state pursuant to ORS
16 316.037 (3).

17 (2) If the federal taxable income of [*husband and wife*] **spouses in a marriage** (one being a
18 full-year resident and the other a part-year resident) is determined on a joint federal return, their
19 taxable income in this state shall be separately determined, unless they elect to file a joint return,
20 in which case their tax on their joint income shall be determined in this state pursuant to ORS
21 316.037 (2).

22 (3) If the federal taxable income of [*husband and wife*] **spouses in a marriage** (one being a
23 full-year resident and the other a nonresident) is determined on a joint federal return, their taxable
24 income in the state shall be separately determined, unless they elect to file a joint return, in which
25 case their tax on their joint income shall be determined in this state pursuant to ORS 316.037 (3).

26 (4) For purposes of computing the tax of [*a husband and wife*] **spouses** under this section, if one
27 of the spouses is a full-year resident individual, then as used in ORS 316.037 (2) or (3), that spouse's
28 taxable income derived from Oregon sources is that spouse's entire federal taxable income, defined
29 in the laws of the United States, with the modifications, additions and subtractions provided in this
30 chapter and other laws of this state applicable to personal income taxation.

31 (5) The provisions of ORS 316.367 with respect to joint returns apply if both [*husband and*
32 *wife*] **spouses** are part-year residents or full-year nonresidents.

33 **SECTION 43.** ORS 316.367 is amended to read:

34 316.367. [*A husband and wife*] **Spouses in a marriage** may make a joint return with respect to
35 the tax imposed by this chapter even though one of the spouses has neither gross income nor de-
36 ductions, except that:

37 (1) No joint return shall be made under this chapter if the spouses are not permitted to file a
38 joint federal income tax return;

39 (2) If the federal income tax liability of either spouse is determined on a separate federal return,
40 their income tax liabilities under this chapter shall be determined on separate returns;

41 (3) If the federal income tax liabilities of [*husband and wife*] **the spouses** are determined on a
42 joint federal return, they shall file a joint return under this chapter and their tax liabilities shall
43 be joint and several; and

44 (4) If neither spouse is required to file a federal income tax return and either or both are re-
45 quired to file an income tax return under this chapter, they may elect to file separate or joint re-

1 turns and pursuant to such election their liabilities shall be separate or joint and several.

2 **SECTION 44.** ORS 316.567 is amended to read:

3 316.567. (1) Except as provided in subsection (2) of this section, [*a husband and wife*] **spouses**
4 **in a marriage** may make a single declaration jointly under ORS 316.557 to 316.589. The liability of
5 the [*husband and wife*] **spouses** making such a declaration shall be joint and several.

6 (2) [*A husband and wife*] **Spouses** may not make a joint declaration:

7 (a) If either [*the husband or the wife*] **spouse** is a nonresident alien;

8 (b) If [*they*] **the spouses** are separated under a judgment of divorce or of separate maintenance;

9 or

10 (c) If [*they*] **the spouses** have different taxable years.

11 (3) If [*a husband and wife*] **spouses** make a joint declaration but not a joint return for the tax-
12 able year, the [*husband and wife*] **spouses** may, in such manner as they may agree, and after giving
13 notice of the agreement to the Department of Revenue:

14 (a) Treat the estimated tax for the year as the estimated tax of either [*the husband or of the*
15 *wife*] **spouse**; or

16 (b) Divide the estimated tax between them.

17 (4) If [*a husband and wife*] **the spouses** fail to agree, or fail to notify the department of the
18 manner in which they agree, to the treatment of estimated tax for a taxable year for which they
19 make a joint declaration but not a joint return, the payments shall be allocated between them ac-
20 cording to rules adopted by the department. Notwithstanding ORS 314.835, 314.840 or 314.991, the
21 department may disclose to either [*the husband or the wife*] **spouse** the information upon which an
22 allocation of estimated tax was made under this section.

23 **SECTION 45.** ORS 316.690 is amended to read:

24 316.690. (1) Subject to subsection (2) of this section, in addition to other modifications provided
25 in this chapter, and if a taxpayer elects to take foreign income taxes imposed for the taxable year
26 by a foreign country as a credit on the federal income tax return or does not itemize personal de-
27 ductions on the federal income tax return, there shall be subtracted from federal taxable income in
28 the computation of state taxable income the amount of foreign income taxes imposed for the taxable
29 year by a foreign country.

30 (2) The deduction for foreign country income taxes provided by this section shall be limited as
31 follows:

32 (a) Except as provided in paragraph (b) of this subsection, the sum of foreign country income
33 taxes deducted in computing state taxable income and the modification for federal income taxes
34 authorized by ORS 316.680 (1)(b) as limited by ORS 316.695 (3) shall not exceed \$3,000.

35 (b) In the case of [*a husband and wife*] **spouses in a marriage** filing separate tax returns, the
36 sum described in paragraph (a) of this subsection shall be limited to \$1,500.

37 **SECTION 46.** ORS 316.695 is amended to read:

38 316.695. (1) In addition to the modifications to federal taxable income contained in this chapter,
39 there shall be added to or subtracted from federal taxable income:

40 (a) If, in computing federal income tax for a tax year, the taxpayer deducted itemized deductions,
41 as defined in section 63(d) of the Internal Revenue Code, the taxpayer shall add the amount of
42 itemized deductions deducted (the itemized deductions less an amount, if any, by which the itemized
43 deductions are reduced under section 68 of the Internal Revenue Code).

44 (b) If, in computing federal income tax for a tax year, the taxpayer deducted the standard de-
45 duction, as defined in section 63(c) of the Internal Revenue Code, the taxpayer shall add the amount

1 of the standard deduction deducted.

2 (c)(A) From federal taxable income there shall be subtracted the larger of (i) the taxpayer's
3 itemized deductions or (ii) a standard deduction. Except as provided in subsection (8) of this section,
4 for purposes of this subparagraph, "standard deduction" means the sum of the basic standard de-
5 duction and the additional standard deduction.

6 (B) For purposes of subparagraph (A) of this paragraph, the basic standard deduction is:

7 (i) \$3,280, in the case of joint return filers or a surviving spouse;

8 (ii) \$1,640, in the case of an individual who is not a married individual and is not a surviving
9 spouse;

10 (iii) \$1,640, in the case of a married individual who files a separate return; or

11 (iv) \$2,640, in the case of a head of household.

12 (C)(i) For purposes of subparagraph (A) of this paragraph for tax years beginning on or after
13 January 1, 2003, the Department of Revenue shall annually recompute the basic standard deduction
14 for each category of return filer listed under subparagraph (B) of this paragraph. The basic standard
15 deduction shall be computed by dividing the monthly averaged U.S. City Average Consumer Price
16 Index for the 12 consecutive months ending August 31 of the prior calendar year by the average
17 U.S. City Average Consumer Price Index for the second quarter of 2002, then multiplying that quo-
18 tient by the amount listed under subparagraph (B) of this paragraph for each category of return
19 filer.

20 (ii) If any change in the maximum household income determined under this subparagraph is not
21 a multiple of \$5, the increase shall be rounded to the next lower multiple of \$5.

22 (iii) As used in this subparagraph, "U.S. City Average Consumer Price Index" means the U.S.
23 City Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau
24 of Labor Statistics of the United States Department of Labor.

25 (D) For purposes of subparagraph (A) of this paragraph, the additional standard deduction is the
26 sum of each additional amount to which the taxpayer is entitled under subsection (7) of this section.

27 (E) As used in subparagraph (B) of this paragraph, "surviving spouse" and "head of household"
28 have the [meaning] meanings given those terms in section 2 of the Internal Revenue Code.

29 (F) In the case of the following, the standard deduction referred to in subparagraph (A) of this
30 paragraph shall be zero:

31 (i) [A husband or wife] **One of the spouses in a marriage** filing a separate return where the
32 other spouse has claimed itemized deductions under subparagraph (A) of this paragraph;

33 (ii) A nonresident alien individual;

34 (iii) An individual making a return for a period of less than 12 months on account of a change
35 in the individual's annual accounting period;

36 (iv) An estate or trust;

37 (v) A common trust fund; or

38 (vi) A partnership.

39 (d) For the purposes of paragraph (c)(A) of this subsection, the taxpayer's itemized deductions
40 are the amount of the taxpayer's itemized deductions as defined in section 63(d) of the Internal Re-
41 venue Code (reduced, if applicable, as described under section 68 of the Internal Revenue Code)
42 minus the deduction for Oregon income tax (reduced, if applicable, by the proportion that the re-
43 duction in federal itemized deductions resulting from section 68 of the Internal Revenue Code bears
44 to the amount of federal itemized deductions as defined for purposes of section 68 of the Internal
45 Revenue Code).

1 (2)(a) There shall be subtracted from federal taxable income any portion of the distribution of
2 a pension, profit-sharing, stock bonus or other retirement plan, representing that portion of contri-
3 butions which were taxed by the State of Oregon but not taxed by the federal government under
4 laws in effect for tax years beginning prior to January 1, 1969, or for any subsequent year in which
5 the amount that was contributed to the plan under the Internal Revenue Code was greater than the
6 amount allowed under this chapter.

7 (b) Interest or other earnings on any excess contributions of a pension, profit-sharing, stock
8 bonus or other retirement plan not permitted to be deducted under paragraph (a) of this subsection
9 may not be added to federal taxable income in the year earned by the plan and may not be sub-
10 tracted from federal taxable income in the year received by the taxpayer.

11 (3)(a) Except as provided in subsection (4) of this section, there shall be added to federal taxable
12 income the amount of any federal income taxes in excess of the amount provided in paragraphs (b)
13 to (d) of this subsection, accrued by the taxpayer during the tax year as described in ORS 316.685,
14 less the amount of any refund of federal taxes previously accrued for which a tax benefit was re-
15 ceived.

16 (b) The limits applicable to this subsection are:

17 (A) \$5,500, if the federal adjusted gross income of the taxpayer for the tax year is less than
18 \$125,000, or, if reported on a joint return, less than \$250,000.

19 (B) \$4,400, if the federal adjusted gross income of the taxpayer for the tax year is \$125,000 or
20 more and less than \$130,000, or, if reported on a joint return, \$250,000 or more and less than
21 \$260,000.

22 (C) \$3,300, if the federal adjusted gross income of the taxpayer for the tax year is \$130,000 or
23 more and less than \$135,000, or, if reported on a joint return, \$260,000 or more and less than
24 \$270,000.

25 (D) \$2,200, if the federal adjusted gross income of the taxpayer for the tax year is \$135,000 or
26 more and less than \$140,000, or, if reported on a joint return, \$270,000 or more and less than
27 \$280,000.

28 (E) \$1,100, if the federal adjusted gross income of the taxpayer for the tax year is \$140,000 or
29 more and less than \$145,000, or, if reported on a joint return, \$280,000 or more and less than
30 \$290,000.

31 (c) If the federal adjusted gross income of the taxpayer is \$145,000 or more for the tax year, or,
32 if reported on a joint return, \$290,000 or more, the limit is zero and the taxpayer is not allowed a
33 subtraction for federal income taxes under ORS 316.680 (1) for the tax year.

34 (d) In the case of [*a husband and wife*] **spouses in a marriage** filing separate tax returns, the
35 amount added shall be in the amount of any federal income taxes in excess of 50 percent of the
36 amount provided for individual taxpayers under paragraphs (a) to (c) of this subsection, less the
37 amount of any refund of federal taxes previously accrued for which a tax benefit was received.

38 (e) For purposes of this subsection, the limits applicable to a joint return shall apply to a head
39 of household or a surviving spouse, as defined in section 2(a) and (b) of the Internal Revenue Code.

40 (f)(A) For a calendar year beginning on or after January 1, 2008, the Department of Revenue
41 shall make a cost-of-living adjustment to the federal income tax threshold amounts described in
42 paragraphs (b) and (d) of this subsection.

43 (B) The cost-of-living adjustment for a calendar year is the percentage by which the monthly
44 averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31
45 of the prior calendar year exceeds the monthly averaged index for the period beginning September

1 1, 2005, and ending August 31, 2006.

2 (C) As used in this paragraph, "U.S. City Average Consumer Price Index" means the U.S. City
3 Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau of
4 Labor Statistics of the United States Department of Labor.

5 (D) If any adjustment determined under subparagraph (B) of this paragraph is not a multiple of
6 \$50, the adjustment shall be rounded to the next lower multiple of \$50.

7 (E) The adjustment shall apply to all tax years beginning in the calendar year for which the
8 adjustment is made.

9 (4)(a) In addition to the adjustments required by ORS 316.130, a full-year nonresident individual
10 shall add to taxable income a proportion of any accrued federal income taxes as computed under
11 ORS 316.685 in excess of the amount provided in subsection (3) of this section in the proportion
12 provided in ORS 316.117.

13 (b) In the case of [*a husband and wife*] **spouses in a marriage** filing separate tax returns, the
14 amount added under this subsection shall be computed in a manner consistent with the computation
15 of the amount to be added in the case of [*a husband and wife*] **spouses in a marriage** filing separate
16 returns under subsection (3) of this section. The method of computation shall be determined by the
17 Department of Revenue by rule.

18 (5) Subsections (3)(d) and (4)(b) of this section shall not apply to married individuals living apart
19 as defined in section 7703(b) of the Internal Revenue Code.

20 (6)(a) For tax years beginning on or after January 1, 1981, and prior to January 1, 1983, income
21 or loss taken into account in determining federal taxable income by a shareholder of an S corpo-
22 ration pursuant to sections 1373 to 1375 of the Internal Revenue Code shall be adjusted for purposes
23 of determining Oregon taxable income, to the extent that as income or loss of the S corporation,
24 they were required to be adjusted under the provisions of ORS chapter 317.

25 (b) For tax years beginning on or after January 1, 1983, items of income, loss or deduction taken
26 into account in determining federal taxable income by a shareholder of an S corporation pursuant
27 to sections 1366 to 1368 of the Internal Revenue Code shall be adjusted for purposes of determining
28 Oregon taxable income, to the extent that as items of income, loss or deduction of the shareholder
29 the items are required to be adjusted under the provisions of this chapter.

30 (c) The tax years referred to in paragraphs (a) and (b) of this subsection are those of the S
31 corporation.

32 (d) As used in paragraph (a) of this subsection, an S corporation refers to an electing small
33 business corporation.

34 (7)(a) The taxpayer shall be entitled to an additional amount, as referred to in subsection
35 (1)(c)(A) and (D) of this section, of \$1,000:

36 (A) For the taxpayer if the taxpayer has attained age 65 before the close of the taxpayer's tax
37 year; and

38 (B) For the spouse of the taxpayer if the spouse has attained age 65 before the close of the tax
39 year and an additional exemption is allowable to the taxpayer for such spouse for federal income

41 (b) The taxpayer shall be entitled to an additional amount, as referred to in subsection (1)(c)(A)
42 and (D) of this section, of \$1,000:

43 (A) For the taxpayer if the taxpayer is blind at the close of the tax year; and

44 (B) For the spouse of the taxpayer if the spouse is blind as of the close of the tax year and an
45 additional exemption is allowable to the taxpayer for such spouse for federal income tax purposes

1 under section 151(b) of the Internal Revenue Code. For purposes of this subparagraph, if the spouse

4 (c) In the case of an individual who is not married and is not a surviving spouse, paragraphs (a)

18 **SECTION 47.** ORS 408.730 is amended to read:

19 408.730. (1) The commander or executive head of any veterans organization organized under a
20 charter issued by an Act of Congress, proposing to undertake the relief provided for in ORS 408.720,
21 shall file with the county clerk of the county in which the veterans organization may be situated,
22 the names of its commander or executive head and its relief committee, if any. The commander or
23 executive head shall also file a notice in writing that such veterans organization will undertake the
24 relief of the indigent persons provided for in ORS 408.720, and by the fourth Monday in January of
25 each year shall file with the county clerk a similar notice, and render and file a detailed statement
26 of the relief furnished during the preceding year, including the amount thereof, the names of the
27 persons to whom furnished and on whose recommendation, and such other facts and suggestions as
28 are deemed material.

29 (2) The commander or executive head shall also file a bond, with one or more sureties, to be
30 approved by the county court or judge thereof, or board of county commissioners, in a sum not less
31 than \$100 and not more than \$1,000. The amount of the bond shall be fixed by the court, judge or
32 board. It shall run to the county, and be conditioned by stating that if said commander or executive
33 head faithfully applies all funds that come into the hands of the commander or executive head for
34 that purpose, to the relief of the indigent persons named in ORS 408.720, it is void. If the bond is
35 enforced there shall be recovered from the principal and sureties thereon the amount which is found
36 to be misappropriated, which shall be paid into the county treasury.

37 (3) If the county operates on a fiscal year ending on June 30, the notice, statement and bond
38 required by this section may be filed on the fourth Monday in July of each year rather than on the
39 fourth Monday of January. If the statement required by subsection (1) of this section is filed at the
40 time provided in this subsection, this statement shall cover the preceding fiscal year.

41 (4) On the approval and filing of the bond, and on the recommendation of the relief committee
42 of any such veterans organization, orders shall be drawn in favor of the commander or executive
43 head in the same manner as orders are now drawn for the relief of the poor. The orders shall des-
44 ignate thereon the names of the persons for whom the relief is intended and, in like manner, a sum
45 not exceeding \$100 may be drawn to pay the funeral expenses of an indigent veteran, and the indi-

1 gent [*wives, widows and the*] **spouses and surviving spouses in marriages and** minor children of
2 such veterans.

3 **SECTION 48.** ORS 418.210 is amended to read:

4 418.210. ORS 418.205 to 418.325 shall not apply to:

5 (1) Homes established and maintained by fraternal organizations wherein only members, their

11 418.205, for parents pursuant to a properly executed power of attorney under ORS 109.056;

17 419B.040. (1) In the case of abuse of a child, the privileges created in ORS 40.230 to 40.255, in-
18 cluding the psychotherapist-patient privilege, the physician-patient privilege, the privileges extended
19 to nurses, to staff members of schools and to regulated social workers and the [*husband-wife*]
20 **spousal** privilege, shall not be a ground for excluding evidence regarding a child's abuse, or the
21 cause thereof, in any judicial proceeding resulting from a report made pursuant to ORS 419B.010 to
22 419B.050.

23 (2) In any judicial proceedings resulting from a report made pursuant to ORS 419B.010 to
24 419B.050, either spouse shall be a competent and compellable witness against the other.

25 **SECTION 50.** ORS 432.088, as amended by section 51, chapter 45, Oregon Laws 2014, is
26 amended to read:

27 432.088. (1) A report of live birth for each live birth that occurs in this state shall be submitted
28 to the Center for Health Statistics, or as otherwise directed by the State Registrar of the Center for
29 Health Statistics, within five calendar days after the live birth and shall be registered if the report
30 has been completed and filed in accordance with this section.

31 (2) The physician, institution or other person providing prenatal care related to a live birth shall
32 provide prenatal care information as required by the state registrar by rule to the institution where
33 the delivery is expected to occur not less than 30 calendar days prior to the expected delivery date.

34 (3) When a live birth occurs in an institution or en route to an institution, the person in charge
35 of the institution or an authorized designee shall obtain all data required by the state registrar,
36 prepare the report of live birth, certify either by signature or electronic signature that the child
37 was born alive at the place and time and on the date stated and submit the report as described in
38 subsection (1) of this section.

39 (4) In obtaining the information required for the report of live birth, an institution shall use
40 information gathering procedures provided or approved by the state registrar. Institutions may es-
41 tablish procedures to transfer, electronically or otherwise, information required for the report from
42 other sources, provided that the procedures are reviewed and approved by the state registrar prior
43 to the implementation of the procedures to ensure that the information being transferred is the same
44 as the information being requested.

45 (5)(a) When a live birth occurs outside an institution, the information for the report of live birth

1 shall be submitted within five calendar days of the live birth in a format adopted by the state
2 registrar by rule in the following order of priority:

3 (A) By an institution where the mother and child are examined, if examination occurs within
4 24 hours of the live birth;

5 (B) By a physician in attendance at the live birth;

6 (C) By a direct entry midwife licensed under ORS 687.405 to 687.495 in attendance at the live
7 birth;

8 (D) By a person not described in subparagraphs (A) to (C) of this paragraph and not required
9 by law to be licensed to practice midwifery who is registered with the Center for Health Statistics
10 to submit reports of live birth and who was in attendance at the live birth; or

11 (E) By the father, the mother or, in the absence of the father and the inability of the mother,
12 the person in charge of the premises where the live birth occurred.

13 (b) The state registrar may establish by rule the manner of submitting the information for the
14 report of live birth by a person described in paragraph (a)(D) of this subsection or a physician or
15 licensed direct entry midwife who attends the birth of his or her own child, grandchild, niece or
16 nephew.

17 (6) When a report of live birth is submitted that does not include the minimum acceptable doc-
18 umentation required by this section or any rules adopted under this section, or when the state
19 registrar has cause to question the validity or adequacy of the documentation, the state registrar,
20 in the state registrar's discretion, may refuse to register the live birth and shall enter an order to
21 that effect stating the reasons for the action. The state registrar shall advise the applicant of the
22 right to appeal under ORS 183.484.

23 (7) When a live birth occurs on a moving conveyance:

24 (a) Within the United States and the child is first removed from the conveyance in this state,
25 the live birth shall be registered in this state and the place where it is first removed shall be con-
26 sidered the place of live birth.

27 (b) While in international waters or air space or in a foreign country or its air space and the
28 child is first removed from the conveyance in this state, the birth shall be registered in this state
29 but the report of live birth shall show the actual place of birth insofar as can be determined.

30 (8) For purposes of making a report of live birth and live birth registration, the woman who
31 gives live birth is the live birth mother. If a court of competent jurisdiction determines that a
32 woman other than the live birth mother is the biological or genetic mother, the court may order the
33 state registrar to amend the record of live birth. The record of live birth shall then be placed under
34 seal.

35 (9)(a) If the mother is married at the time of either conception or live birth, or within 300 days
36 before the live birth, the name of the [husband] **mother's spouse in a marriage** shall be entered
37 on the report of live birth as the [father] **parent of the** child unless parentage has been determined
38 otherwise by a court of competent jurisdiction.

39 (b) If the mother is not married at the time of either conception or live birth, or within 300 days
40 before the live birth, the name of the [father] **parent** shall not be entered on the report of live birth
41 unless a voluntary acknowledgment of paternity form or other form prescribed under ORS 432.098
42 is:

43 (A) Signed by the mother and the person to be named as the [father] **parent**; and

44 (B) Filed with the state registrar.

45 (c) If the mother is a partner in a domestic partnership registered by the state at the time of

1 either conception or live birth, or between conception and live birth, the name of the mother's
2 partner shall be entered on the report of live birth as a parent of the child, unless parentage has
3 been determined otherwise by a court of competent jurisdiction.

4 (d) In any case in which paternity of a child is determined by a court of competent jurisdiction,
5 or by an administrative determination of paternity, the Center for Health Statistics shall enter the
6 name of the [father] **parent** on the new record of live birth. The Center for Health Statistics shall
7 change the surname of the child if so ordered by the court or, in a proceeding under ORS 416.430,
8 by the administrator as defined in ORS 25.010.

9 (e) If a biological parent is not named on the report of live birth, information other than the
10 identity of the biological parent may be entered on the report.

11 (10) A parent of the child, or other informant as determined by the state registrar by rule, shall
12 verify the accuracy of the personal data to be entered on a report of live birth in time to permit
13 submission of the report within the five calendar days of the live birth.

14 (11) A report of live birth submitted after five calendar days, but within one year after the date
15 of live birth, shall be registered in the manner prescribed in this section. The record shall not be
16 marked "Delayed."

17 (12) The state registrar may require additional evidence in support of the facts of live birth.

18 **SECTION 51.** ORS 496.146 is amended to read:

19 496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife
20 Commission:

21 (1) May accept, from whatever source, appropriations, gifts or grants of money or other property
22 for the purposes of wildlife management, and use such money or property for wildlife management
23 purposes.

24 (2) May sell or exchange property owned by the state and used for wildlife management pur-
25 poses when the commission determines that such sale or exchange would be advantageous to the
26 state wildlife policy and management programs.

27 (3) May acquire, introduce, propagate and stock wildlife species in such manner as the com-
28 mission determines will carry out the state wildlife policy and management programs.

29 (4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking,
30 hunting and trapping and may prescribe such tagging and sealing procedures as the commission
31 determines necessary to carry out the provisions of the wildlife laws or to obtain information for
32 use in wildlife management. Permits issued pursuant to this subsection may include special hunting
33 permits for a person and immediate family members of the person to hunt on land owned by that
34 person in areas where permits for deer or elk are limited by quota. As used in this subsection,
35 "immediate family members" means [*husband, wife, father, mother,*] **spouses in a marriage, parents,**
36 brothers, brothers-in-law, sisters, sisters-in-law, sons, daughters, stepchildren and grandchildren. A
37 landowner who is qualified to receive landowner preference tags from the commission may request
38 two additional tags for providing public access and two additional tags for wildlife habitat programs.
39 This request shall be made to the Access and Habitat Board with supporting evidence that the ac-
40 cess is significant and the habitat programs benefit wildlife. The board may recommend that the
41 commission grant the request. When a landowner is qualified under landowner preference rules
42 adopted by the commission and receives a controlled hunt tag for that unit or a landowner prefer-
43 ence tag for the landowner's property and does not use the tag during the regular season, the
44 landowner may use that tag to take an antlerless animal, when approved by the State Department
45 of Fish and Wildlife, to alleviate damage that is presently occurring to the landowner's property.

1 (5) May by rule prescribe procedures requiring the holder of any license, tag or permit issued
2 pursuant to the wildlife laws to keep records and make reports concerning the time, manner and
3 place of taking wildlife, the quantities taken and such other information as the commission deter-
4 mines necessary for proper enforcement of the wildlife laws or to obtain information for use in
5 wildlife management.

6 (6) May establish special hunting and angling areas or seasons in which only persons less than
7 18 years of age or over 65 years of age are permitted to hunt or angle.

8 (7) May acquire by purchase, lease, agreement or gift real property and all appropriate interests
9 therein for wildlife management and wildlife-oriented recreation purposes.

10 (8) May acquire by purchase, lease, agreement, gift, exercise of eminent domain or otherwise
11 real property and all interests therein and establish, operate and maintain thereon public hunting
12 areas.

13 (9) May establish and develop wildlife refuge and management areas and prescribe rules gov-
14 erning the use of such areas and the use of wildlife refuge and management areas established and
15 developed pursuant to any other provision of law.

16 (10) May by rule prescribe fees for licenses, tags, permits and applications issued or required
17 pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of
18 lands owned or managed by the commission, unless such fees or user charges are otherwise pre-
19 scribed by law. Except for licenses issued pursuant to subsection (14) of this section, no fee or user
20 charge prescribed by the commission pursuant to this subsection shall exceed \$100.

21 (11) May enter into contracts with any person or governmental agency for the development and
22 encouragement of wildlife research and management programs and projects.

23 (12) May perform such acts as may be necessary for the establishment and implementation of
24 cooperative wildlife management programs with agencies of the federal government.

25 (13) May offer and pay rewards for the arrest and conviction of any person who has violated
26 any of the wildlife laws. No such reward shall exceed \$100 for any one arrest and conviction.

27 (14) May by rule prescribe fees for falconry licenses issued pursuant to the wildlife laws, unless
28 such fees are otherwise prescribed by law. Fees prescribed by the commission pursuant to this sub-
29 section shall be based on actual or projected costs of administering falconry regulations and shall
30 not exceed \$250.

31 (15) May establish special fishing and hunting seasons and bag limits applicable only to persons
32 with disabilities.

33 (16) May adopt optimum populations for deer and elk consistent with ORS 496.012. These popu-
34 lation levels shall be reviewed at least once every five years.

35 (17) Shall establish a preference system so that individuals who are unsuccessful in controlled
36 hunt permit drawings for deer and elk hunting have reasonable assurance of success in those
37 drawings in subsequent years. In establishing the preference system, the commission shall consider
38 giving additional preference points to persons who have been issued a resident pioneer hunting li-
39 cense pursuant to ORS 497.102.

40 (18) May sell advertising in State Department of Fish and Wildlife publications, including annual
41 hunting and angling regulation publications.

42 (19) May, notwithstanding the fees required by ORS 497.112, provide free hunting tags to an
43 organization that sponsors hunting trips for terminally ill children.

44 (20) Shall, after consultation with the State Department of Agriculture, adopt rules prohibiting
45 the use of the World Wide Web, other Internet protocols or broadcast or closed circuit media to

1 remotely control a weapon for the purpose of hunting any game bird, wildlife, game mammal or
 2 other mammal. The rules may exempt the State Department of Fish and Wildlife or agents of the
 3 department from the prohibition.

4 (21) May adopt rules establishing a schedule of civil penalties, not to exceed \$6,500 per vio-
 5 lation, for violations of provisions of the wildlife laws or rules adopted by the commission under the
 6 wildlife laws. Civil penalties established under this subsection must be imposed in the manner pro-
 7 vided by ORS 183.745 and must be deposited in the State Wildlife Fund established under ORS
 8 496.300.

9 (22) May by rule impose a surcharge not to exceed \$25 for the renewal of a hunting license on
 10 any person who fails to comply with mandatory hunting reporting requirements. Amounts collected
 11 as surcharges under this subsection must be deposited in the State Wildlife Fund established under
 12 ORS 496.300.

13 (23) May by rule establish annual and daily Columbia Basin salmon, steelhead and sturgeon
 14 recreational fishing endorsements with a fee not to exceed \$9.75 per annual license and \$1 per day
 15 per daily license. An endorsement is required to fish for salmon, steelhead or sturgeon in the
 16 Columbia Basin and is in addition to and not in lieu of angling licenses and tags required under the
 17 wildlife laws. Amounts collected as fees under this subsection must be deposited in the Columbia
 18 River Fisheries Enhancement Fund established under section 7, chapter 672, Oregon Laws 2013.

19 (24) May by rule establish multiyear licenses and may prescribe fees for such licenses. Fees
 20 prescribed by the commission for multiyear licenses may provide for a discount from the annual li-
 21 cense fees that would otherwise be payable for the period of time covered by the multiyear license.

22 **SECTION 52.** ORS 496.146, as amended by section 10, chapter 672, Oregon Laws 2013, is

 25 Commission:

 28 purposes.

29 (2) May sell or exchange property owned by the state and used for wildlife management pur-
 30 poses when the commission determines that such sale or exchange would be advantageous to the
 31 state wildlife policy and management programs.

32 (3) May acquire, introduce, propagate and stock wildlife species in such manner as the com-
 33 mission determines will carry out the state wildlife policy and management programs.

34 (4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking,
 35 hunting and trapping and may prescribe such tagging and sealing procedures as the commission
 36 determines necessary to carry out the provisions of the wildlife laws or to obtain information for
 37 use in wildlife management. Permits issued pursuant to this subsection may include special hunting
 38 permits for a person and immediate family members of the person to hunt on land owned by that
 39 person in areas where permits for deer or elk are limited by quota. As used in this subsection,
 40 "immediate family members" means [*husband, wife, father, mother,*] **spouses in a marriage, parents,**
 41 **brothers, brothers-in-law, sisters, sisters-in-law, sons, daughters, stepchildren and grandchildren.** A
 42 landowner who is qualified to receive landowner preference tags from the commission may request
 43 two additional tags for providing public access and two additional tags for wildlife habitat programs.
 44 This request shall be made to the Access and Habitat Board with supporting evidence that the ac-
 45 cess is significant and the habitat programs benefit wildlife. The board may recommend that the

1 commission grant the request. When a landowner is qualified under landowner preference rules

14 therein for wildlife management and wildlife-oriented recreation purposes.

15 (8) May acquire by purchase, lease, agreement, gift, exercise of eminent domain or otherwise
16 real property and all interests therein and establish, operate and maintain thereon public hunting
17 areas.

18 (9) May establish and develop wildlife refuge and management areas and prescribe rules gov-
19 erning the use of such areas and the use of wildlife refuge and management areas established and
20 developed pursuant to any other provision of law.

21 (10) May by rule prescribe fees for licenses, tags, permits and applications issued or required
22 pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of
23 lands owned or managed by the commission, unless such fees or user charges are otherwise pre-
24 scribed by law. Except for licenses issued pursuant to subsection (14) of this section, no fee or user
25 charge prescribed by the commission pursuant to this subsection shall exceed \$100.

26 (11) May enter into contracts with any person or governmental agency for the development and
27 encouragement of wildlife research and management programs and projects.

28 (12) May perform such acts as may be necessary for the establishment and implementation of
29 cooperative wildlife management programs with agencies of the federal government.

30 (13) May offer and pay rewards for the arrest and conviction of any person who has violated

32 (14) May by rule prescribe fees for falconry licenses issued pursuant to the wildlife laws, unless
33 such fees are otherwise prescribed by law. Fees prescribed by the commission pursuant to this sub-
34 section shall be based on actual or projected costs of administering falconry regulations and shall
35 not exceed \$250.

36 (15) May establish special fishing and hunting seasons and bag limits applicable only to persons
37 with disabilities.

38 (16) May adopt optimum populations for deer and elk consistent with ORS 496.012. These popu-
39 lation levels shall be reviewed at least once every five years.

40 (17) Shall establish a preference system so that individuals who are unsuccessful in controlled
41 hunt permit drawings for deer and elk hunting have reasonable assurance of success in those
42 drawings in subsequent years. In establishing the preference system, the commission shall consider
43 giving additional preference points to persons who have been issued a resident pioneer hunting li-
44 cense pursuant to ORS 497.102.

45 (18) May sell advertising in State Department of Fish and Wildlife publications, including annual

2 (19) May, notwithstanding the fees required by ORS 497.112, provide free hunting tags to an

37 (5) "Child" includes a posthumous child, a child legally adopted prior to the injury, a child to-
38 ward whom the worker stands in loco parentis, a child born out of wedlock and a stepchild, if such
39 stepchild was, at the time of the injury, a member of the worker's family and substantially dependent
40 upon the worker for support. A dependent child who is an invalid is a child, for purposes of benefits,
41 regardless of age, so long as the child was an invalid at the time of the accident and thereafter re-
42 mains an invalid substantially dependent on the worker for support. For purposes of this chapter,
43 a dependent child who is an invalid is considered to be a child under 18 years of age.

44 (6) "Claim" means a written request for compensation from a subject worker or someone on the
45 worker's behalf, or any compensable injury of which a subject employer has notice or knowledge.

1 (7)(a) A “compensable injury” is an accidental injury, or accidental injury to prosthetic appli-
2 ances, arising out of and in the course of employment requiring medical services or resulting in
3 disability or death; an injury is accidental if the result is an accident, whether or not due to acci-
4 dental means, if it is established by medical evidence supported by objective findings, subject to the
5 following limitations:

6 (A) No injury or disease is compensable as a consequence of a compensable injury unless the
7 compensable injury is the major contributing cause of the consequential condition.

8 (B) If an otherwise compensable injury combines at any time with a preexisting condition to
9 cause or prolong disability or a need for treatment, the combined condition is compensable only if,
10 so long as and to the extent that the otherwise compensable injury is the major contributing cause
11 of the disability of the combined condition or the major contributing cause of the need for treatment
12 of the combined condition.

13 (b) “Compensable injury” does not include:

14 (A) Injury to any active participant in assaults or combats which are not connected to the job
15 assignment and which amount to a deviation from customary duties;

16 (B) Injury incurred while engaging in or performing, or as the result of engaging in or per-
17 forming, any recreational or social activities primarily for the worker’s personal pleasure; or

18 (C) Injury the major contributing cause of which is demonstrated to be by a preponderance of
19 the evidence the injured worker’s consumption of alcoholic beverages or the unlawful consumption
20 of any controlled substance, unless the employer permitted, encouraged or had actual knowledge of
21 such consumption.

22 (c) A “disabling compensable injury” is an injury which entitles the worker to compensation for
23 disability or death. An injury is not disabling if no temporary benefits are due and payable, unless
24 there is a reasonable expectation that permanent disability will result from the injury.

25 (d) A “nondisabling compensable injury” is any injury which requires medical services only.

26 (8) “Compensation” includes all benefits, including medical services, provided for a compensable
27 injury to a subject worker or the worker’s beneficiaries by an insurer or self-insured employer pur-
28 suant to this chapter.

29 (9) “Department” means the Department of Consumer and Business Services.

30 (10) “Dependent” means any of the following-named relatives of a worker whose death results
31 from any injury: [*Father, mother, grandfather, grandmother, stepfather, stepmother*] **Parent,**
32 **grandparent, stepparent,** grandson, granddaughter, brother, sister, half sister, half brother, niece
33 or nephew, who at the time of the accident, are dependent in whole or in part for their support upon
34 the earnings of the worker. Unless otherwise provided by treaty, aliens not residing within the
35 United States at the time of the accident other than [*father, mother, husband, wife*] **parent, spouse**
36 **in a marriage** or children are not included within the term “dependent.”

37 (11) “Director” means the Director of the Department of Consumer and Business Services.

38 (12)(a) “Doctor” or “physician” means a person duly licensed to practice one or more of the
39 healing arts in any country or in any state, territory or possession of the United States within the
40 limits of the license of the licentiate.

41 (b) Except as otherwise provided for workers subject to a managed care contract, “attending
42 physician” means a doctor, physician or physician assistant who is primarily responsible for the
43 treatment of a worker’s compensable injury and who is:

44 (A) A medical doctor or doctor of osteopathy licensed under ORS 677.100 to 677.228 by the
45 Oregon Medical Board, or a podiatric physician and surgeon licensed under ORS 677.805 to 677.840

1 by the Oregon Medical Board, an oral and maxillofacial surgeon licensed by the Oregon Board of
2 Dentistry or a similarly licensed doctor in any country or in any state, territory or possession of the
3 United States; or

4 (B) For a cumulative total of 60 days from the first visit on the initial claim or for a cumulative
5 total of 18 visits, whichever occurs first, to any of the medical service providers listed in this sub-
6 paragraph, a:

7 (i) Doctor or physician licensed by the State Board of Chiropractic Examiners for the State of
8 Oregon under ORS chapter 684 or a similarly licensed doctor or physician in any country or in any
9 state, territory or possession of the United States;

10 (ii) Physician assistant licensed by the Oregon Medical Board in accordance with ORS 677.505
11 to 677.525 or a similarly licensed physician assistant in any country or in any state, territory or
12 possession of the United States; or

13 (iii) Doctor of naturopathy or naturopathic physician licensed by the Oregon Board of
14 Naturopathic Medicine under ORS chapter 685 or a similarly licensed doctor or physician in any
15 country or in any state, territory or possession of the United States.

16 (c) Except as otherwise provided for workers subject to a managed care contract, “attending
17 physician” does not include a physician who provides care in a hospital emergency room and refers
18 the injured worker to a primary care physician for follow-up care and treatment.

19 (d) “Consulting physician” means a doctor or physician who examines a worker or the worker’s
20 medical record to advise the attending physician or nurse practitioner authorized to provide
21 compensable medical services under ORS 656.245 regarding treatment of a worker’s compensable
22 injury.

23 (13)(a) “Employer” means any person, including receiver, administrator, executor or trustee, and
24 the state, state agencies, counties, municipal corporations, school districts and other public corpo-
25 rations or political subdivisions, who contracts to pay a remuneration for and secures the right to
26 direct and control the services of any person.

27 (b) Notwithstanding paragraph (a) of this subsection, for purposes of this chapter, the client of
28 a temporary service provider is not the employer of temporary workers provided by the temporary
29 service provider.

30 (c) As used in paragraph (b) of this subsection, “temporary service provider” has the meaning
31 for that term provided in ORS 656.850.

32 (14) “Insurer” means the State Accident Insurance Fund Corporation or an insurer authorized
33 under ORS chapter 731 to transact workers’ compensation insurance in this state or an assigned
34 claims agent selected by the director under ORS 656.054.

35 (15) “Consumer and Business Services Fund” means the fund created by ORS 705.145.

36 (16) “Invalid” means one who is physically or mentally incapacitated from earning a livelihood.

37 (17) “Medically stationary” means that no further material improvement would reasonably be
38 expected from medical treatment, or the passage of time.

39 (18) “Noncomplying employer” means a subject employer who has failed to comply with ORS
40 656.017.

41 (19) “Objective findings” in support of medical evidence are verifiable indications of injury or
42 disease that may include, but are not limited to, range of motion, atrophy, muscle strength and
43 palpable muscle spasm. “Objective findings” does not include physical findings or subjective re-
44 sponses to physical examinations that are not reproducible, measurable or observable.

45 (20) “Palliative care” means medical service rendered to reduce or moderate temporarily the

1 intensity of an otherwise stable medical condition, but does not include those medical services ren-
2 dered to diagnose, heal or permanently alleviate or eliminate a medical condition.

3 (21) "Party" means a claimant for compensation, the employer of the injured worker at the time
4 of injury and the insurer, if any, of such employer.

5 (22) "Payroll" means a record of wages payable to workers for their services and includes
6 commissions, value of exchange labor and the reasonable value of board, rent, housing, lodging or
7 similar advantage received from the employer. However, "payroll" does not include overtime pay,
8 vacation pay, bonus pay, tips, amounts payable under profit-sharing agreements or bonus payments
9 to reward workers for safe working practices. Bonus pay is limited to payments which are not an-
10 ticipated under the contract of employment and which are paid at the sole discretion of the em-
11 ployer. The exclusion from payroll of bonus payments to reward workers for safe working practices
12 is only for the purpose of calculations based on payroll to determine premium for workers' com-
13 pensation insurance, and does not affect any other calculation or determination based on payroll for
14 the purposes of this chapter.

15 (23) "Person" includes partnership, joint venture, association, limited liability company and
16 corporation.

17 (24)(a) "Preexisting condition" means, for all industrial injury claims, any injury, disease, con-
18 genital abnormality, personality disorder or similar condition that contributes to disability or need
19 for treatment, provided that:

20 (A) Except for claims in which a preexisting condition is arthritis or an arthritic condition, the
21 worker has been diagnosed with such condition, or has obtained medical services for the symptoms
22 of the condition regardless of diagnosis; and

23 (B)(i) In claims for an initial injury or omitted condition, the diagnosis or treatment precedes
24 the initial injury;

25 (ii) In claims for a new medical condition, the diagnosis or treatment precedes the onset of the
26 new medical condition; or

27 (iii) In claims for a worsening pursuant to ORS 656.273 or 656.278, the diagnosis or treatment
28 precedes the onset of the worsened condition.

29 (b) "Preexisting condition" means, for all occupational disease claims, any injury, disease, con-
30 genital abnormality, personality disorder or similar condition that contributes to disability or need
31 for treatment and that precedes the onset of the claimed occupational disease, or precedes a claim
32 for worsening in such claims pursuant to ORS 656.273 or 656.278.

33 (c) For the purposes of industrial injury claims, a condition does not contribute to disability or
34 need for treatment if the condition merely renders the worker more susceptible to the injury.

35 (25) "Self-insured employer" means an employer or group of employers certified under ORS
36 656.430 as meeting the qualifications set out by ORS 656.407.

37 (26) "State Accident Insurance Fund Corporation" and "corporation" mean the State Accident
38 Insurance Fund Corporation created under ORS 656.752.

39 (27) "Subject employer" means an employer who is subject to this chapter as provided by ORS
40 656.023.

41 (28) "Subject worker" means a worker who is subject to this chapter as provided by ORS
42 656.027.

43 (29) "Wages" means the money rate at which the service rendered is recompensed under the
44 contract of hiring in force at the time of the accident, including reasonable value of board, rent,
45 housing, lodging or similar advantage received from the employer, and includes the amount of tips

1 required to be reported by the employer pursuant to section 6053 of the Internal Revenue Code of
2 1954, as amended, and the regulations promulgated pursuant thereto, or the amount of actual tips
3 reported, whichever amount is greater. The State Accident Insurance Fund Corporation may estab-
4 lish assumed minimum and maximum wages, in conformity with recognized insurance principles, at
5 which any worker shall be carried upon the payroll of the employer for the purpose of determining
6 the premium of the employer.

7 (30) "Worker" means any person, including a minor whether lawfully or unlawfully employed,
8 who engages to furnish services for a remuneration, subject to the direction and control of an em-
9 ployer and includes salaried, elected and appointed officials of the state, state agencies, counties,
10 cities, school districts and other public corporations, but does not include any person whose services
11 are performed as an inmate or ward of a state institution or as part of the eligibility requirements
12 for a general or public assistance grant. For the purpose of determining entitlement to temporary
13 disability benefits or permanent total disability benefits under this chapter, "worker" does not in-
14 clude a person who has withdrawn from the workforce during the period for which such benefits are
15 sought.

16 (31) "Independent contractor" has the meaning for that term provided in ORS 670.600.

17 **SECTION 54.** ORS 656.204 is amended to read:

18 656.204. If death results from the accidental injury, payments shall be made as follows:

19 (1)(a) The cost of final disposition of the body and funeral expenses, including but not limited
20 to transportation of the body, shall be paid, not to exceed 20 times the average weekly wage in any
21 case.

22 (b) The insurer or self-insured employer shall pay bills submitted for disposition and funeral
23 expenses up to the benefit limit established in paragraph (a) of this subsection. If any part of the
24 benefit remains unpaid 60 days after claim acceptance, the insurer or self-insured employer shall pay
25 the unpaid amount to the estate of the worker.

26 (2)(a) If the worker is survived by a spouse, monthly benefits shall be paid in an amount equal
27 to 4.35 times 66-2/3 percent of the average weekly wage to the surviving spouse until remarriage.
28 The payment shall cease at the end of the month in which the remarriage occurs.

29 (b) If the worker is survived by a spouse, monthly benefits also shall be paid in an amount equal
30 to 4.35 times 10 percent of the average weekly wage for each child of the deceased who is sub-
31 stantially dependent on the spouse for support, until such child becomes 18 years of age.

32 (c) If the worker is survived by a spouse, monthly benefits also shall be paid in an amount equal
33 to 4.35 times 25 percent of the average weekly wage for each child of the deceased who is not sub-
34 stantially dependent on the spouse for support, until such child becomes 18 years of age.

35 (d) If a surviving spouse receiving monthly payments dies, leaving a child who is entitled to
36 compensation on account of the death of the worker, a monthly benefit equal to 4.35 times 25 per-
37 cent of the average weekly wage shall be paid to each such child until the child becomes 18 years
38 of age or the child's entitlement to benefits under subsection (8) of this section ceases, whichever
39 is later.

40 (e) If a child who has become 18 years of age is a full-time high school student, benefits shall
41 be paid as provided in subsection (8) of this section.

42 (f) In no event shall the total monthly benefits provided for in this subsection exceed 4.35 times
43 133-1/3 percent of the average weekly wage. If the sum of the individual benefits exceeds this max-
44 imum, the benefit for each child will be reduced proportionally.

45 (3)(a) Upon remarriage, a surviving spouse shall be paid 36 times the monthly benefit in a lump

1 sum as final payment of the claim, but the monthly payments for each child shall continue as before.

2 (b) If, after the date of the subject worker's death, the surviving spouse cohabits with another
3 person for an aggregate period of more than one year and a child has resulted from the relationship,
4 the surviving spouse shall be paid 36 times the monthly benefit in a lump sum as final payment of
5 the claim, but the monthly payment for any child who is entitled to compensation on account of the
6 death of the worker shall continue as before.

7 (4)(a) If the worker [*leaves neither wife nor husband,*] **does not leave a spouse but leaves a**
8 child under 18 years of age, a monthly benefit equal to 4.35 times 25 percent of the average weekly
9 wage shall be paid to each such child until the child becomes 18 years of age.

10 (b) If a child who has become 18 years of age is a full-time high school student, benefits shall
11 be paid as provided in subsection (8) of this section.

12 (c) In no event shall the total benefits provided for in this subsection exceed 4.35 times 133-1/3
13 percent of the average weekly wage. If the sum of the individual benefits exceeds this maximum, the
14 benefit for each child will be reduced proportionally.

15 (5)(a) If the worker leaves a dependent other than a surviving spouse or a child, a monthly
16 payment shall be made to each dependent equal to 50 percent of the average monthly support ac-
17 tually received by such dependent from the worker during the 12 months next preceding the occur-
18 rence of the accidental injury. If a dependent is under the age of 18 years at the time of the
19 accidental injury, the payment to the dependent shall cease when such dependent becomes 18 years
20 of age. The payment to any dependent shall cease under the same circumstances that would have
21 terminated the dependency had the injury not happened.

22 (b) If the dependent who has become 18 years of age is a full-time high school student, benefits
23 shall be paid as provided in subsection (8) of this section.

24 (c) In no event shall the total benefits provided for in this subsection exceed 4.35 times 10 per-
25 cent of the average weekly wage. If the sum of the individual benefits exceeds this maximum, the
26 benefit for each dependent will be reduced proportionally.

27 (6) If a child is an invalid at the time the child otherwise becomes ineligible for benefits under
28 this section, the payment to the child shall continue while the child remains an invalid. If a person
29 is entitled to payment because the person is an invalid, payment shall terminate when the person
30 ceases to be an invalid.

31 (7) If, at the time of the death of a worker, the child of the worker or dependent has become
32 17 years of age but is under 18 years of age, the child or dependent shall receive the payment pro-
33 vided in this section for a period of one year from the date of the death. However, if after such
34 period the child is a full-time high school student, benefits shall be paid as provided in subsection
35 (8) of this section.

36 (8)(a) Benefits under this section which are to be paid as provided in this subsection shall be
37 paid for the child or dependent until the child or dependent becomes 19 years of age. If, however,
38 the child or dependent is attending higher education or begins attending higher education within six
39 months of the date the child or dependent leaves high school, benefits shall be paid until the child
40 or dependent becomes 23 years of age, ceases attending higher education or graduates from an ap-
41 proved institute or program, whichever is earlier.

42 (b) If a child or dependent who is eligible for benefits under this subsection has no surviving
43 parent, the child or dependent shall receive 4.35 times 66-2/3 percent of the average weekly wage
44 until the child or dependent becomes 23 years of age, ceases attending higher education or gradu-
45 ates from an approved institute or program, whichever is earlier.

1 (c) As used in this subsection, “attending higher education” means regularly attending commu-
2 nity college, college or university, or regularly attending a course of vocational or technical training
3 designed to prepare the participant for gainful employment. A child or dependent enrolled in an
4 educational course load of less than one-half of that determined by the educational facility to con-
5 stitute “full-time” enrollment is not “attending higher education.”

6 (9) As used in this section, “average weekly wage” has the meaning for that term provided in
7 ORS 656.211.

8 **SECTION 55.** ORS 656.226 is amended to read:

9 656.226. In case [*an unmarried man and an unmarried woman*] **two unmarried individuals** have
10 cohabited in this state [*as husband and wife*] **as spouses who are married to each other** for over
11 one year prior to the date of an accidental injury received by one or the other as a subject worker,
12 and children are living as a result of that relation, the surviving cohabitant and the children are
13 entitled to compensation under this chapter the same as if the [*man and woman*] **individuals** had
14 been legally married.

15 **SECTION 56.** ORS 659A.309 is amended to read:

16 659A.309. (1) Except as provided in subsection (2) of this section, it is an unlawful employment
17 practice for an employer solely because another member of an individual’s family works or has
18 worked for that employer to:

- 19 (a) Refuse to hire or employ an individual;
- 20 (b) Bar or discharge from employment an individual; or
- 21 (c) Discriminate against an individual in compensation or in terms, conditions or privileges of
22 employment.

23 (2) An employer is not required to hire or employ and is not prohibited from barring or dis-
24 charging an individual if such action:

- 25 (a) Would constitute a violation of any law of this state or of the United States, or any rule
26 promulgated pursuant thereto, with which the employer is required to comply;
- 27 (b) Would constitute a violation of the conditions of eligibility for receipt by the employer of
28 financial assistance from the government of this state or the United States;
- 29 (c) Would place the individual in a position of exercising supervisory, appointment or grievance
30 adjustment authority over a member of the individual’s family or in a position of being subject to
31 such authority which a member of the individual’s family exercises; or
- 32 (d) Would cause the employer to disregard a bona fide occupational requirement reasonably
33 necessary to the normal operation of the employer’s business.

34 (3) As used in this section, “member of an individual’s family” means the [*wife, husband*] **spouse**
35 **in a marriage**, son, daughter, [*mother, father,*] **parent**, brother, brother-in-law, sister, sister-in-law,
36 son-in-law, daughter-in-law, [*mother-in-law, father-in-law,*] **parent-in-law**, aunt, uncle, niece, nephew,
37 stepparent or stepchild of the individual.

38 **SECTION 57.** ORS 677.365 is amended to read:

39 677.365. (1) Artificial insemination shall not be performed upon a woman without her prior
40 written request and consent and, if she is married, the prior written request and consent of her
41 [*husband*] **spouse**.

42 (2) Whenever a child is born who may have been conceived by the use of semen of a donor who
43 is not the woman’s [*husband*] **spouse**, a copy of the request and consent required under subsection
44 (1) of this section shall be filed by the physician who performs the artificial insemination with the
45 State Registrar of the Center for Health Statistics. The state registrar shall prescribe the form of

1 reporting.

2 (3) The information filed under subsection (2) of this section shall be sealed by the state
3 registrar and may be opened only upon an order of a court of competent jurisdiction.

4 (4) If the physician who performs the artificial insemination does not deliver the child conceived
5 as a result of the use of semen of a donor who is not the woman's [*husband*] **spouse**, it is the duty
6 of the woman and the [*husband*] **spouse** who consented pursuant to subsection (1) of this section to
7 give that physician notice of the child's birth. The physician who performs the artificial insemination
8 shall be relieved of all liability for noncompliance with subsection (2) of this section if the noncom-
9 pliance results from lack of notice to the physician about the birth.

10 **SECTION 58.** ORS 726.990 is amended to read:

11 726.990. (1) Violation, or participation in the violation, of any provision of this chapter by any
12 pawnbroker or any agent, member, officer or employee thereof, or any other person is a Class B
13 misdemeanor.

14 (2) Upon conviction under subsection (1) of this section, no license shall be granted to such
15 person, nor to the [*husband or wife*] **spouse in a marriage** of such person, nor to any partnership,
16 association or corporation of which the person is an agent or member, until two years after the date
17 of the conviction.

18 **SECTION 59.** ORS 742.504, as amended by section 76, chapter 45, Oregon Laws 2014, is
19 amended to read:

20 742.504. Every policy required to provide the coverage specified in ORS 742.502 shall provide
21 uninsured motorist coverage that in each instance is no less favorable in any respect to the insured
22 or the beneficiary than if the following provisions were set forth in the policy. However, nothing
23 contained in this section requires the insurer to reproduce in the policy the particular language of
24 any of the following provisions:

25 (1)(a) Notwithstanding ORS 30.260 to 30.300, the insurer will pay all sums that the insured, the
26 heirs or the legal representative of the insured is legally entitled to recover as general and special
27 damages from the owner or operator of an uninsured vehicle because of bodily injury sustained by
28 the insured caused by accident and arising out of the ownership, maintenance or use of the
29 uninsured vehicle. Determination as to whether the insured, the insured's heirs or the insured's legal
30 representative is legally entitled to recover such damages, and if so, the amount thereof, shall be
31 made by agreement between the insured and the insurer, or, in the event of disagreement, may be
32 determined by arbitration as provided in subsection (10) of this section.

33 (b) No judgment against any person or organization alleged to be legally responsible for bodily
34 injury, except for proceedings instituted against the insurer as provided in this policy, shall be
35 conclusive, as between the insured and the insurer, on the issues of liability of the person or or-
36 ganization or of the amount of damages to which the insured is legally entitled.

37 (2) As used in this policy:

38 (a) "Bodily injury" means bodily injury, sickness or disease, including death resulting therefrom.

39 (b) "Hit-and-run vehicle" means a vehicle that causes bodily injury to an insured arising out of
40 physical contact of the vehicle with the insured or with a vehicle the insured is occupying at the
41 time of the accident, provided:

42 (A) The identity of either the operator or the owner of the hit-and-run vehicle cannot be ascer-
43 tained;

44 (B) The insured or someone on behalf of the insured reported the accident within 72 hours to
45 a police, peace or judicial officer, to the Department of Transportation or to the equivalent depart-

1 ment in the state where the accident occurred, and filed with the insurer within 30 days thereafter
2 a statement under oath that the insured or the legal representative of the insured has a cause or
3 causes of action arising out of the accident for damages against a person or persons whose identities
4 are unascertainable, and setting forth the facts in support thereof; and

5 (C) At the insurer's request, the insured or the legal representative of the insured makes avail-
6 able for inspection the vehicle the insured was occupying at the time of the accident.

7 (c) "Insured," when unqualified and when applied to uninsured motorist coverage, means:

8 (A) The named insured as stated in the policy and any person designated as named insured in
9 the schedule and, while residents of the same household, the spouse of any named insured and rel-
10 atives of either, provided that neither the relative nor the spouse is the owner of a vehicle not de-
11 scribed in the policy and that, if the named insured as stated in the policy is other than an
12 individual or [*husband and wife*] **spouses in a marriage** who are residents of the same household,
13 the named insured shall be only a person so designated in the schedule;

14 (B) Any child residing in the household of the named insured if the insured has performed the
15 duties of a parent to the child by rearing the child as the insured's own although the child is not
16 related to the insured by blood, marriage or adoption; and

17 (C) Any other person while occupying an insured vehicle, provided the actual use thereof is with
18 the permission of the named insured.

19 (d) "Insured vehicle," except as provided in paragraph (e) of this provision, means:

20 (A) The vehicle described in the policy or a newly acquired or substitute vehicle, as each of
21 those terms is defined in the public liability coverage of the policy, insured under the public liability
22 provisions of the policy; or

23 (B) A nonowned vehicle operated by the named insured or spouse if a resident of the same
24 household, provided that the actual use thereof is with the permission of the owner of the vehicle
25 and the vehicle is not owned by nor furnished for the regular or frequent use of the insured or any
26 member of the same household.

27 (e) "Insured vehicle" does not include a trailer of any type unless the trailer is a described ve-
28 hicle in the policy.

29 (f) "Occupying" means in or upon or entering into or alighting from.

30 (g) "Phantom vehicle" means a vehicle that causes bodily injury to an insured arising out of a
31 motor vehicle accident that is caused by a vehicle that has no physical contact with the insured or
32 the vehicle the insured is occupying at the time of the accident, provided:

33 (A) The identity of either the operator or the owner of the phantom vehicle cannot be ascer-
34 tained;

35 (B) The facts of the accident can be corroborated by competent evidence other than the testi-
36 mony of the insured or any person having an uninsured motorist claim resulting from the accident;
37 and

38 (C) The insured or someone on behalf of the insured reported the accident within 72 hours to
39 a police, peace or judicial officer, to the Department of Transportation or to the equivalent depart-
40 ment in the state where the accident occurred, and filed with the insurer within 30 days thereafter
41 a statement under oath that the insured or the legal representative of the insured has a cause or
42 causes of action arising out of the accident for damages against a person or persons whose identities
43 are unascertainable, and setting forth the facts in support thereof.

44 (h) "State" includes the District of Columbia, a territory or possession of the United States and
45 a province of Canada.

1 (i) "Stolen vehicle" means an insured vehicle that causes bodily injury to the insured arising
2 out of a motor vehicle accident if:

3 (A) The vehicle is operated without the consent of the insured;

4 (B) The operator of the vehicle does not have collectible motor vehicle bodily injury liability
5 insurance;

6 (C) The insured or someone on behalf of the insured reported the accident within 72 hours to
7 a police, peace or judicial officer or to the equivalent department in the state where the accident
8 occurred; and

9 (D) The insured or someone on behalf of the insured cooperates with the appropriate law
10 enforcement agency in the prosecution of the theft of the vehicle.

11 (j) "Sums that the insured, the heirs or the legal representative of the insured is legally entitled
12 to recover as general and special damages from the owner or operator of an uninsured vehicle"
13 means the amount of damages that:

14 (A) A claimant could have recovered in a civil action from the owner or operator at the time
15 of the injury after determination of fault or comparative fault and resolution of any applicable de-
16 fenses;

17 (B) Are calculated without regard to the tort claims limitations of ORS 30.260 to 30.300; and

18 (C) Are no larger than benefits payable under the terms of the policy as provided in subsection
19 (7) of this section.

20 (k) "Uninsured vehicle," except as provided in paragraph (L) of this provision, means:

21 (A) A vehicle with respect to the ownership, maintenance or use of which there is no collectible
22 motor vehicle bodily injury liability insurance, in at least the amounts or limits prescribed for bodily
23 injury or death under ORS 806.070 applicable at the time of the accident with respect to any person
24 or organization legally responsible for the use of the vehicle, or with respect to which there is
25 collectible bodily injury liability insurance applicable at the time of the accident but the insurance
26 company writing the insurance denies coverage or the company writing the insurance becomes vol-
27 untarily or involuntarily declared bankrupt or for which a receiver is appointed or becomes insol-
28 vent. It shall be a disputable presumption that a vehicle is uninsured in the event the insured and
29 the insurer, after reasonable efforts, fail to discover within 90 days from the date of the accident,
30 the existence of a valid and collectible motor vehicle bodily injury liability insurance applicable at
31 the time of the accident.

32 (B) A hit-and-run vehicle.

33 (C) A phantom vehicle.

34 (D) A stolen vehicle.

35 (E) A vehicle that is owned or operated by a self-insurer:

36 (i) That is not in compliance with ORS 806.130 (1)(c); or

37 (ii) That provides recovery to an insured in an amount that is less than the limits for uninsured
38 motorist coverage of the insured.

39 (L) "Uninsured vehicle" does not include:

40 (A) An insured vehicle, unless the vehicle is a stolen vehicle;

41 (B) Except as provided in paragraph (k)(E) of this subsection, a vehicle that is owned or oper-
42 ated by a self-insurer within the meaning of any motor vehicle financial responsibility law, motor
43 carrier law or any similar law;

44 (C) A vehicle that is owned by the United States of America, Canada, a state, a political sub-
45 division of any such government or an agency of any such government;

1 (D) A land motor vehicle or trailer, if operated on rails or crawler-treads or while located for
2 use as a residence or premises and not as a vehicle;

3 (E) A farm-type tractor or equipment designed for use principally off public roads, except while
4 actually upon public roads; or

5 (F) A vehicle owned by or furnished for the regular or frequent use of the insured or any
6 member of the household of the insured.

7 (m) "Vehicle" means every device in, upon or by which any person or property is or may be
8 transported or drawn upon a public highway, but does not include devices moved by human power
9 or used exclusively upon stationary rails or tracks.

10 (3) This coverage applies only to accidents that occur on and after the effective date of the
11 policy, during the policy period and within the United States of America, its territories or pos-
12 sessions, or Canada.

13 (4)(a) This coverage does not apply to bodily injury of an insured with respect to which the in-
14 sured or the legal representative of the insured shall, without the written consent of the insurer,
15 make any settlement with or prosecute to judgment any action against any person or organization
16 who may be legally liable therefor.

17 (b) This coverage does not apply to bodily injury to an insured while occupying a vehicle, other
18 than an insured vehicle, owned by, or furnished for the regular use of, the named insured or any
19 relative resident in the same household, or through being struck by the vehicle.

20 (c) This coverage does not apply so as to inure directly or indirectly to the benefit of any
21 workers' compensation carrier, any person or organization qualifying as a self-insurer under any
22 workers' compensation or disability benefits law or any similar law or the State Accident Insurance
23 Fund Corporation.

24 (d) This coverage does not apply with respect to underinsured motorist benefits unless:

25 (A) The limits of liability under any bodily injury liability insurance applicable at the time of
26 the accident regarding the injured person have been exhausted by payment of judgments or settle-
27 ments to the injured person or other injured persons;

28 (B) The described limits have been offered in settlement, the insurer has refused consent under
29 paragraph (a) of this subsection and the insured protects the insurer's right of subrogation to the
30 claim against the tortfeasor;

31 (C) The insured gives credit to the insurer for the unrealized portion of the described liability
32 limits as if the full limits had been received if less than the described limits have been offered in
33 settlement, and the insurer has consented under paragraph (a) of this subsection; or

34 (D) The insured gives credit to the insurer for the unrealized portion of the described liability
35 limits as if the full limits had been received if less than the described limits have been offered in
36 settlement and, if the insurer has refused consent under paragraph (a) of this subsection, the insured
37 protects the insurer's right of subrogation to the claim against the tortfeasor.

38 (e) When seeking consent under paragraph (a) or (d) of this subsection, the insured shall allow
39 the insurer a reasonable time in which to collect and evaluate information related to consent to the
40 proposed offer of settlement. The insured shall provide promptly to the insurer any information that
41 is reasonably requested by the insurer and that is within the custody and control of the insured.
42 Consent will be presumed to be given if the insurer does not respond within a reasonable time. For
43 purposes of this paragraph, a "reasonable time" is no more than 30 days from the insurer's receipt
44 of a written request for consent, unless the insured and the insurer agree otherwise.

45 (5)(a) As soon as practicable, the insured or other person making claim shall give to the insurer

1 written proof of claim, under oath if required, including full particulars of the nature and extent of
2 the injuries, treatment and other details entering into the determination of the amount payable
3 hereunder. The insured and every other person making claim hereunder shall submit to examinations
4 under oath by any person named by the insurer and subscribe the same, as often as may reasonably
5 be required. Proof of claim shall be made upon forms furnished by the insurer unless the insurer fails
6 to furnish the forms within 15 days after receiving notice of claim.

7 (b) Upon reasonable request of and at the expense of the insurer, the injured person shall submit
8 to physical examinations by physicians, physician assistants or nurse practitioners selected by the
9 insurer and shall, upon each request from the insurer, execute authorization to enable the insurer
10 to obtain medical reports and copies of records.

11 (6) If, before the insurer makes payment of loss hereunder, the insured or the legal represen-
12 tative of the insured institutes any legal action for bodily injury against any person or organization
13 legally responsible for the use of a vehicle involved in the accident, a copy of the summons and
14 complaint or other process served in connection with the legal action shall be forwarded imme-
15 diately to the insurer by the insured or the legal representative of the insured.

16 (7)(a) The limit of liability stated in the declarations as applicable to "each person" is the limit
17 of the insurer's liability for all damages because of bodily injury sustained by one person as the
18 result of any one accident and, subject to the above provision respecting each person, the limit of
19 liability stated in the declarations as applicable to "each accident" is the total limit of the
20 company's liability for all damages because of bodily injury sustained by two or more persons as the
21 result of any one accident.

22 (b) Any payment made under this coverage to or for an insured shall be applied in reduction
23 of any amount that the insured may be entitled to recover from any person who is an insured under
24 the bodily injury liability coverage of this policy.

25 (c) Any amount payable under the terms of this coverage because of bodily injury sustained in
26 an accident by a person who is an insured under this coverage shall be reduced by:

27 (A) All sums paid on account of the bodily injury by or on behalf of the owner or operator of
28 the uninsured vehicle and by or on behalf of any other person or organization jointly or severally
29 liable together with the owner or operator for the bodily injury, including all sums paid under the
30 bodily injury liability coverage of the policy; and

31 (B) The amount paid and the present value of all amounts payable on account of the bodily in-
32 jury under any workers' compensation law, disability benefits law or any similar law.

33 (d) Any amount payable under the terms of this coverage because of bodily injury sustained in
34 an accident by a person who is an insured under this coverage shall be reduced by the credit given
35 to the insurer pursuant to subsection (4)(d)(C) or (D) of this section.

36 (e) The amount payable under the terms of this coverage may not be reduced by the amount of
37 liability proceeds offered, described in subsection (4)(d)(B) or (D) of this section, that has not been
38 paid to the injured person. If liability proceeds have been offered and not paid, the amount payable
39 under the terms of the coverage shall include the amount of liability limits offered but not accepted
40 due to the insurer's refusal to consent. The insured shall cooperate so as to permit the insurer to
41 proceed by subrogation or assignment to prosecute the claim against the uninsured motorist.

42 (8) No action shall lie against the insurer unless, as a condition precedent thereto, the insured
43 or the legal representative of the insured has fully complied with all the terms of this policy.

44 (9)(a) With respect to bodily injury to an insured:

45 (A) While occupying a vehicle owned by a named insured under this coverage, the insurance

1 under this coverage is primary.

2 (B) While occupying a vehicle not owned by a named insured under this coverage, the insurance
3 under this coverage shall apply only as excess insurance over any primary insurance available to
4 the occupant that is similar to this coverage, and this excess insurance shall then apply only in the
5 amount by which the applicable limit of liability of this excess coverage exceeds the sum of the
6 applicable limits of liability of all primary insurance available to the occupant.

7 (b) If an insured is an insured under other primary or excess insurance available to the insured
8 that is similar to this coverage, then the insured's damages are deemed not to exceed the higher of
9 the applicable limits of liability of this insurance or the additional primary or excess insurance
10 available to the insured, and the insurer is not liable under this coverage for a greater proportion
11 of the insured's damages than the applicable limit of liability of this coverage bears to the sum of
12 the applicable limits of liability of this insurance and other primary or excess insurance available
13 to the insured.

14 (c) With respect to bodily injury to an insured while occupying any motor vehicle used as a
15 public or livery conveyance, the insurance under this coverage shall apply only as excess insurance
16 over any other insurance available to the insured that is similar to this coverage, and this insurance
17 shall then apply only in the amount by which the applicable limit of liability of this coverage ex-
18 ceeds the sum of the applicable limits of liability of all other insurance.

19 (10) If any person making claim hereunder and the insurer do not agree that the person is le-
20 gally entitled to recover damages from the owner or operator of an uninsured vehicle because of
21 bodily injury to the insured, or do not agree as to the amount of payment that may be owing under
22 this coverage, then, in the event the insured and the insurer elect by mutual agreement at the time
23 of the dispute to settle the matter by arbitration, the arbitration shall take place as described in
24 ORS 742.505. Any judgment upon the award rendered by the arbitrators may be entered in any court
25 having jurisdiction thereof, provided, however, that the costs to the insured of the arbitration pro-
26 ceeding do not exceed \$100 and that all other costs of arbitration are borne by the insurer.
27 "Costs" as used in this provision does not include attorney fees or expenses incurred in the pro-
28 duction of evidence or witnesses or the making of transcripts of the arbitration proceedings. The
29 person and the insurer each agree to consider themselves bound and to be bound by any award made
30 by the arbitrators pursuant to this coverage in the event of such election. At the election of the
31 insured, the arbitration shall be held:

32 (a) In the county and state of residence of the insured;

33 (b) In the county and state where the insured's cause of action against the uninsured motorist
34 arose; or

35 (c) At any other place mutually agreed upon by the insured and the insurer.

36 (11) In the event of payment to any person under this coverage:

37 (a) The insurer shall be entitled to the extent of the payment to the proceeds of any settlement
38 or judgment that may result from the exercise of any rights of recovery of the person against any
39 uninsured motorist legally responsible for the bodily injury because of which payment is made;

40 (b) The person shall hold in trust for the benefit of the insurer all rights of recovery that the
41 person shall have against such other uninsured person or organization because of the damages that
42 are the subject of claim made under this coverage, but only to the extent that the claim is made or
43 paid herein;

44 (c) If the insured is injured by the joint or concurrent act or acts of two or more persons, one
45 or more of whom is uninsured, the insured shall have the election to receive from the insurer any

1 payment to which the insured would be entitled under this coverage by reason of the act or acts
2 of the uninsured motorist, or the insured may, with the written consent of the insurer, proceed with
3 legal action against any or all persons claimed to be liable to the insured for the injuries. If the
4 insured elects to receive payment from the insurer under this coverage, then the insured shall hold
5 in trust for the benefit of the insurer all rights of recovery the insured shall have against any other
6 person, firm or organization because of the damages that are the subject of claim made under this
7 coverage, but only to the extent of the actual payment made by the insurer;

8 (d) The person shall do whatever is proper to secure and shall do nothing after loss to prejudice
9 such rights;

10 (e) If requested in writing by the insurer, the person shall take, through any representative not
11 in conflict in interest with the person, designated by the insurer, such action as may be necessary
12 or appropriate to recover payment as damages from such other uninsured person or organization,
13 such action to be taken in the name of the person, but only to the extent of the payment made
14 hereunder. In the event of a recovery, the insurer shall be reimbursed out of the recovery for ex-
15 penses, costs and attorney fees incurred by the insurer in connection therewith; and

16 (f) The person shall execute and deliver to the insurer any instruments and papers as may be
17 appropriate to secure the rights and obligations of the person and the insurer established by this
18 provision.

19 (12)(a) The parties to this coverage agree that no cause of action shall accrue to the insured
20 under this coverage unless within two years from the date of the accident:

21 (A) Agreement as to the amount due under the policy has been concluded;

22 (B) The insured or the insurer has formally instituted arbitration proceedings;

23 (C) The insured has filed an action against the insurer; or

24 (D) Suit for bodily injury has been filed against the uninsured motorist and, within two years
25 from the date of settlement or final judgment against the uninsured motorist, the insured has
26 formally instituted arbitration proceedings or filed an action against the insurer.

27 (b) For purposes of this subsection:

28 (A) "Date of settlement" means the date on which a written settlement agreement or release is
29 signed by an insured or, in the absence of these documents, the date on which the insured or the
30 attorney for the insured receives payment of any sum required by the settlement agreement. An
31 advance payment as defined in ORS 31.550 shall not be deemed a payment of a settlement for pur-
32 poses of the time limitation in this subsection.

33 (B) "Final judgment" means a judgment that has become final by lapse of time for appeal or by
34 entry in an appellate court of an appellate judgment.

35 **SECTION 60.** ORS 743.027 is amended to read:

36 743.027. A life or health insurance policy upon an individual, except a policy of group life in-
37 surance or of group or blanket health insurance, may not be made or effectuated unless at the time
38 of the making of the policy the individual insured, being of competent legal capacity to contract,
39 applies therefor or has consented thereto in writing, except in the following cases:

40 (1) A spouse may effectuate such insurance upon the other spouse.

41 (2) Any person having an insurable interest in the life of a minor, or any person upon whom a
42 minor is dependent for support and maintenance, may effectuate insurance upon the life of or per-
43 taining to such minor.

44 (3) Family policies may be issued insuring any two or more members of a family on an applica-
45 tion signed by either parent, a stepparent[, *or by a husband or wife*] **or a spouse in a marriage.**

1 (4) A person may effectuate insurance that provides for the funeral expenses of an adult who is
2 dependent upon the person for support and maintenance.

3 (5) A person may effectuate insurance that provides for the funeral expenses of an adult if the
4 person:

5 (a) Is closely related to the adult by blood or by law or has a substantial interest in the adult
6 engendered by love and affection; and

7 (b) Has a lawful and substantial interest in having the life, health and bodily safety of the adult
8 continue.

9 **SECTION 61.** ORS 743A.084 is amended to read:

10 743A.084. Each policy of health insurance shall provide:

11 (1) The same payments for costs of maternity to unmarried women that it provides to married
12 women, including the [*wives*] **spouses in marriages** of insured persons choosing family coverage;
13 and

14 (2) The same coverage for the child of an unmarried woman that the child of an insured married
15 person choosing family coverage receives.
