Provides that disaster or emergency related work conducted by out-of-state business may not be used as sole basis for determination that business is doing business in state, or that employee has residency or domicile in state. Provides exemptions from obligations including registration with Secretary of State and filing and payment of taxes. Requires registered business that requests services of out-of-state business to submit statement to Oregon Department of Administra-tive Services. Directs department to provide information obtained from registered business to state agency upon request.

1	A BILL FOR AN ACT
2	Relating to residency thresholds for businesses performing emergency services; and prescribing an
3	effective date.
4	Be It Enacted by the People of the State of Oregon:
5	SECTION 1. The Legislative Assembly finds that:
6	(1) During times of storm, flood, fire, earthquake, hurricane or other disaster or emer-
7	gency, many businesses bring resources, property and personnel from other states through-
8	out the United States into Oregon on a temporary basis to expedite the often enormous and
9	overwhelming task of cleaning up, restoring and repairing damaged buildings, equipment and
10	property or deploying or building replacement facilities in this state.
11	(2) This may involve the need for out-of-state businesses, including out of-state affiliates
12	of businesses based in this state, to bring in resources, property or personnel that previously
13	have had no connection to this state, to perform activities in this state including repairing,
14	renovating, installing, building, rendering services or performing other business activities
15	and for which personnel may be located in this state for extended periods of time to perform
16	these activities.
17	(3) While operating in this state on a temporary basis solely for purposes of helping this
18	state recover from a disaster or emergency, these businesses and individual employees
19	should not be burdened by any requirements for business and employee taxes as a result of
20	activities in this state for a temporary period.
21	(4) This state's nexus and residency thresholds are intended for businesses and individ-
22	uals that are in this state as part of the conduct of regular business operations or that in-
23	tend to reside in this state and are not directed at businesses and individuals coming into
24	this state on a temporary basis to provide assistance in response to a declared state of

1 emergency or declared major disaster.

(5) To ensure that businesses may focus on quick response to the needs of this state and its residents during a declared disaster or emergency, it is appropriate for the Legislative Assembly to deem that this activity for a reasonable period of time before, during and after the disaster or emergency for repairing and restoration of the often devastating damage to critical infrastructure in this state as defined in section 3 of this 2015 Act does not establish presence, residency, doing business in this state or any other criteria for purposes of state and local taxes or licensing and regulatory requirements.

9 <u>SECTION 2.</u> Sections 3 to 5 of this 2015 Act are added to and made a part of ORS chapter
 401.
